School Description

Butterfield's New Mission & Vision Statement beginning 2019-2020

MISSION: Butterfield's mission is to ensure that our students are provided with the highest quality of education to achieve their best in all areas of life.

- In order to fulfill our mission, we:
- Prepare students to be college and career ready
- Provide ongoing professional development for our staff
- Use Positive Behavior Intervention System to promote a safe and positive school climate
- Facilitate collaboration among staff, students, parents, and community stakeholders
- Monitor student progress on an ongoing basis and implement student interventions based on those results
- Utilize research-based instructional strategies, practices, and resources

VISION: At Butterfield Elementary School, our vision is to support students' academic and social growth by instilling the skills necessary for personal growth.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The District provides all students with high-quality textbooks and instructional resources. Instructional materials are reviewed and approved by State Board of Education (SBE) committees for local adoption in grades K-8; high school grades 9-12 materials are reviewed and approved locally. All core instructional materials are reviewed by District level committees comprised of community members, teachers and administrators and approved by the local Board of Education prior to use within MVUSD schools. This textbook adoption process is aligned with the State Department of Education's seven-year review textbook adoption cycle. Each adoption cycle provides for districts to adopt and purchase texts within a 24- month period. 2017). Each school has a library to supplement and enrich the school's instructional program. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on September 24, 2019 that each pupil in the District, including English Learners, in Kindergarten through Grade 12, utilized standards-aligned textbooks or basic instructional materials in each of the areas listed below. The chart below outlines the content areas where textbooks adopted and used by Moreno Valley Unified School District.

- 2004-05: Health
- 2005-06: History-Social Science

School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District office, or on the Internet at www.mvUSD.net. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Building:

This school has 47 classrooms, 39 permanent classes, eight portables, a multipurpose room, a library and an administration building. The main campus was built in 1984. The school opened in 1984.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and all emergency repairs are given the highest priority.

Cleaning Process and Schedule:

The District governing board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District's M & O office. The District Custodial Supervisor works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Improvement Projects:

Improvement projects recently completed at the school include new kindergarten classrooms and roofing. A new Head Start portable was added. Fire Alarm and HVAC upgrades.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	35	39	31	35	50	50
Math	24	33	22	24	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Student achievement and success are based upon a strong school and community partnership. Butterfield Elementary School encourages parental and community involvement and provides numerous materials to assist parents in helping their children at home, including educational materials for English Language Learners.

Butterfield has a parent resource center that is open from 7am to 3:30pm when school is in session. Our resource center includes computers and printers, printed materials, and audio materials available for checkout.

Our Booster Club supports and promotes community based events that enrich the quality of our school climate. Parents, as members of the Booster Club, also support in a variety of ways such as with school pictures, teacher and class support, assemblies, field trips, rewards, student incentives, and the arts.

Community involvement is strengthened by support from area businesses and civic organizations in academic programs and student recognition activities.

The School Site Council (SSC) supports our school by sharing in the planning, writing, implementation, and evaluation of our School Plan for Student Achievement and the Title I Program.

Butterfield's English Language Advisory Council (ELAC) is the organization of parents and staff that work together to provide our bilingual and multilingual students with a quality educational program that meets their needs.

Butterfield's African American Parent Advisory Council (AAPAC) is the organization of parents and staff that work together to provide our African American students with a quality educational program that meets their needs.

For more information on how to become involved, contact the school at (951) 571-4540.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The comprehensive School Safety Plan includes, but is not necessarily limited to, assessing the current status of school safety and the proper implementation of emergency procedures. The identification of appropriate strategies and programs that will provide or maintain a high level of school safety addressing procedures complying with existing laws related to school safety are activated during the time of an emergency. The safety plan addresses emergency response, procedures, and reunification process if needed.

Fire drills are held once a month at the elementary schools. Disaster, lock-downs, and earthquake drills are conducted as needed.

The School Safety Plan was last reviewed, updated, and discussed with school staff on October 16, 2019 .

