School Description

TownGate Elementary School opened September 9, 2004, as a traditional school. Now, serving Transitional Kindergarten, Kindergarten Full day classrooms through fifth grade students. Our current student population is 739 students with 34 teachers. We have state-of-the-art technology and media systems in our school. Our student population is socio-culturally diverse. In 2018 21% were identified as English Language Learners, 87.3% Socially economically disadvantage, 0.9% are foster youth. All students receive a free and reduced lunch program.

TownGate is a Professional Learning Community where we focus on student learning and achievement. The staff is committed to providing an atmosphere where students of all cultures are given the opportunity to achieve their maximum potential. TownGate has a part time professional and digital learning specialist on site. She is a curriculum and instructional coach that supports teachers inside of their classrooms with best instructional practices and instructional digital support. We also have a Media Library Assistant who facilitates the Accelerated Reading Program and provides meaningful opportunities for literacy enjoyment and development. Most of our teachers attend professional development training during the school year and during their time off. The California Common Core state standards themselves remain fixed guiding stars by which we as educators can navigate. Using California Common Core Standards-based curriculum and performance assessments consistently, will encourage, support, and focus on academic achievement while educating the entire child. Teachers analyze the assessment data gathered through diagnostic, common formative, and summative assessments. The data is used to conference with students to set instructional and behavior goals, and to also plan re-engagement lessons and intervention strategies on a regular basis. Our vision affirms that students will advance academically and socially through our Positive Behavior Implementation Support Systems (PBIS) SAIL behavioral expectations:

S-Show Respect

A-Act safely and responsibly

I-Include others

L-Learn every day

TownGate is a school wide Title I school that has continued to show increased student achievement on formative (MAP and ESGI) and summative exams (CAASPP) since it opened in 2004. In Spring of 2016 we received the Gold Ribbon and Title 1 Achieving School Awards. In 2017, we received California's Gold recognition for our MTSS/PBIS Behavioral Intervention Program. Staff also presented our PBIS Tier II Compass Club in Chicago in 2017. In 2019, we received California's PBIS Platinum Award. TownGate was invited to present at CLS conference 2018 to highlight their implementation of PBIS as Models of Excellence. We are a 1:1 Chromebook school 1st-5th. TownGate has rolled out Chromebooks to individual students 3rd through 5th grade. Students in third-fifth grade complete assignments and tests at home. The TownGate staff, in implementing a Common Core Standards-based comprehensive program, is committed to and invites parents, students, and the community to join us as we "light the way to student success" by supporting and dedicating our energies to these school wide goals.

Enrichment programs and special services enhance the staff's ability to meet individual needs through a Multi-Tier System of Support (MTSS) for all of our students through tutoring services, Wonder Works ELA curriculum, computer assisted instruction, Accelerated Reader, Resource Specialist Program, Speech, English Language Development, and Adaptive Physical Education services. In addition, Towngate also offers after school enrichment opportunities such as; Girls Who Code, An Hour of Code, Leggo/STEAM Club and Friday Night Live Club which includes band, cheer dance, choir, math club, special needs buddies, and a dolphin lights leadership group. We have a Music Teacher, Art Teacher, and a Physical Education Teacher that provide interactive and engaging lessons to our 4th and 5th grade students in the visual and performing arts. TownGate has successfully implemented the AVID (Advancement via Individual Determination) school wide program for all TK-5th grade students for seven years. Students are taught to develop college and career ready skills provided through supplemental programs and software like Reading Eggs, World Book Online, Accelerated Reader, Khan Academy, after school tutoring, i-Ready Language Arts and Math, Reflex Math, English in a Flash, Language Power, Rosetta Stone and Imagine Learning. Our outstanding teaching staff is fully credentialed, highly qualified, and dedicated to meeting the needs of all students. Our standards include:

- High expectations with a focus on student learning and results
- Safe, orderly, positive learning environment through implementation of PBIS
- Shared leadership within a collaborative culture
- Positive home-school community relationship
- An educational program that meets the needs of all students while building personal relationships
- Students develop healthy, positive self-concepts and respect for others

