School Description

MISSION:

The mission of Rivera Elementary, in partnership with the community, is to provide a safe, nurturing, innovative and challenging environment that promotes excellence. We will prepare students as life-long learners to succeed academically, intellectually, socially, and emotionally.

Teachers, classified employees, administrators, and families will create an atmosphere of trust and service. Parents will be equal partners and hold a position of responsibility in the education of their children.

PRINCIPAL'S MESSAGE/ VISION:

I am proud to be the new principal of Rivera Elementary.

At Rivera Elementary we have high expectations for our EAGLES. Our vision is for every student at Rivera to know that:

Every Eagle

Acts responsibly

Gives respect

Listens and Learns

Encourages kindness

Stays Safe

Our entire staff is dedicated to this vision and works hard each and every day to ensure our students' success. Rivera Elementary is a special school because of our dedicated staff, our supportive and engaged community and our many traditions. Our core belief at Rivera Elementary is that all of our efforts should be based on what is best for students. Based on this belief, we have made it our goal to help all of our students learn and grow in the safest and most nourishing environment possible.

Feedback from our families is always appreciated. If you have any questions or concerns, please share them with me at any time. Your continued support is important to the success of our school and its students.

Sincerely,

Alma Renteria

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rivera Elementary School was constructed in 1952. The school provides a safe, attractive campus that meets the needs of students, staff, and volunteers. The campus recently completed a three-phase modernization program that included the wiring of all permanent classrooms and offices for Internet access, new telephones, new fire alarms, new video/data, the installation of air conditioners, new electrical drops, new lighting, new flooring, new paint, and modernization of some of the student bathrooms. There are 31 classrooms (16 permanent), one cafeteria/multipurpose room, one school office, and one library.

Modernization of the remaining student and staff bathrooms and asphalt repaving was done during the summer of 2005 as part of Measure A bond monies. In 2006, a loading and unloading zone was established to provide a safe and secure area for parents to drop off or pick up their children.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	46	42	42	43	50	50
Math	26	33	26	29	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)

English Learners	101	99	98.02	32.32
Students with Disabilities	31	30	96.77	10.00
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Rivera Elementary School is committed to building capacity for strong parental involvement in order to ensure effective involvement of parents and to support a partnership between the school and the parents, and the community to improve student academic achievement. The the following activities are structured opportunities for parent involvement: School Site Council Meetings, PTO Meetings, Parent Workshops, and Classroom Volunteer opportunities. Additionally, in partnership with PTO, the Principal kicked off an initiative involving a Loyalty Card and bimonthly family nights. Parents were provided the calendar of events at the beginning of the year along with a Parent Loyalty Card, incentivizing attendance at a minimum of 8 family events in exchange for a "Loyal to Rivera" t-shirt (these were sponsored by the Principal).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Rivera Elementary Comprehensive School Safety Plan (CSSP) is reviewed annually to assure staff awareness. The Comprehensive School Safety Plan was last reviewed, updated, and discussed with school faculty in December 2019. The Plan includes information on disaster drills, evacuation routes, disaster teams, and the location of first aid supplies and other disaster emergency supplies. The SSP is available for review in the school office.

Rivera Elementary School is a secured campus. All visitors must enter and exit via the front school office. School staff members supervise the playgrounds. In addition, District police units are available to further ensure the safety of children before, during, and after school. All visitors must check-in at the office and wear an appropriate visitor's pass.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	11	12

The district provides professional learning opportunities to meet the needs of administrators, teachers, and support staff at all levels of the organization: Beginning Teachers Support and Assessment (BTSA); Peer Assistance Review (PAR) for veteran teachers; District and site administrators; Teachers and support staff; and Digital Learning Coaches.

Four full days and approximately 20 half days of professional learning are being offered at our school site in the 2019-20 school year. The topics addressed were based on teachers' need assessment surveys, student assessment data analysis, and district and school-wide action plans. Our intern teachers are supported by university supervisors and Master teachers. Professional development at individual school sites is determined by in-depth data analysis and aligned to the instructional focus areas. English learners and special population training are offered on-site as needed. In addition, teachers and support staff also attend off-site workshops or conferences.

2018-19 Analysis of data led to the identification of professional learning priorities. Whole group instruction, small group differentiated instruction, and designated English language development supported strengthening language arts instruction at the elementary level. Professional learning in mathematics focused on the Standards for Mathematics Practice, in conjunction with problem-solving and modeling and data analysis at the middle school level. At the high school, professional learning was prioritized for the Expository Reading and Writing Course which develops students' academic literacy in rhetorical and analytical reading, writing, and thinking. All schools participated in professional learning opportunities centered on data literacy. Professional development is provided during modified day schedules, pupil-free days, release days, and conferences/workshops outside the district. Professional learning is supported through in-class coaching, teacher-principal meetings, observations, and demonstration lessons.

Types of Services Funded

The following programs and services are available in the district to support and assist students:

- After School Tutoring

*After School Enrichment (i.e. Robotics, Coding)

- Saturday School
- English Learner Literacy Support Class (ELLSC)
- Extended Day Kindergarten
- Transitional Kindergarten
- Language Arts, Mathematics Cadres
- Science, and Visual and Performing Arts Curriculum Councils

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
