## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019-20)

Camino Grove School is a community where the people make a difference. We strive to provide all of our students with a rigorous education program. Our high-quality instructional program is designed to meet the diverse academic and social needs of our students in a dynamic learning environment that will better prepare them to master the California Academic State Standards and maximize their ability to be college and career ready. Our staff is highly trained and dedicated to making a difference in the lives of our students. At Camino Grove, we are committed to the idea that learning is the shared responsibility of faculty, students, families, and the community. Teachers collaborate weekly and work in teams during early-release Wednesdays to promote achievement and provide challenging experiences for all students. As well, teachers meet seven times per year in vertical collaborative teams, TK-12. Teachers participate in professional conferences, staff development training, and learning walks to acquire new strategies to meet the diverse needs of students.

At Camino Grove students see each other in a positive light as they exhibit leadership, personal responsibility, and respect for self and others. Camino Grove is a "Leader in Me" school and uses "Restorative Practices" as a means to develop character, leadership skills, and resolve conflicts. We take pride in the high degree of parent involvement at Camino Grove Elementary School. Our parents provide leadership through participation on the School Site Council, English Language Advisory Committee, and Parent Teacher Association (PTA). Parents can be seen throughout the day volunteering in classrooms, working in the copy center, assisting with student drop off and pick up and assisting with lessons in our Art Program. Modernization and construction was completed in August 2013. Each classroom has been updated with new technology, including smart boards, document cameras, and projectors. In September 2016, Camino Grove implemented 1-1 devices for all students TK-5. The Multipurpose Room was updated and air conditioning was added to the building. The Multipurpose Room also received new lighting and an upgraded sound system. The main office building was renovated and new landscaping was added throughout the campus. Security gates and blinds were installed around the campus to provide greater safety for students, and the school is equipped with security cameras and a secured entry system.

At Camino Grove Elementary School we believe all students are filled with great potential and leadership. We are committed to helping students discover their voice and strengths by providing diverse learning opportunities through the implementation of Universal Design for Learning, innovative teaching practices, and personalized learning experiences.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	29	30	30	30
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: November 2019

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

## School Facility Conditions and Planned Improvements (Most Recent Year)

Camino Grove Elementary School was built in 1953 and provides a safe, clean environment for students, staff, and volunteers. The district administers a scheduled maintenance program to ensure that all classrooms and facilities are well maintained. All schools in the Arcadia Unified School District were completely modernized in 1995–1996. As a result of Measure I passing by strong voter response in November 2006, Camino Grove underwent major renovations which began in the summer of 2011. This project was completed in August of 2013. The renovations included cutting-edge technology in each classroom to enhance interactive instruction and learning, a new student-services building, air conditioning in the multipurpose room, and upgraded restrooms, electrical, plumbing, and drainage. Camino Grove Elementary School campus currently has 34 classrooms, a staff room, a library/multimedia center, a multipurpose room, and two playgrounds. At the time of this publication, 100 percent of the school’s restrooms were fully functioning and have been completely renovated.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

**Year and month of the most recent FIT report:** August 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Poor	Small cosmetic patch and painting needed due to normal wear and tear. Work orders have been submitted and the work is scheduled to be completed by the end of April 2020.
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	Good	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	75	78	76	78	50	50
Mathematics (grades 3-8 and 11)	77	75	75	76	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

#### Grades Three through Eight and Grade Eleven (School Year 2018-19)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

## California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are very supportive of the educational programs at Camino Grove Elementary School. We encourage them to participate in all aspects of the school's program, including volunteering at the school, in the classroom, and Parent Teacher Association (PTA). There is a high degree of parent involvement at Camino Grove Elementary School. Our active PTA is engaged in fundraising activities that raise money to directly impact the classroom. As well, PTA creates avenues for family involvement in the school and community through programs and events such as Family Fun Night, the annual school carnival, Bring Your Parents to Lunch Day, Back-to-School Night, book fairs, and Open House dinner. The school has also created local community partnerships with the Arcadia Public Library, Arcadia Rotary Club, the Arcadia Educational Foundation, American Legion, and the Arcadia Lion's Club. For more information about volunteering at the school, contact Anne Joseph, School Office Supervisor, at (626) 821-8353.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

<b>Expulsions</b>	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

### School Safety Plan (School Year 2019-20)

To safeguard the well-being of students and staff, a Comprehensive School Safety Plan has been developed by the Safety and Disaster Committee, which consists of classified staff, teachers, and the principal. The committee sets goals for the school to continually improve in 3 areas: School Climate (Students, Parents, and Programs), Emergency Preparedness (Disasters and Crisis), and School Environment (Facilities and Campus). The plan addresses various safety issues, including creating procedures that detect and prevent bullying, ensuring appropriate campus supervision, maintaining disaster kits, and monitoring emergency procedures. The Comprehensive School Safety Plan is updated each year and approved by the School Site Council and the Board of Education. The plan is reviewed with all staff members at the beginning of each school year. Safety drills are held on a regular basis; fire drills are held monthly, earthquake drills are held four times a year, and intruder/lockdown drills are held at least once a year. Staff members also receive disaster training on a regular basis.

To ensure student safety, teachers, administrators, and school proctors supervise students on campus before and after school, and during breaks and lunch. Camino Grove Elementary School has a closed campus, and permission is always required for students to leave school grounds. Any visitors to the campus are required to check in at the school's main office and must wear the proper identification badge at all times.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

\*\* "Other" category is for multi-grade level classes.

### Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselors*	.0

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Student Support Services Staff (School Year 2018-19)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	1.8
Resource Specialist (non-teaching)	5.2

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2017-18)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	11990	4020	7970	93136
District	N/A	N/A	8152	\$96,806.00
Percent Difference - School Site and District	N/A	N/A	-2.3	-4.9

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
State	N/A	N/A	\$7,506.64	\$78,059.00
Percent Difference - School Site and State	N/A	N/A	12.4	17.1

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### Types of Services Funded (Fiscal Year 2018-19)

At Camino Grove we believe early intervention is key to supporting our students' academic and social emotional growth. Services provided to our students include:

- Academic Program Coach and Intervention Teachers; small group intervention classes, co-teaching, professional development.
- Full-time counselor; group and individual sessions, classroom lessons, mental health support.

As well, our PTA raises funds for field trips, library books, software, and special assemblies. They provide matching funds for school supplies and teacher grants. Other funds that are used to provide students with services include Special Education funding, Arcadia Educational Foundation, and the Local Control Funding Formula (Supplemental Grant and Class Size reduction K-3).

### Teacher and Administrative Salaries (Fiscal Year 2017-18)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$59,616	\$49,084

## Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Under the current Local Control Funding Formula, districts like Arcadia Unified School District, with low numbers of unduplicated students receive far less ongoing money to implement the California Academic Standards compared to neighboring districts with greater numbers of targeted or “unduplicated” students (low income, English Learners, or foster youth). These high unduplicated count districts received supplemental and concentration grant monies to purchase materials, hire consultants, and pay for hours of professional development for their instructional and student support staffs.

In the Fall of 2013, the Arcadia Unified School District negotiated an interest-based solution for California Academic Standards implementation with its bargaining units to add three days to the school calendar for two years starting in the 2014-15 school year. Negotiations produced an agreement to spread the three days of additional paid time over seven early release days with development time of 2.5 hours per day built into the schedule. Since 2015, AUSD leadership has negotiated annual agreements with its bargaining units to continue the additional three days for professional development.

In the Spring of 2014, a committee grew out of Arcadia’s Education 21 Task Force called the Collaboration Time Advisory Council (C-TAC) with the task of putting legs to the plan. C-TAC is a representative group made up of bargaining unit members and management team members who were charged with serving as an advisory committee to the District in the implementation of the district-wide California Academic Standards Collaboration Time supporting TK-12 instructional programs both vertically and horizontally, as they made dramatic instructional and curricular shifts.

The commitment from both our bargaining units and management was to build research-based professional development around small collaborative working groups. Each group would be designed intentionally to have a vertical alignment of teachers from TK-12 engaged in the work together.

In late Spring of 2014, the C-TAC committee reached out to all certificated staff to assist with generating ideas for the content of the Collaboration Days. The committee, after reviewing and discussing the many ideas that were submitted and looking at survey data, generated a list of themes which became the foundation of the Collaboration Days and assisted in guiding the development of a Course Group Catalogue. The planning of the Collaboration Days was research based, focused on meaningful work, teacher choice, flexibility, and ongoing commitment. The Professional Development was designed around teacher interests that included creating autonomous choice for teachers and support providers in relation to where they felt they could best contribute their training, talents, interests, and education, by participating in Small Working Groups (SWaG) and engaging with other professionals to continue the real work of implementing the California Academic Standards. C-TAC continues to act as the advisory body for the Collaboration Days, reviewing survey data and requests for course offerings, and considering suggestions for improvements to the program.

Each SWaG is led by a self-selected Facilitator from amongst the various stakeholder groups and has been charged with collaborating both with colleagues at their own site and with fellow professionals from other district sites. Mentor-leaders support Facilitators by providing support throughout implementation of this professional development. The crystal-clear goals of the Collaboration Days include producing a comprehensive and fully articulated Arcadia California Academic Standards Core Curriculum in English-Language Arts and Mathematics; to research and make recommendations for curriculum and instructional shifts towards a more personalized approach to learning in the Social Sciences, Sciences, Foreign Languages, Physical Education, Electives, Visual and Performing Arts, Character Education, Technology implementation, English-Language Development, Next Generation Science Standards implementation, Project-Based Learning, Innovative Instruction, Google Classroom and various online and Open Educational Resources, and Special Education from a Transitional Kindergarten to Grade 12 perspective. Data continues to be collected from the SWaGs through group evaluations and is then disaggregated and shared through various modalities to each stakeholder group.

In recent years, additional professional development resources have been designated for Mathematics and English-Language curriculum development and 21st Century instructional skill development, including National Council of Teachers of Mathematics (NCTM) conferences, Thinking Maps, and Write From the Beginning, in support of California Academic Standards implementation, Illuminate data and assessment system, AVID, Advanced Placement, and Next Generation Science Standards. At the high school level, data indicated that a large segment of potentially college-bound students were not being provided access and opportunity to pursue honors and college-level courses, as their high-achieving classmates were. Leadership worked with teachers to engage in professional development around the themes of Advanced Placement (AP) open access and equity for all students over the past two years. Professional Development resources have been designated to send teachers, counselors and leadership to the local and regional College Board/A.P. Forums. Continued professional development will be pursued at the national level.

Full implementation of the Advancement Via Individual Determination (AVID) program continues to be a focus of professional development dollars over the past seven years.

Individual school sites have been tasked with working with the Instructional Coaches to conduct professional development around the themes of the California Academic Standards, including rigor, focus, coherence, instructional strategies, shifts in curriculum, pacing and instructional materials, writing instruction and problem-solving. Arcadia Instructional Coaches have become regional professional development leaders by presenting at conferences and through their instituting the San Gabriel Valley Instructional Coaches Consortium.

Staff development topics from 2012–2018 school years have included effective instruction and critical thinking, implementation of the electronic grade book, the California Academic Standards, identification, development and curation of online resources, pedagogical shifts, brain research and Universal Design for Learning (UDL) and Innovative Instruction.
