School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Vision:

Ross School develops habits of heart, mind and action in all of our learners.

Ross School aims to graduate learners who possess the 5 C's:

- Content Knowledge and Skills
- Confidence in Learning, Demonstrating Resilience, Grit and Perseverance
- Compassion
- Collaborative Practices
- Creative Problem Solving Skills

Strategic Initiatives for 2015-2020:

- Invest in Learners
- Invest in Teaching Excellence
- Invest in Community Relationships

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: October 2019

All textbooks used in the core curriculum at Ross Elementary School are currently being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 11, 2019, the Ross Elementary School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #1-19 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district's maintenance department inspects Ross Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Ross Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Saturday, January 25, 2020.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	81	81	81	81	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to take part in their child's learning environment either by volunteering in the classroom, participating in a decision-making group or simply attending school events.

Parents stay informed on upcoming events and school activities through email, electronic newsletters, parent conferences, progress reports, the school marquee, the school website and School Messenger (automated telephone messages). Contact the PTO Co-Presidents, Melanie Deitch and Rebecca Nessel, at (415) 457-2705 for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer:

- Support Enrichment Programs
- Auction
- Garden Tour
- Family Day
- Fund the Need
- Walk and Roll to School
- Bear Wear
- Lunch Program
- Yearbook Team

Committees:

- Parent-Teacher Organization
- School Site Council
- Ross School Foundation
- Friends of the Library
- Financial Advisory Committee
- Endowment Fund
- Margie Burke Memorial Speech Tournament

School Activities:

- Athletic Events
- Back to School Night
- Open House
- Parent Education Workshops
- PTO Coffees
- Recognition Assemblies
- Spelling Bee
- Student Performances
- Halloween Parade
- Annual Book Fair and Author Talks
- Ross School Speech Tournament

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

The Comprehensive School Site Safety Plan was developed for Ross Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy and dress code policy. The school's most recent school safety plan was reviewed, updated and discussed with school staff on September 25, 2019.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	6	6	6

All training and curriculum development activities at Ross Elementary School revolve around the California Common Core State Standards. Decisions concerning the selection of staff development activities are performed by administration and teachers using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Ross Elementary School supports ongoing professional growth throughout the year on early release days, during staff meetings and during pre-service and professional development days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. The teaching staff is provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training or 3) follow-up training for newly implemented programs/curricula.

During the 2017-18 school year, Ross Elementary School's teachers attended the following events hosted by the Ross Elementary School District:

Tom Hierck-Positive School Culture

Lisa Westman-Standards Based Grading

Dr. Michael McDowell (Superintendent, Ross School District)-Visible Learning

During the 2018-2019 school year, The Ross Elementary School's teachers engaged in professional learning associated with the following goals:

- When prompted students can answer the five questions by identifying the key learning outcome, their progress, the next steps they are taking in their learning, and discussing their experiences in empathizing with others and impacting the community.
- Teachers work together to measure their impact, develop stronger relations with all stakeholders, celebrate successes, and make changes that improve learning.
- Assessment and grading practices (including report cards) enable learners to answer the 5 questions for all 5 C's.

The professional learning included:

- Training in analyzing student benchmark achievement data, implementing standards-based grading, utilizing protocols to inspect data collaboratively.
- Collaborative meetings to inspect student data related to student assessment capabilities.

During the 2019-2020 school year, The Ross Elementary School's teachers engaged in professional learning associated with the following goals:

- Systems are in place to provide effective and efficient processes and practices for Tier I, Tier II, and Tier III supports student academic and behavioral needs.
- Students are showcasing their transfer-level work across grade levels.
- Staff individually and collectively utilizes standardized data to make informed instructional decisions for all learners and communicates progress and proficiency to various stakeholders.

The professional learning for teachers included:

- Teachers work in teams bi-monthly to inspect impact and discuss and plan the next steps.
- Teachers engage in professional learning that ensures students effectively collaborate on core transfer-level work, apply content in real-world contexts, and contribute to others during core learning experiences.

Ross Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional assistants are provided with targeted training focused on teaching strategies and curriculum content. Apprentice Teachers participate in designated staff development activities. All staff is encouraged to attend professional workshops and conferences. Classified support staff receives job-related training from department supervisors, district representatives and county staff.
