## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019-20)

Kingsley Elementary School is a diverse learning community where teachers, parents and students work together to create a welcoming and supportive environment for all students. Currently we are implementing the California Common Core State Standards (CCSS) through innovative instruction that supports students as creative, collaborative, and communicative critical thinkers. We are proud to offer rigorous academic and social-connectedness programs and activities that provide a well-rounded educational experience.

#### Mission

Through the combined efforts of the school's qualified and caring staff, consistent parent participation, and student attendance, every child will endeavor to master the grade level standards.

To accomplish this mission, the school's vision includes implementation of the following goals:

1. All students will reach high standards
2. Meaningful partnerships for parents and community members
3. CCSS-based resources, providing staff development, and monitoring instruction.
4. Accountability via data analysis
5. Pride in achievement, responsibility, and cultural proficiency
6. Lead proactively and with high expectations for all
7. A learning environment that is safe and conducive to learning

## School Facility Conditions and Planned Improvements (Most Recent Year)

Responsibility and results are among the Core Values of the District. These values are exemplified in our continued commitment to provide facilities that are clean and maintained to the highest standards. The District's maintenance staff strives to complete work orders in a timely manner thereby ensuring the health, life, and safety of our students, staff, and community. Our electronic work order process ensures that the necessary emergency work orders are given the highest priority and are completed swiftly.

The District has adopted high cleaning standards that are maintained by our custodial staff on a daily basis. Ongoing assessment of site cleanliness is performed by the district's custodial management team. This process includes the evaluation and consideration of new cleaning products, procedures, and equipment. This also includes the continuous training for custodial staff. Additionally, regular pest control operations are performed in strict accordance with all applicable regulations mandated for California schools.

On-going maintenance of our school facilities includes: roofing, flooring, painting, HVAC, electrical systems, and exterior painting. The District is committed to assuring that all facilities provide the necessary environment for high quality education to take place.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

**Year and month of the most recent FIT report:** November 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Fair	Missing ceiling tiles. Stained ceiling tiles. Peeling paint.
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	Missing faucet button.
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	Damaged, peeling exterior paint rear of building.
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Parking lot has large, deep cracks in asphalt. Trip hazards. Former Extreme deficiency.
<b>Overall Rating</b>	Good	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	30	26	40	41	50	50
Mathematics (grades 3-8 and 11)	16	18	26	27	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

## California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

In accordance with our Title 1 Parent Involvement Policy, many individuals and groups provide support for the educational program at Kingsley School. The engagement of parents in supporting student achievement is vital to Kingsley's success. We encourage parent involvement and participation school-wide in various ways.

The School Site Council, which is comprised of parents and staff members, helps to develop our School Plan for Student Achievement through the school planning process. Our categorical programs parent advisory groups (ELAC and SAC) meet regularly. Kingsley has parent representatives for the District Advisory Council, Parent Leads, and District English Learner Advisory Committee. Our Kingsley PTA actively seeks to encourage volunteers to participate in the many school wide events and to help with various needs on campus and in classrooms. Kingsley Elementary continues to offer monthly parent training called Parent University. It is a time for parents to engage with school employees and community and district organizations to learn about pertinent topics such as CCSS math instruction, mental health and technology. Parents earn varying "degrees" based on the number of sessions they attend. This year, Kingsley continues to be focused on building community connections through parent and family events such as Loteria Night, the Holiday Concert and many other events. Parents, students and the community participate in various ways for which they are informed via our Parent InTouch Phone system, flyers, the REMIND text system, our school website and a monthly school calendar.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

<b>Expulsions</b>	0.0	0.0	0.0	0.0	0.1	0.0	0.1	0.1	0.1

### School Safety Plan (School Year 2019-20)

Safety: Safety of the students and staff is a primary concern of the Pomona Unified School District. All schools in the district are in compliance with all laws, rules and regulations pertaining to hazardous materials. A disaster preparedness plan is in place for earthquakes and emergency evacuations. The plan also identifies a Crisis Team as well as a plan for finding a lost child on campus. All buildings within the district are in compliance with state earthquake standards. A discipline policy may be found at each school that seeks to insure a safe and orderly environment for students and staff. A Safe School Plan has been adopted, and it includes policies on disaster preparedness, student discipline, the components of a safe and orderly school environment, suspension/expulsion procedures, safety, child abuse reporting procedures, student dress codes, and student and staff sexual harassment.

## Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			6

Pomona Unified School District is committed to providing high quality professional learning for administrators, teachers, classified staff and parents that is aligned to the District's Strategic Plan, Our Promise of Excellence and is focused on academic achievement.

