### School Description

Monte Verde Elementary School has had a long history of establishing high standards and expectations for students while being able to support individual success. This can only be accomplished by knowing each child well and by working cooperatively with the home.

As part of a Unified School District, Monte Verde Elementary School is able to provide students the foundation needed to succeed. We participate in district initiatives and adhere to established rules and regulations while maintaining the ability to exercise site-based management. We offer an ambitious and rigorous academic program to all our students. Our academic program acknowledges the needs of our learners. The Academic Support Program, Speech and Language Program and Literacy Lab are intricate parts in addition to our general education program. Each year a Plan for Student Achievement is developed by staff, with input from the community. It is aligned with district initiatives, focused on success for all children and based on identified needs. This plan guides our work and helps determine funding priorities.

As a community of learners we value our partnerships with local universities. Through them we gain student teachers Notre Dame de Namur and students from San Francisco State University.

We are proud of our school, students, staff and community.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	74	75	50	52	50	50
Math	76	79	43	44	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement - (School Year 2018-19)

Monte Verde offers several opportunities for parental involvement. Parents are encouraged to volunteer in their child's classroom or on field trips. Parents are also provided with several opportunities throughout the school year to attend community functions such as Feast of Nations, Harvest Festival, Restaurant Nights and Movie Nights. Monte Verde holds regular School Site Council meetings which are scheduled and dates are made public well in advance and listed in the Monte Verde calendar sent home to each family. All school functions and changes in schedule are posted in the weekly bulletin. The Parent Teacher Association (PTA) is very active and provides a valuable support to our school. PTA meetings are scheduled on the first Thursday of each month. Parents are encouraged to volunteer in classrooms, on field trips and during school events. A weekly bulletin is written, reproduced and sent home in the hip-pocket mail and posted on Peachjar to keep parents notified of school related news.

To learn more about specific opportunities for getting involved, please contact the school principal, Deborah Mirt at 650-877-8838 or dmirt@ssfusd.org

The School Safety Plan includes an overview of the school's current comprehensive safe school programs and initiatives as well as an annual action plan that addresses the four phases of an emergency planning: mitigation, preparedness, response and recovery. San Mateo County has implemented the Big Five School Emergency Guidelines. The plan identifies members of the school's emergency response team, their roles and responsibilities, and their lines of communications with the District's emergency response team. Emergency policies and procedures and the location and inventory of the school's first aid and emergency supplies kits are detailed. Each School Safety Plan incorporates the state's Standardized Emergency Management System and is aligned with the detailed District Emergency Management Handbook.

Professional Development days of 18-19 focused on Literacy Assessment training (Fountas and Pinnell Benchmark Assessment System), and the implementation of classroom supports for students affected by trauma (PAX).

This year we are focusing our staff development sessions on Professional Learning Communities (PLC). Follow up sessions were held for both adopted curricula, Wonders and Math Expressions. The sessions focused on the digital components of the programs.
