## Principal's Message

I'd like to welcome you to Miller School's Annual School Accountability Report Card. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Miller School provides a warm, stimulating environment where students are actively involved in learning academics as well as positive values. Students receive a standards-based, challenging curriculum by dedicated professional staff and based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency.

We have made a commitment to provide the best educational program possible for Miller School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

## Mission Statement

Our vision states that we are here to prepare children to be successful citizens. Our work at Miller is governed by our district's 4 LCAP goals, as follows:

- Provide effective district and schoolwide support systems, procedures, processes, materials and practices that support student learning.
- Develop and enhance programs and services that support English Language Learners becoming proficient in all academic areas.
- Maintain a safe, secure, healthy and positive learning environment for all students and staff.
- Create a culture of respect and caring that supports positive relationships among all stakeholders (Parents/Staff/Students/Community Members).

## School Description

Isaac Miller School is located in Santa Maria and serves students in grades transitional kindergarten through six. At the beginning of the 2018-19 school year, 930 students were enrolled, including 7.1% in special education, 46.7% qualifying for English Language Learner support, and 95.6% qualifying for free or reduced price lunch.

## Student Achievement

### Physical Fitness

In the spring of each year, Isaac Miller School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

| Physical Fitness Test<br>Percentage of Students Meeting California Fitness Standards<br>2018-19 |  |                                  |                                 |
|---|--|----------------------------------|---------------------------------|
| Grade Level<br>Tested   | Percentage of Students Meeting Standards |                                  |                                 |
|   | Four of Six Fitness<br>Standards         | Five of Six Fitness<br>Standards | Six of Six Fitness<br>Standards |
| Fifth   | 18.2                                     | 18.2                             | 17.4                            |

*Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

### California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

| CAASPP Test Results in ELA and Mathematics - All Students |   |       |          |       |       |       |

*Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.*

*Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

*Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested*

is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for including in the 2018-19 SARC posting due February 1, 2020. These data will be included in the SARC 2019-20 posting due February 1, 2021.

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

**Conditions of Learning (Basic Services) – State Priority 1:** Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

**Conditions of Learning (Implementation of State Standards) – State Priority 2:** Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

**Parental Involvement – State Priority 3:** Efforts to seek parent input in decision making, promotion of parent participation in programs for all pupils and special need subgroups. Covered in Parent Involvement.

**Pupil Achievement – State Priority 4:** Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

**Engagement (Pupil Engagement) – State Priority 5:** School attendance rates, chronic absenteeism rates, and middle school dropout rates. Not covered in the School Accountability Report Card.

**School Climate – State Priority 6:** Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

**Conditions of Learning (Course Access) – State Priority 7:** Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

**Other Pupil Outcomes – State Priority 8:** Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

The most recent Santa Maria-Bonita School District Local Control Accountability Plan (LCAP) can be located on the district's website at <http://www.smbd.org/LCAP>.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed on upcoming events and school activities through Parent Square (automated message delivery system and classroom/school level posts in English and Spanish), flyers, and school newsletters. Contact Amanda Scheidmantel at (805) 361-7560 for more information on how to become involved in your child's learning environment.

### Opportunities to Volunteer

Career Speakers  
Chaperone  
Classroom Helper

School Site Council

### School Activities

Back to School Night  
Family Book Fair  
Family Education Nights  
Family Math Night  
Family Reading Night  
Jog-A-Thon  
Lunch on the Lawn  
Open House  
Parent Conferences  
Parent Teacher Conferences

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Isaac Miller School's original facilities were built in 1952; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Installation of speed bumps in the parking lot
- Repairs to collapsed sewer line

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Isaac Miller School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

| Campus Description          |       |

| State Preschool             | 1     |

### Deferred Maintenance

Isaac Miller School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2018-19 school year, Isaac Miller School did not receive deferred maintenance funds for campus repairs and/or improvements.

### Facilities Inspection

The district's maintenance department inspects Isaac Miller School on an annual basis in accordance with Education Code §17592.72(c)(1). Isaac Miller School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Saturday, August 17, 2019. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

| School Facility Good Repair Status<br>Most Recent Inspection: Saturday, August 17, 2019 |               |      |      |

#### Rating Description

*Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.*

### Campus Supervision

School administration and staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, staff members, and playground supervisors are strategically assigned to designated entrance areas and the playground. During recess, administrators and playground supervisors monitor playground activity. Administrators, staff members, and playground supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators, teachers, and staff members monitor student behavior to ensure a safe and orderly departure.

Isaac Miller School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

### School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Isaac Miller School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in February 2019.

## Classroom Environment

### Discipline & Climate for Learning

Isaac Miller School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline is employed in the classroom for those students experiencing difficulty following school rules, and proactive measures are utilized for those demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

\*\*\*Other\*\* category is for multi-grade level classes.

## Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Isaac Miller School revolve around the California State Content Standards and Frameworks. During the 2018-19 school year, Isaac Miller School held staff development training devoted to:

- Instructional Strategies
- California State Standards
- English Language Development (ELD)
- Guided Reading
- Common Formative Assessments

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Isaac Miller School supports ongoing professional growth throughout the year on early release days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2017-18, 2018-19, and 2019-20 school years, Fesler Junior High School's teachers had the opportunity to attend the following events hosted by the Santa Maria-Bonita School District:

#### 2017-18 Training Topics:

- Benchmark Advance
- Professional Learning Communities (PLCs)
- Language! Live
- Mathematics

#### 2018-19 Training Topics:

- Benchmark Advance
- History/Social Studies
- English Language Learners
- Mathematics
- Next Generation Science Standards (NGSS)
- Technology Training
- Guided Reading

