School Description

Principal's message

Through differentiated instruction we provide an academic program that is rigorous, engaging, and standards based. Our staff is highly qualified, skilled and committed to working collaboratively to promote high academic success. We have an active parent organization that coordinate activities to bring our families and staff together, in addition to raising funds to support our instructional programs. It is our collective goal to create an enriching learning experience that engages every student.

School Mission:

Loomis Grammar School's mission is to foster meaningful relationships and provide engaging, rigorous instruction that will empower all of our students to become lifelong learners and responsible citizens who contribute positively to their community and the world around them.

District Information:

The Loomis Union School District is located in the Town of Loomis, a quaint, family-oriented community. Established in 1850 and incorporated in 1984, Loomis retains its rural character and charm with its large residential lots and custom homes, an old-fashioned downtown, and woodlands with natural streams and rolling hillsides. Loomis is located about 25 miles northeast of Sacramento and is only ten minutes from Folsom Lake and a little over an hour away from either Lake Tahoe or the San Francisco Bay.

Loomis Union School District is comprised of six elementary schools and a charter school, serving students in transitional kindergarten through eighth grade. Loomis Grammar School opened its doors for students in 1924. The school enjoys a very stable community with values that support the school's many programs for its students. At the beginning of the 2018-19 school year, 507 students were enrolled at Loomis Grammar School.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The school district held a public hearing on September 5, 2019 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in September, 2019 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	71	62	66	69	50	50
Math	56	51	58	61	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are very supportive of the educational program at Loomis Grammar School. Parents are very active at the school site, participating in, but not limited to, the following:

- School Site Council
- Parent Teacher Club
- Green Team
- Harvest Festival
- Art Docent
- Campus beautification volunteers
- Classroom volunteers
- Library volunteers
- Talent Show
- PBIS (Positive Behavior Intervention Support)

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Loomis Grammar School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually in the fall by the School Safety Committee and reviewed with staff at the start of the school year. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Safety drills are conducted on a regular basis throughout the school year, and include fire/evacuation, earthquake, lockdown, and shelter in place. Safety plan information and evacuation maps are posted in each classroom and substitutes are provided with a copy of emergency procedures when they arrive on campus. Students are supervised before-and-after school and during recess by staff. Noon Duty Supervisors monitor students during lunch recess. All visitors must sign in at the school office and sign out upon leaving. All safety-related policies have been incorporated into the employee and the parent/student handbooks.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	3	3

As part of the professional growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, certificated and classified staff. The district offered five staff development days during the 2017-2018 school year, and three staff development days during the 2018-2019 school year. In addition to professional development days, monthly after school book studies and professional development sessions are offered. Staff members are offered professional growth opportunities to expand staff knowledge in curriculum, technology, assessment and instructional strategies.

At the site level, Loomis Grammar School staff participates in specific training in Positive Behavioral Intervention & Supports (PBIS), Google Apps for Education (GAPE), Social Emotional Learning, teacher-principal meetings, academic conferences, progress monitoring, curriculum leadership coaching, opportunities for conference attendance, etc.

Types of Services Funded

Special Education, Title 1, Music, Gifted and Talented Education Enrichment activities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
