School Description

In 1891, the first school in Reedley was built and named Reedley Grammar School. In 1918, the school's name was changed to Washington Elementary. During the 2019-20 school year, Washington Elementary School served approximately 350 students in grades K-5 and included a staff of 15 teachers. In 2005, Washington added State Pre-School to their program which houses 40 preschool age students and received a 5 star status in 2014 and maintained a 5 star status in 2018. In 2018-19, Washington enrolled 165 students in an After-School Grant called ASES which we partner with Save the Children and the City of Reedley Parks and Recreation. That program continues in current year, serving approximately 160 students. In 2017-18, Washington received a grant that helps educate parents and supports children aged 3 through 5 years old through Save the Children who are not in preschool as well as maintaining the grant Birth- 3 year olds called Early Steps. Early Steps provides for in home services for 20 families. Parent Academy and Gymboree which serves 4 month old to 4 years old is an additional parent involvement component of Washington School.

School Mission Statement

Community, parents, staff, and students form a collaborative partnership in an effort to achieve the school's mission. The mission statement for Washington School is, "Believe to Achieve!" The school's goal is to pursue "excellence" through creating a positive and enriching academic environment, which provides successful learning opportunities for all.

School Vision

Staff, parents, students, and community are linked in a collaborative and supportive system that nurtures students' academic, emotional and social development through exemplary teaching in a learning environment committed to excellence.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the KCUSD Business Office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

Washington Elementary School has 19 classrooms, a multipurpose room, and an administration building. The main campus was built in 1949. Additional classrooms were constructed in 1954. Additional relocatable classrooms were constructed in 1987 and 1990.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Director of Maintenance, Custodial Supervisor, and the site principals work cooperatively with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	34	38	49	52	50	50
Math	33	35	36	40	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parent involvement and communication are essential to our school success. Washington Elementary School continually strives to involve parents by exchanging information that helps parents understand and support school programs and by providing opportunities for parent participation in school activities.

There are numerous and varied opportunities for parent involvement. Parents attend school functions, participate in parent-teacher conferences, volunteer in classrooms, chaperone field trips, various workshops and assist with other school activities. Parents may also serve on advisory committees and leadership teams, including Parent Teacher Club (PTC) and School Site Council (SSC) and English Learner Advisory Committee (ELAC) and Parent Advisory Committee (Pre-school Parents - PAC). The PTC at Washington is very active, organizing numerous extracurricular functions and conducting fundraising for field trips. Washington received a grant in 2016-2017 from Birth-3 years old from Save the Children that has a coordinator that visits homes of 20 families that have babies as well as Community for children 3-5 who are not in preschool. We have Parent Academy which parents can participate to help their child succeed in school as well as Gymboree for child and parent play.

Parents of English Learners are able to participate in Puente a Tecnologia, which is a chromebook check out for the home with internet access. This program will help parents and students acquire English.

Home and school communication is enhanced through weekly notices, monthly newsletters, parent/teacher conferences, the student/parent handbook, the school website, student report cards, direct phone calling system and other regular communication activities. Translation is regularly provided. In addition, parent education classes and workshops are offered regularly. We also use an app called "Peach Jar" which sends notices immediately to parents phones.

Parents who would like more information on how to become involved may contact Principal Greg Visser at (559) 305-7270.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students and staff is a primary concern of Washington Elementary School. Before, during, and after school, the campus is monitored by assigned staff. All visitors must sign in at the office and wear appropriate identification while on campus. The comprehensive school safety plan is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the plan include: child abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and suspension and expulsion policies. The safety plan is reviewed annually, updated as needed, and fully compliant with federal and state regulations. The plan was last reviewed/updated on November 13, 2019 and discussed with staff on November 13, 2019. An updated copy is available to the public at the school office. The school's disaster preparedness plan includes steps for ensuring the safety of students and staff during a disaster. Emergency preparedness drills are conducted regularly and the school staff is appropriately trained.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	42	42	42

Professional development at Washington Elementary School is designed to meet the individual needs of teachers as well as broader school concerns. Professional development may take the form of trainings, coaching, and peer reviews.

During the past three years, our teachers were trained in Kagan Strategies, Thinking Maps, Write From the Beginning, Mystery Science, illuminate, Ed Caliber/Lessoneer, Engineering is Elementary and Literacy Workshops. Buy Back days were focused on "Write from the Beginning" and English 3D language learner instructional strategies.

Teachers attended via Video/Conferencing "Taking Charge of Your Positive Direction" as well as individual one on one Video/Conferencing with Bert Freeman in 2017-18 and 2018-19.

Staff and grade level meetings also provide regular opportunities for professional collaboration. The collaboration meeting take place Wednesday afternoons. The instructional focus for the 2019-20 school year is writing for the 3rd through 5th grades and Foundational Skills for the Kindergarten through 2nd grade levels. Buy-back and early release days provide time for quality professional development with the new Common Core standards. Teachers were also trained in Positive Behavior Intervention Systems and the school entered their 6th year in the program during which they maintained the Fresno County Office of Education Model School "Gold" award.

Types of Services Funded

LCFF as a District

State Lottery: funds used to provide materials, supplies and programs for all student

Instructional Materials Fund (IMFRP): funds provided to purchase core state adopted materials and textbooks

State Pre-School: provides eligible students a developmental program for Kindergarten Readiness

After School Education and Safety Grant (ASES): provides after school programs for students

Title I Part A: Provides supplemental programs and services in English Language Arts, Mathematics and English Language Development for students who are academically at risk, professional development for staff and parent involvement activities.

Title II Part A: Professional Development funds for teachers through the District

Migrant Education: programs and services for identified Migrant Families and youth

IDEA, Special Education: services for students who meet the required criteria

Birth-3 year old Grant : provides for Parent Involvement and Education - from Save the Children

Save The Children: supports implementation of literacy strategies during after school programs and physical health.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