District teachers and support staff participate in six Professional Development Days that are driven by student achievement data, staff learning needs, and research-based best practices. Six District-wide days of professional learning and collaboration for 2019-2020 are concentrated around our focus areas of Literacy and MTSS: Benchmark Advance implementation, content literacy, rigor, relevance and ICLE, PBIS, instructional routines, and WICOR, including an emphasis on English Learners, Foster Youth, and Low-income Pupils -- as well as articulation with grade level and department colleagues to enhance instruction and assessment. These focus areas are in direct alignment with federal, state, and district student achievement academic goals. In addition to the district-wide professional development days, sites use their weekly late start Friday sessions, 2 additional hours per month, and 4 additional hours per year (once per semester), to analyze student achievement data in a collegial forum. They then design effective instructional interventions to promote students' academic growth. Each site's professional development plan is designed collaboratively to address identified student achievement and staff needs aligned to the District's focus areas as indicated in each site's School Plan for Student Achievement (SPSA).

District and site professional development also includes trainings around 21st Century Teaching and Learning which include the California State Standards and the P21 Framework. Training outcomes are to build the capacity of site and teacher leaders to lead the transition and implementation of the California State Standards. Sessions include themes such as the need for a paradigm shift in teaching and learning, the essential components of the P21 Framework, California State Standards, English Learner standards and framework, equity and culturally responsive instruction, social and emotional learning, and integrating the use of technology to enhance/support instruction and learning. Performance Matters, our professional learning management system is supporting us in paving the way for various formats and structures that allow for increased voice, choice, and time around options for professional learning experiences. Ranging from traditional face-to-face sessions, to the creation of hybrid sessions (face-to-face and online digital modules), to pure online digital modules and online courses. We are continuing our implementation of KYTE Learning, an online digital platform that will support just in time technology professional learning and acquisition of technology-based badges. In addition our District is also continuing the partnership with the Center for Quality Teaching (CTQ) to pilot professional learning through the venue of online, just –in-time, micro-credentials. A cadre of teacher leaders are in the process of completing the Universal Design for Learning online course to pursue certified trainer status through the CAST Academy in preparation to lead and facilitate system-wide professional learning that meets the needs of all students.

Through monthly content and grade level specific cohorts, along with other year-long activities, District Teacher Specialist, Teachers on Assignment, and Literacy Coaches model, co-teach, coach, conduct peer observations, facilitate trainings, and conduct sessions focused on lesson design and delivery of District focus areas, and other site and District instructional initiatives. Teacher Specialists and site-based teacher mentors, and teaching teacher specialists serve as the District's teacher support program mentors for Pomona's Teacher Induction Program for participating teachers in the process of clearing their credential. These programs support the training, development, and retention of high quality teachers using current research on effective teaching and grounds what they are learning in daily practices. PUSD administrators also engage in monthly professional learning with embedded Professional Learning Community opportunities to grow and learn collaboratively with peers. Administrators in need of clearing their credential have the opportunity to do so by participating in PUSD's Administrative Clear (Tier II) Credential Program (PACCP). Participating principals work with a coach and engage in reflective thinking, coaching, and attend monthly training sessions.

Various departments within Educational Services also provide and receive workshops on relevant topics in response to District and site-identified needs. These include responsive instruction, budget, technology, personnel, and pupil resources issues, as well as problem-solving and facilitative skills. The Curriculum Instruction and Accountability team include administrators, managers, and other administrative staff and serves as a forum to connect stakeholders to the District's focus areas Literacy and MTSS: Benchmark Advance implementation, content literacy, rigor, relevance and ICLE, PBIS, instructional routines, and WICOR with an emphasis on English Learners, Foster Youth, and Low-income Pupils and 21st Century Teaching and Learning.

Pomona Unified School District continues its commitment to providing quality professional learning opportunities in technology. With the establishment of District technology standards and the use of online digital tools, PUSD has provided a critical base for technology training classes. These session topics include Internet use, IO Assessment, Web 2.0 tools and creating and using multimedia as a vehicle to enhance teaching and learning. To meet these goals, Educational Technology (Ed Tech) Teacher Specialists serve as technology/instructional trainers who work in classrooms to provide coaching and support for teachers who use technology-based intervention programs. Teacher Technology Leads (TTLs) serve as a site level technology support and accelerate the implementation of the Technology Master Plan.

Teachers participate in developing curriculum documents in our curriculum management system, GoogleDrive, Google Classroom, EdCaliber/Lessoneer, based on needs identified by the District's Curriculum Committees. These committees, composed of teacher and administrative representatives, meet in grade level groups, (PreK-8 and 6-Adult) to examine new State publications and reform efforts, discuss curriculum issues and identify needs for new or revised District curriculum documents. Examples of projects include the creation of grade specific standards-based electronic report cards, standards-based curriculum guides, course descriptions aligned to the California State Standards.

Our overall professional development vision is to design and implement a highly coherent, innovative, district-wide professional learning system that is responsive to the differentiated needs of adult learners using a professional development model that honors the adult learners' voice, choice, time, and professionalism, builds individual and collective efficacy, promotes deep organizational learning and sustainable optimal results that ultimately leads to high student achievement and college and career readiness for all students. The goal of the Educational Services' Division is to provide professional learning that supports schools in the implementation of effective instructional programs and strategies to ensure "Excellence for every student, in every classroom, every day!"