#### 2019-20 Training Topics:

- California History-Social Science myWorld Interactive
- CPM Training
- Daily 5
- Guided Reading Lesson Planning
- Best Practices in Co-Teaching
- Science Pilotees
- Conscious Classroom Management
- ASI: StudySync ELD
- Professional Learning Communities
- Unassisted Writing
- Technology Training

Isaac Miller School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

| Number of School Days Dedicated to Staff Development and Continuous Improvement |         |         |
|---|---------|---------|
| 2017-18   | 2018-19 | 2019-20 |
| 2   | 2       | 2       |

## Instructional Materials

All textbooks used in the core curriculum at Isaac Miller School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 11, 2019, the Santa Maria-Bonita School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 19-03 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, all visual/performing arts classes offered in the Santa Maria-Bonita School District had sufficient textbooks and/or materials for all students enrolled in those classes.

## Specialized Instruction

All curriculum and instruction are being aligned to the California State Standards approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades 3 through 6 who have been identified as academically gifted through district-administered assessments. Students are clustered by grade level to receive differentiated instruction. Instruction is provided by teachers who are GATE Certified.

For students whose primary language is not English and who have limited English proficiency, Isaac Miller School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. English learners are grouped by language fluency level to receive differentiated instruction during designated English Language Development (ELD) time. Instruction focuses on reinforcement of class lessons, reading intervention, and targeted support in areas of need. All students receive English Language Development instruction as a supplement to their regular language arts instruction. Isaac Miller School's teachers utilize Benchmark for grades K-5 and Study Sync for grade 6, both state-approved textbook adoptions. Students are monitored

through the English Language Proficiency Assessment for California (ELPAC) exam given to kindergarteners at the beginning of the year and other grades in the Spring; results are used to evaluate and adjust individualized learning strategies.

Miller School has one mild to moderate special education classroom staffed by one Special Education Teacher, and one Resource Specialist Program Teacher with an aide. Instruction is provided in the least restrictive environment and based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with small group and individualized instruction in the resource room. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary.

Miller School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using ELPAC assessments, district benchmark assessments, and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- ASES (After School Education & Safety)
- Teacher Tutors (Small Group Instruction)
- Intervention Teachers (ELA & Math RtI - During school hours for Intensive Level students)
- Migrant Education Extended Day Program
- Two Cal-SOAP Tutors (for any student assistance)
- Two Minicorps Tutors (work with Migrant Education students)

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

## Professional Staff

### Counseling & Support Staff

Isaac Miller School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Isaac Miller School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

| Academic Counselors & Other Support Staff<br>(Nonteaching Professional Staff)<br>2018-19 |              |     |
|--|--------------|-----|
|  | No. of Staff | FTE |
| Academic Counselor   | 0            | 0   |
| Outreach Mentors   | 2            | 1.0 |
| Community Liaison  | 1            | 1.0 |
| Computer Lab Technician  | 1            | 1.0 |
| Family Advocate  | 1            | 0.2 |
| Health Assistant   | 1            | 1.0 |
| Library Media Clerk  | 1            | 1.0 |
| Nurse  | 1            | 0.2 |
| Psychologist   | 1            | 0.2 |
| Speech Therapist   | 1            | 1.0 |

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

## Teacher Assignment

During the 2018-19 school year, Isaac Miller School had 32 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

| Teacher Credentials & Assignments   |        |       |       |          |
|---|--------|-------|-------|----------|
|   | School |       |       | District |
|   | 17-18  | 18-19 | 19-20 | 19-20    |
| Total Teachers  | 31     | 32    | 33    | 627      |
| Teachers With Full Credentials  | 31     | 32    | 33    | 625      |
| Teachers Without Full Credentials   | 0      | 0     | 0     | 2        |
| Teachers Teaching Outside Subject Area of Competence (With Full Credential) | 0      | 0     | 0     | 2        |
| Misassignments of Teachers of English Learners                              | 0      | 0     | 0     | 0        |
| Total Teacher Misassignments*   | 0      | 0     | 0     | 2        |
| Vacant Teacher Positions  | 0      | 0     | 0     | 0        |

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2017-18 salary comparison data was the most recent data available at the time this report was published.)

| Teacher and Administrative Salaries<br>2017-18 |           |   |
|--|-----------|---|
|  | District  | State Average of Districts in Same Category |
| Beginning Teacher Salary                       | \$46,728  | \$45,741                                    |
| Mid-Range Teacher Salary                       | \$84,624  | \$81,840                                    |
| Highest Teacher Salary                         | \$105,613 | \$102,065                                   |
| Superintendent Salary                          | \$211,493 | \$224,581                                   |
| <b>Average Principal Salaries:</b>             |           |   |
| Elementary School                              | \$126,405 | \$129,221                                   |
| Middle School                                  | \$125,999 | \$132,874                                   |
| High School                                    | N/A       | \$128,660                                   |
| <b>Percentage of Budget:</b>                   |           |   |
| Teacher Salaries                               | 34%       | 36%   |
| Administrative Salaries                        | 4%        | 5%  |

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

### Expenditures Per Student

For the 2017-18 school year, Santa Maria-Bonita School District spent an average of \$11,527 of total general funds to educate each student (based on 2017-18 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil

expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Santa Maria-Bonita School District receives state and federal categorical funding for special programs. For the 2017-18 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- California Clean Energy Jobs Act
- Education Protection Account
- Lottery: Instructional Materials
- Other Local: Locally defined
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I
- Title II
- Title III
- Title IX

| Expenditures Per Pupil and School Site Teacher Salaries<br>2017-18 |                           |          |                              |          |                              |
