District & School Profile

The Southern Kern Unified School District is comprised of two elementary schools, a middle school, a high school, independent study, and a continuation high school.

Westpark Elementary School is a traditional K-5 school. Westpark Elementary has served the educational needs of students for the past fourteen years and has an excellent reputation in the community. Our staff recognizes the individual, academic, as well as social differences and needs of each student. We believe that a quality education is the result of a strong partnership between our school and parents. Our staff provides a safe environment in which students can be academically challenged to meet their potential.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Southern Kern Unified School District held a public hearing on October 3, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Westpark Elementary School is comprised of 44 classrooms, a cafeteria/multipurpose room, library, staff lounge, computer lab, playground, and grass field/track. The facility strongly supports teaching and learning through its ample classroom and playground space.

Cleaning Process:

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or district office. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. Explicit schedules have been made for each custodian to ensure that all areas of the school are maintained.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	20	28	14	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

There are many opportunities for parental involvement. At the beginning of the school year parents are invited to "Back to School Night" which provides an opportunity for parents to become familiar with their child's school and teacher. Parent conferences are held each year at the end of the first quarter. Parents are encouraged to be classroom volunteers at Westpark Elementary School. Parents are also welcome to visit classrooms with advanced arrangements. Room parents offer teachers and students support. Committees such as School Site Council, English Learners Advisory Council (ELAC) and the PTA are additional avenues for parental involvement. Teachers include parents in fundraisers, assemblies, and performances. Invitations go out for Student of the Month awards and each quarter for academic awards. There are many activities that occur at Westpark Elementary throughout the school year in which parent involvement and assistance is welcomed. Parents receive a monthly school newsletter and have access to updated school information on our school's website. They can also find school information at our school's Twitter page and through the Class Dojo app. The district also posts information about events at Westpark on the district's Facebook page. Blackboard parent communication messages are sent home regularly to inform parents of upcoming events and possible ways to participate.

If you are interested in learning more about the opportunities for parent involvement at Westpark Elementary School, please contact Ms. Leslie Lacey, Principal at (661) 256-5030.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Westpark Elementary School's Comprehensive School Site Safety Plan was last revised by a team of school administrators, parents, and staff representatives in January 2018. The plan is to ensure the protection of students and staff, the school and school property, and to establish a climate that is conducive to learning. All staff members and parents have access to the plan and annually review the school site safety policies. Southern Kern Unified School District has established Standards of Excellence. Among these standards are: "The Southern Kern Unified School District will maintain safe, secure, and efficient campuses that promote positive attitudes, high morale, and an enriched learning/working environment" and "Facility and grounds cleanliness will meet district standards." Westpark Elementary meets these standards.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire, earthquake, and lock-down drills are held regularly, with one each month on a rotating basis. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available.

Students are supervised throughout the day by administrators, teachers, para-educators, and campus safety officers. There is a designated area for student drop-off and pick-up. Visitors register at the office and ID's are checked regularly. Guest on campus receive identification badges that must be displayed at all times. Our district approved volunteers wear a district volunteer badge while on campus. Westpark has security cameras throughout the campus.
