School Description

Richvale Elementary believes that the public interest is best served through assuring high quality education for all students and believes knowledgeable, well-trained, and effective educators are essential to achieving excellence in education. The staff is dedicated to providing high quality program through a combination of effective and innovative teaching methods.

Richvale is a small rice-growing community, located 75 miles north of Sacramento and 19 miles south of Chico. The nearest shopping, medical, and county facilities are ten miles away. Community members are consistently supportive of the school.

Richvale Elementary is one of four schools in the Biggs Unified School District. Our school has three classrooms. Other facilities include a full-sized gymnasium with a stage and a cafeteria. The school employs two teachers and three instructional aides. During 2017-18, one principal oversaw both Richvale and Biggs Elementary schools, along with lead teachers on-site at both locations.

Our Mission is to provide a safe and effective learning environment, which enables students to achieve their maximum potential!

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The district utilizes a process for adopting standards-based core instructional materials from the most recent State Board of Education (SBE) approved materials list. A committee of administrators and teachers are involved in the review process and make a recommendation to the Board of Trustees for district adoption. Parents have the opportunity to review materials that are recommended for adoption prior to approval. All supplemental curriculum or non-adopted textbooks or instructional materials are standards aligned.

Textbooks and Instructional Materials

Year and month in which data were collected: August 2019

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	TK-6th Benchmark adopted 2016 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
Mathematics	Go Math (adopted 2017) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%

School Facility Conditions and Planned Improvements (Most Recent Year)

The current Richvale Elementary building was completed in 1964. The district maintenance department takes care of all campus buildings. The district participates in the State deferred maintenance program. Proposed maintenance projects are listed in five-year plans. Like a majority of the district facilities, Richvale Elementary School is eligible for modernization funding through the Office of Public School Construction. The district will be working to modernize each school site to ensure that the facilities remain in good repair.

All school facilities comply with the Williams Act. All school facilities are clean, safe, and maintained in good order. Facility improvements include: replaced gym door, hardware, exterior steps, classroom door and hardware, repaired and updated water sample station, installed security cameras and posted safety rules signage.

School Facility Good Repair Status (Most Recent Year)

Year and month in which data were collected: 1/15/19

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good

Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Fair	Broken monkey bar on the playground needs to be removed.
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	67	76	30	37	50	50
Math	63	71	18	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three through Eight and Eleven

Homeless	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parent and community involvement in all types of activities is excellent at Richvale Elementary.

There is an exceptionally active parent club - Richvale Parent Association - the parent groups have been instrumental in spearheading several school fund-raising drives and projects, including the purchase and installation of playground equipment and computers. Parents are often called upon to help with school-sponsored fund-raisers and programs, for example Shady Creek Environmental Camp that supplements our sixth grade field trip experiences. They support other fields trips as needed.

The School Site Council (SSC) takes an active leadership role in supporting our teachers and students.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Safety Plan complies with state requirements and addresses school safety strategies that are preventative and an annual goal for improving school safety. Regular emergency drills are conducted and include evacuation, lock-down, earthquake and shelter-in-place. The School Site Council reviews and approves the school safety plan annually.

The district-wide Crisis Response Procedures document outlines the district emergency management procedure. Crisis response teams with varied functions are established to support schools in crisis situations. Specific response procedures to earthquakes, fire/explosion, intruders on campus, as well as many of emergency disasters are outlined.

Each year, safety checks are conducted by district maintenance in conjunction with local fire and police. The district is mandated to correct any safety deficiency.

The district has a Safety Committee which meets regularly to address safety needs throughout the district.

For more information or to view the Comprehensive School Safety Plan and Crisis Response Procedures, please contact the District Office at (530) 868-1281.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	14	14	14

For the previous three school years, the school has had three days each year dedicated to staff and professional development. Opportunities for staff development also occur during the school year through various organizations including Butte County Office of Education.

The teacher received professional development in ELA adoptions Benchmark and Styn Sync. Professional development was also provided in Go Math. Teacher attended several days of training on lesson plan design and DATA review. Teachers in the special education department received professional development in IEP goal writing. All teachers received training in the Walk to Learn program.

Types of Services Funded

Biggs Unified School District operates several Federal and State programs including the following reported in the Consolidated Application: Title I, Title II, and Special Education. In addition, the district offers an after-school program (operated by the Butte County Office of Education).

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