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The District provides all students with high-quality textbooks and instructional resources. Instructional materials are reviewed and approved by State Board of Education (SBE) committees for local adoption in grades K-8; high school grades 9-12 materials are reviewed and approved locally. All core instructional materials are reviewed by District level committees comprised of community members, teachers and administrators and approved by the local Board of Education prior to use within MVUSD schools. This textbook adoption process is aligned with the State Department of Education's seven-year review textbook adoption cycle. Each adoption cycle provides for districts to adopt and purchase texts within a 24- month period. 2017). Each school has a library to supplement and enrich the school's instructional program. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on September 24, 2019 that each pupil in the District, including English Learners, in Kindergarten through Grade 12, utilized standards-aligned textbooks or basic instructional materials in each of the areas listed below. The chart below outlines the content areas where textbooks adopted and used by Moreno Valley Unified School District.

School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District office, or on the Internet at www.mvUSD.net. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Building:

This school has 32 classrooms, 31 permanent classes, one portable classes, a multi-purpose room, a library, and an administration building. The main campus was built in 2004. The school opened in 2004.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and all emergency repairs are given the highest priority.

Cleaning Process and Schedule:

The District governing board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District's M & O office. The District Custodial Supervisor works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	39	41	22	24	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Student achievement and success are based upon a strong community partnership. TownGate Elementary School encourages parental community involvement and provides a wide variety of activities that allow for it.

Parents enrich and enhance our instructional program through membership in the Parent -Teachers' Organization (PTO) and the hundreds of volunteer hours in the classrooms they provide. Our PTO supports and promotes Spirit Days, Red Ribbon week, teacher/ class support, assemblies, field trips, dances, school wide incentives and rewards, and fifth grade promotion activities. Meeting agendas posted in the school office at least 72 hours prior to LCAP meetings.

Parents are encouraged to attend Back To School Night, Special event performances, Parent/Teacher Conferences, Open House, Harvest Carnival and Family Math/STEAM Night and AVID Literacy Night.

Our Local Control Accountability Plan Support Group (LCAP) has been organized with parents and staff members from our parent groups, union representatives, staff and categorical facilitators. They meet regularly to identify TownGate's needs and allocate funds and align resources to promote and ensure student success. There are eight focus LCAP areas identified as state priorities and the school budgets reflected in the school plan support these goals.

Our School Site Council (SSC), comprised of the School Leadership Team and parent representatives, works collaboratively with the entire TownGate staff in determining the best way to utilize categorical funds to provide additional support to our core instructional programs. The TownGate SSC meets monthly, and the meetings are open to the public. Meeting agendas are posted in the school office at least 72 hours prior to all SSC meetings.

The TownGate English Language Advisory Committee (ELAC) consists of school faculty and parents from varying cultural and language backgrounds. The ELAC works cooperatively with the school staff to ensure that we are meeting the needs of our students who are English Learners. The ELAC meets every other month and agendas are posted in the school office. A Parent Bilingual Literacy Book Club meets once a week to read and share.

Our African American Parent Advisory Council (AAPAC) consists of school faculty and parents. They meet every other month to work collaboratively with the school staff to ensure we are meeting the needs of our African American students.

Parents are encouraged and informed of parent engagement workshops taught by outside consultants through flyers and phone calls. They are conducted in English and Spanish and address topics such as homework strategies for English Learners, bullying, sexual harassment, and active parenting.

Community involvement includes support from area businesses and civic organizations in academic programs and student recognition activities. UCR Gluck program provides arts outreach to our students during and after school. Friday Night Live Kids organization provides activities to encourage/support students to be drug free and achieve long-term academic goals; students visit several local institutions of higher learning each year to promote college and career readiness

Parent volunteers are always appreciated.

For more information on how to become involved, contact Veronica Zarate, Principal, at (951) 571-4700

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Towngate has committed to a successful and proactive approach to creating and maintaining a safe learning environment. With Positive Behavior Intervention Support (PBIS) and strategies, students and teachers are provided with explicit information as what is required and needed to maintain a high level of school safety. The school safety plan is created to communicate to all staff the required laws and procedures related to school safety. It was last reviewed and updated in March of 2019, and discussed with school staff in August, 2019. We will review the plan again in March of 2020.

