### School Description

#### Principal's Message

Welcome to Beatty School, home of the Colts. We wish to share our annual School Accountability Report Card which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities, and staff.

In order to support the learning of all students, Beatty School implements a Multi-Tiered System of Supports (MTSS) to provide Academic, Social, and Behavior Supports. A comprehensive Positive Behavior Intervention Support (PBIS) is put in place to support student behavior. All students receive the appropriate intervention to support, strengthen, and extend individual student achievement. The Beatty staff takes pride in ensuring the success of all students through the setting of high standards and providing a rigorous curriculum and interventions that meet the needs of the whole child.

At Beatty School, staff and parents work together to create a learning environment that promotes academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. Together and through our hard work, our students are challenged to reach their maximum potential and be prepared to successfully meet the demands of the future. We are proud of our school and welcome you to join our efforts to create successful and responsible world citizens.

#### Mission Statement

"Beatty School embraces diversity and develops lifelong learners who contribute to the global community." We, the members of the Gordon H. Beatty School community, along with the Buena Park School District community, are dedicated to providing all children with the educational, social, and technological skills needed to successfully experience and contribute to the world around them. We will engage parents and community members as full partners in helping our children develop the ability to work with others, make responsible decisions, and continue to learn and grow throughout their lives. Building on our children's talents, our small, diverse school community will celebrate each child in a safe, healthy, and information-rich environment. The caring partnership between home, school, and the community is nurtured through newsletters, announcements, phone calls, conferences, parent training, volunteer programs, business partnerships, and the utilization of community resources.

#### School Profile

Gordon H. Beatty Elementary School is located in the northern region of Buena Park and serves students in preschool through grade six following a traditional calendar. In the 2019-2020 school year, 798 students were enrolled, including 15% in special education, and 42% qualifying for English Language Learner support.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)**

On Monday, September 23, 2019, the Buena Park School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #19-12:2019-2020 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbook and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The information that follows shows the currency and availability of the textbooks and other instructional materials used at the school as of September 2019.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Gordon H. Beatty Elementary School's original facilities were built in 1966; ongoing maintenance and campus improvements ensure facilities remain up-to-date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Replaced a/c units under prop 39 funding.
- Cleared back fence of all growth.
- Paint site exterior.
- Repaired folding wall in cafeteria.
- Replaced office water heater.
- Replace restroom ramp.
- Install stop sign in parking lot and re-stripe crosswalk.
- Asphalt repairs.
- Replace chain locks with latches.
- Replace upper building water heater.
- Install campus use signs.
- New custodial schedules.
- Deep clean campus.
- Annual service includes, Staff ID badges, HVAC filters, Test fire alarm system, Service fire extinguishers, Service backflow devices, Tree trimming.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two full-time day custodians, and one full-time and one half-time evening custodians are assigned to Gordon H. Beatty Elementary School. The day custodians are responsible for:

- Classroom cleaning
- Cafeteria/kitchen setup and cleanup
- Restroom cleaning
- Main office cleaning
- Event set up

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.

Evening custodians are responsible for:

- Classroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

### Deferred Maintenance

Gordon H Beatty Elementary School participates in the State School Deferred Maintenance program which provides matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating and air, electrical, painting, flooring, asphalt, wall systems, and underground tanks.

### Facilities Inspection

The district's maintenance department inspects Gordon H. Beatty Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Gordon H. Beatty Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place December 11, 2019. Deficiencies noted in the school inspection survey were corrected in a timely manner by the district's maintenance department. During fiscal year 2019-2020, all restrooms are fully functional and available for student use.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	45	45	44	45	50	50
Math	45	47	37	40	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed of upcoming events and school activities through parent conferences, the school marquee, the school website, Parent Square (automated telephone/email/text message delivery system), and the Pony Express newsletter. Please contact the school office at (714) 523-1160 for more information on how to become involved in your child's learning environment.

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

The Comprehensive School Site Safety Plan was developed for Gordon H. Beatty Elementary School in collaboration with local agencies and the District Office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2019.

Professional learning for the Buena Park faculty is aligned to the California State Content Standards and Frameworks, Multi-Tiered System of Support (MTSS) and Beatty Elementary's School Plan for Student Achievement. At the District level, a team of administrators specializing in curriculum and instruction identifies teaching and learning strengths along with specific areas of need. Using site surveys, combined with data analysis from state assessments and District benchmark tests, a district-wide focus for increasing academic proficiency levels for all students is planned.

On-site Professional Development: Every week, teachers are provided professional development opportunities in the areas of instructional strategies, assessments, and curriculum planning. During the year, three dates are devoted to data analysis and planning for differentiated instruction and intervention. Site professional development is mirrored with the district plan for instruction and assessment and designed to meet the specific needs of Beatty Elementary students.

District Professional Development: The school district provides teachers with ongoing professional development to advance content knowledge, instructional expertise, and collaborative planning. Training to support teachers with the implementation of district-wide initiatives including Common Core State Standards, new curriculum and units of study, assessment development, and establishing Professional Learning Communities. Teachers are given opportunities to develop both the art of teaching and instructional leadership skills by attending ongoing training and coaching led by literacy consultants, Beatty's Cotsen mentor teacher, and the District Literacy, English Learner, and Tech TOSAs.

Beatty Elementary School staff participated in the following professional learning activities over the past three school years:

- Common Core State Standards
- Writing Workshop Strategies
- Balanced Literacy
- Assessment and data analysis
- Reading and Writing Workshop
- Zearn Math and MathSpace training
- Academic discourse and student engagement using AVID strategies
- Next Generation Science Standards (NGSS) instructional shifts, curriculum and resources
- STEM practices and planning
- History Social Science standards, resources, and instructional best practices
- English Language Development (ELD) instructional practices and assessment
- Innovative integrated technology
- GATE certification for 3rd-8th grade teachers
- Positive Behavior Intervention Support (PBIS)
- Assessment literacy
- Professional Learning Community (PLC)
- MTSS academic behavior, and social-emotional development training

Beatty Elementary School offers support to new and veteran teachers through professional development, peer coaching and mentoring. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### **Types of Services Funded**

For the 2018-19 school year, Buena Park School District spent an average of \$13,090 of total general funds to educate each student (based on 2018-19 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Buena Park School District receives state and federal categorical funding for special programs. For the 2018-19 school year, the district received categorical, special education, and support programs funds for:

- After School Education and Safety Program
- Grade Span Adjustment
- Lottery: Instructional Materials
- Special Education

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
