School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Mission Statement

Freedom supports the Farmersville Unified School District mission of, "Preparing students to be productive members of society and innovative leaders of tomorrow." Freedom Elementary School mission is to "Provide a safe & orderly learning environment that meets the academic, social and developmental needs of all our students. Our goal is to prepare our students to become leaders and lifelong learners." Staff at Freedom will provide a fun, caring and stimulating learning environment where children will recognize and achieve their fullest potential. We will prepare our students to become independent learners with the skills and knowledge necessary for 21st Century learning. We will focus our instructional practices around the Four C's: critical thinking, communication, collaboration, and creativity.

Freedom strives to create a learning environment which is centered on students, directed by staff and supported by home and community. We value the partnership which exists between school, parents and community and the part it plays in realizing this vision. We will ensure academic excellence by providing quality educational programs which promote college and career readiness.

School Profile

Freedom Elementary School, is located in the town of Farmersville. Located in California's San Joaquin Valley, Farmersville is an agriculturally based community of approximately 10,000 people nestled at the foot of the Sierra Nevada Mountains. Farmersville is located in Tulare County, which has diverse cultures and economic levels. The city is small, covering just 1.9 square miles. The city has a rich culture and hosts community events including an annual Memorial Day Parade, Fall Festival, Christmas Tree Lighting, and other events.

Freedom Elementary is one of six schools that serve in the Farmersville Unified School District. It is the only school in the district that houses 4th, 5th and 6th grade classes. The student population, in 2018-2019 was 580 and consisted of 94% Hispanic or Latino, 4.% White. The remaining students include 1% American Indian. 1% Africa American and 0.17% Asian. English learners make up 38% of the student population. Freedom is proud of their continuing efforts to provide a quality educational program, which meets the needs of our diverse community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: August 27, 2019

The school district held a public hearing in August 27, 2019 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in August 2019 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	McGraw-Hill 2017	Yes	0
Mathematics	Houghton-Mifflin (GoMath) 2015	Yes	0
Science	Houghton-Mifflin 2007 (Grades: 4-5) Macmillian/McGraw Hill 2007 (Grade: 6)	Yes	0
History-Social Science	Pearson 2019 (Grades: 4-5) National Geographic 2019 (Grade: 6)	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

Freedom Elementary School facilities were built in 2003-04. The campus consists of 32 permanent classrooms, a multi-purpose room, a library, a computer lab, a staff room, and a playground.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 8/28/2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	16	22	23	27	50	50
Mathematics (grades 3-8 and 11)	14	17	12	15	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Freedom Elementary greatly benefits from its supportive parents. Various opportunities are provided for parents to participate in their child's education. A parent liaison is utilized to promote and enhance parent involvement opportunities and to provide that communication bridge between the school and parents and our community. Parents are encouraged to take an active role in school and are kept informed of activities through bulletins, letters, phone calls, and parent meetings. All parents are invited to volunteer and assist with classes and after-school programs.

Freedom Elementary has partnered with the Parent Institute For Quality Education (PIQE) Program to enhance and support parent engagement. The PIQE Program provides families with the knowledge and skills to partner with schools and communities to ensure their children achieve their full potential. The programs objectives include:

- *Creating a home learning environment
- *Supporting their child's emotional and social development
- *Navigating the K-12 school system
- *Engaging and collaborating with teachers, counselor, and principals
- *Ensuring their children complete A-G high school requirements
- *Encouraging high school and college requirements

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern at Freedom Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated annually in the fall. All revisions are communicated to the both the classified and certificated staff.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. All drills including: Fire, Lockdown and disaster drills are conducted on a regular basis throughout the school year. School administration works collaborately with Farmersville Police Department and the Farmersville Fire Department to ensure smooth and effective drills. Students are supervised before school, break, lunch, and after school by certificated staff, aides, and administration.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

As part of the growth process, opportunities for training and staff development are provided at both the district level and at the individual school site for administrators, teachers, and classified staff. The district offers three staff development days annually where staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies. Our focus this year has been literacy and math. We are working with the Tulare County Office of Education (TCOE) to provide ongoing coaching and mentoring opportunities in Literacy, ELD, Math and NGSS. We have also hired an Academic Coach last year to provide additional coaching opportunities in the classroom. Our instructional coaches have provided demo lessons in the classrooms and have attended PLC meetings to support instructional practices. In an effort to support technology in the classroom and enhance student engagement strategies in the classroom, certificated and classified staff have received training in Google and Kagan engagement strategies. All of our teachers have a Chrome Cart in their classrooms and are utilizing technology resources (i.e. AR, Imagine Learning, Prodigy, Google Classroom etc) to support student learning. .