Fire drills are held at least once a month at the elementary schools. Disaster, earthquake, and lock-down drills are conducted as needed. The School Safety Plan also includes the MVUSD elementary sequential discipline standard plan, which describes the consequences for student misconduct (such as detention, Saturday School, suspension, and expulsion). The PBIS Team reviews disciplinary data at Tier 1, 2 & 3 Levels on a monthly basis. From the gathered data, intervention plans for support are discussed and implemented.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	12	12	12

Professional development is a critical and extensive service provided by the Moreno Valley Unified School District (MVUSD) focused on supporting the implementation of the district's strategic plan which include specific goals and outcomes. The fourteen outcomes are:

- Increase the Distance from Standard in grades 3-8 and 11 SBAC ELA and Math by 10% of the Distance from Standard.
- Progressively increase the number of students who meet their expected growth as measured by the Achievement Status Growth report in the areas of Reading and Math on the Interim MAP Assessment with 50% or better of your students.
- Increase English Learners' reclassification rate by 2% annually.
- Increase the status of the English Learner Progress Indicator(ELPI) by 2% annually.
- Progressively increase high school graduation rates to 90% for all students with an emphasis on African American, Hispanic, English Learner and Special Education student groups as measured by the CA School Dashboard.

- Decrease high school dropout rate by 2% annually with an emphasis on African American, Hispanic, English Learner and Special Education student groups.
- Progressively increase the A-G course completion rate to 65% with an emphasis on African American, Hispanic, English Learner and Special Education student groups.
- Attain a 50% AP qualifying score rate of 3+ for all students with an emphasis on African American and Hispanic students.
- Attain an 85% FAFSA Completion Rate.
- Increase the High School Readiness Indicator by 10% annually.
- Address Middle School Readiness by increasing the percent of students scoring Average or above on the MAP Reading Assessment by 5% annually.
- Decrease suspension rate for Foster Youth* and African American* students by 2% annually.
- Meet or exceed 95% attendance rate for all students.
- Decrease the chronic absenteeism rate for all students by 2% annually.

The MVUSD Professional Development and Digital Learning Department develops and implements a wide variety of sessions to support staff members as they grow and extend their skillsets in providing highly-effective instruction to ensure student success and meet the goals and outcomes mentioned above. These sessions include, but are not limited to, initial full-day or half-day trainings, on-site trainings, classroom coaching, classroom observation and feedback, co-planning/co-teaching, webinars, demonstration lessons, and conferences. The department also assists with promoting curriculum understanding, developing curriculum guides/scope and sequence documents, implementing programs focused on grade level academic content standards, acquiring highly-effective instructional strategies, training for assessments (data analysis and content training), participating in review processes, designing coaching/training for individual school site needs, and addressing special needs students. Further, the department focuses on the analysis of teaching (effectiveness) and student learning, accountability strategies, and the integration of technology. There are twenty-nine Professional Development Specialists who serve MVUSD's thirty-nine school sites. They receive high-level coaching training support the Professional Learning Communities model and are available for assistance with implementation on all campuses.

Additional professional development support areas are as follows:

1. Teachers with preliminary credentials new to MVUSD are provided the opportunity to clear their credentials through the Induction Program coordinated by this department and RCOE.
2. Multilingual and Special Education trainings are coordinated through Professional Development.
3. CPR and Instructional Assistant trainings are also coordinated through Professional Development.
4. Local colleges and universities partner with the district and the department to offer a wide variety of professional development coursework. UCR/MVUSD STEAM Certificate Program with UCR has certified 35 teachers in the district. This strand of graduate level courses is developed and taught by the Professional Development and Digital Learning Department after vetting themselves as UCR adjunct faculty.
5. Teachers receive required training for new textbook materials and district initiatives by Professional Development personnel.
6. Teachers are offered extended training beyond the initial training for textbooks by Professional Development personnel.
7. The Professional Development and Digital Learning Department offers comprehensive technology trainings--specifically Google Education Suite, STEAM, Problem-Based Learning and 3D Printing.
8. Other extensive trainings include ELA, Math, Writing(Step Up To Writing), NGSS and STEAM
9. Of the District's approximate 1,200 TK-12 classroom teachers, over 10,000 instances occurred where teachers participated in Professional Development and Digital Learning opportunities beginning July 1, 2019 to January 2020.

Teachers are compensated for attending professional development during their non-contract time. Substitutes are provided through various funding sources for trainings taking place during the school day.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