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	12	12	12

Professional development is a critical and extensive service provided by the Moreno Valley Unified School District (MVUSD) focused on supporting the implementation of the district's strategic plan which include specific goals and outcomes. The fourteen outcomes are:

- Increase the Distance from Standard in grades 3-8 and 11 SBAC ELA and Math by 10% of the Distance from Standard.
- Progressively increase the number of students who meet their expected growth as measured by the Achievement Status Growth report in the areas of Reading and Math on the Interim MAP Assessment with 50% or better of your students.
- Increase English Learners' reclassification rate by 2% annually.
- Increase the status of the English Learner Progress Indicator(ELPI) by 2% annually.
- Progressively increase high school graduation rates to 90% for all students with an emphasis on African American, Hispanic, English Learner and Special Education student groups as measured by the CA School Dashboard.
- Decrease high school dropout rate by 2% annually with an emphasis on African American, Hispanic, English Learner and Special Education student groups.
- Progressively increase the A-G course completion rate to 65% with an emphasis on African American, Hispanic, English Learner and Special Education student groups.
- Attain a 50% AP qualifying score rate of 3+ for all students with an emphasis on African American and Hispanic students.
- Attain an 85% FAFSA Completion Rate.
- Increase the High School Readiness Indicator by 10% annually.
- Address Middle School Readiness by increasing the percent of students scoring Average or above on the MAP Reading Assessment by 5% annually.
- Decrease suspension rate for Foster Youth* and African American* students by 2% annually.
- Meet or exceed 95% attendance rate for all students.
- Decrease the chronic absenteeism rate for all students by 2% annually.

The MVUSD Professional Development and Digital Learning Department develops and implements a wide variety of sessions to support staff members as they grow and extend their skillsets in providing highly-effective instruction to ensure student success and meet the goals and outcomes mentioned above. These sessions include, but are not limited to, initial full-day or half-day trainings, on-site trainings, classroom coaching, classroom observation and feedback, co-planning/co-teaching, webinars, demonstration lessons, and conferences. The department also assists with promoting curriculum understanding, developing curriculum guides/scope and sequence documents, implementing programs focused on grade level academic content standards, acquiring highly-effective instructional strategies, training for assessments (data analysis and content training), participating in review processes, designing coaching/training for individual school site needs, and addressing special needs students. Further, the department focuses on the analysis of teaching (effectiveness) and student learning, accountability strategies, and the integration of technology. There are twenty-nine Professional Development Specialists who serve MVUSD's thirty-nine school sites. They receive high-level coaching training support the Professional Learning Communities model and are available for assistance with implementation on all campuses.

Additional professional development support areas are as follows:

1. Teachers with preliminary credentials new to MVUSD are provided the opportunity to clear their credentials through the Induction Program coordinated by this department and RCOE.
2. Multilingual and Special Education trainings are coordinated through Professional Development.
3. CPR and Instructional Assistant trainings are also coordinated through Professional Development.
4. Local colleges and universities partner with the district and the department to offer a wide variety of professional development coursework. UCR/MVUSD STEAM Certificate Program with UCR has certified 35 teachers in the district. This strand of graduate level courses is developed and taught by the Professional Development and Digital Learning Department after vetting themselves as UCR adjunct faculty.
5. Teachers receive required training for new textbook materials and district initiatives by Professional Development personnel.
6. Teachers are offered extended training beyond the initial training for textbooks by Professional Development personnel.
7. The Professional Development and Digital Learning Department offers comprehensive technology trainings--specifically Google Education Suite, STEAM, Problem-Based Learning and 3D Printing.
8. Other extensive trainings include ELA, Math, Writing(Step Up To Writing), NGSS and STEAM
9. Of the District's approximate 1,200 TK-12 classroom teachers, over 10,000 instances occurred where teachers participated in Professional Development and Digital Learning opportunities beginning July 1, 2019 to January 2020.

Teachers are compensated for attending professional development during their non-contract time. Substitutes are provided through various funding sources for trainings taking place during the school day.

Types of Services Funded

The average daily attendance(ADA)dollars provide services budgeted from the general fund and Local Control Funding Formula(LCFF)including regular classroom instruction and support, special education, counseling, psychology, child welfare, services for English Learners, Gifted and Talented Education (GATE), support for foster youth, support for homeless students and attendance and program assessment. Additional services funded as categorical programs include: Title I, which provides supplemental funds designed to ensure every student is proficient and meets the grade level standards.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
