School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Magnolia is a traditional elementary school with TK-6th-grade students. Magnolia's mission statement is "Magnolia...a place where students and learning come first". The acronym P.R.I.D.E. continues to be used to show that we always are "Putting Respect into Daily Efforts". Our staff and students fully embody our mission statement and the P.R.I.D.E acronym. Students and staff repeat our mission daily, are taught and reminded to take pride in themselves and their school and are expected to show that pride by always giving their best efforts, respecting themselves and others, and taking care of personal and school property. School staff members believe in the Oakdale Joint Unified School District's mission of "Teach, Learn, Every Day, No Excuses!" and work hard to provide students with the tools they need to achieve success with Common Core State Standards and to ultimately become "College and Career Ready" Seniors.

Magnolia has a variety of programs to support student achievement. Qualified 3rd-6th-grade students are able to receive enrichment through our Gifted and Talented Education program as well as differentiation in the classroom. To support struggling students teachers provide Tier 1 support in the classrooms through small group instruction. In addition, we have a Title 1 funded MTSS Learning Lab for students needing additional support in reading and math. Students needing deeper support may qualify for our Resource or Special Day Special Education Classes. Magnolia also has an after school program which provides students with a safe environment after school and assistance with their homework. Students are also able to contribute to the campus by participating in our Garden Club, Kindness Crew, and Student Council.

Through data analysis, the staff collaboratively determined our site goals for the current year. We are striving for an increase in student achievement in English Language Arts and Math. In addition, there is a focused goal for our High Priority students to improve their achievement in English Language Arts and Math. To improve our school culture, a goal has been developed to decrease our discipline incidents and increase student attendance. Finally, to support the Oakdale Joint Unified School District vision of College and Career Ready Seniors, our site goal is for our 3rd-6th-grade students to have identified a career of interest.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20

Without Full Credential	1	0	0	5
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	2

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	43	47	50	51	50	50
Mathematics (grades 3-8 and 11)	35	40	37	40	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents have a wide variety of ways to become involved with the school. Magnolia has a strong Parent Teach Club that meets monthly to support our students and teachers. Parents are actively recruited to volunteer their time for PTC school functions such as Book Fairs, the Jog-a-thon, Fun Festivals, and our annual BINGO night. Annually, our PTC funds classroom field trips and Outdoor Education for our 6th-grade students. Parents wishing to help with our PTC are encouraged to attend the monthly meetings or to use the link on the Magnolia web site to call or email the current PTC President. Teachers actively seek volunteers to assist in the classroom. Parents are encouraged to volunteer in classrooms weekly or for special classroom events or activities each year. Parents wishing to help in classrooms may contact teachers directly. Magnolia parents may also become involved through our quarterly School Site Council meetings or our monthly English Language Parent meetings.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

Our Comprehensive School Safety Plan is reviewed and updated annually, with the most recent review completed October 14, 2019. Staff and parent advisory committees provide input to the plan which covers procedures for emergencies, the location of exit routes, and staff responsibilities during times of need. The school practices monthly fire drills and quarterly earthquake and lockdown drills. Our school Safety Committee meets regularly to review the campus and identify any safety needs. Each year 2-3 safety goals are developed and provide a focus for site improvements. School safety is regularly reviewed during monthly staff meetings.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

State	N/A	N/A	\$7,506.64	\$78,059.00
Percent Difference - School Site and State	N/A	N/A		

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

Magnolia has a variety of funded programs to support students and their educational growth. Federal Title 1 funds for low-income students pay for our instructional aides who help students who are not proficient with grade-level reading and math standards. Title 1 Aides work with small groups of students to support the instructional program in our MTSS Learning Lab and also provide Recess Tutorial during student recesses. Much of Magnolia's technology and educational tech programming is funded with Title 1 funds. An After School Education and Safety (ASES) grant helps fund student remediation for our students that are below grade level, according to District benchmarks and/or standardized test scores. Funds raised by our Parent Teacher Club through their various fund raisers help to purchase new library books, playground equipment, technology, field trips and other enrichment opportunities for our students.

Teacher and Administrative Salaries (Fiscal Year 2017-18)

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	51	45	42

Staff development and training opportunities are based on student achievement data and teacher input and needs. The district has an ongoing professional development plan which involves teachers being released for the school day to participate in professional learning events. Ongoing support for the implementation of new content is provided by district academic coaches, grade-level/department peers, and administrators.
