By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. .

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

---

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

---

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

# ABOUT THIS SCHOOL

## A Message from the Principal . . .

The overall mission at Farr Avenue School is to provide high quality instruction to each and every student. We understand that students come to our school with a variety of needs. With that in mind, we continue to embrace research that states that high achieving schools succeed with all students when active participation and involvement from family and community exists.

At Farr Avenue School we believe there are no excuses for students not to make growth academically. We know it is the school's responsibility to make sure students are learning. When students leave Farr, they will have the skills necessary to go to college. They will also know that academic success is everyone's responsibility because "It begins with me".

We provide an enormous amount of time and energy in educating our parents on the importance of their involvement in their students' schooling. We also make them feel comfortable and welcomed at our school. We work with community agencies and organizations to provide our students with skills necessary to succeed.

Farr Avenue School staff is taking teaching and learning above and beyond the basics and implementing 21st Century super skills, known as the 4Cs, creativity, critical thinking, collaboration, and communication. Through the use of collaboration, capacity building, and comprehension, our staff has started the process of developing strong and comprehensive staff development that supports the school vision and district focus. Teachers and parents continuously receive the most updated information and quality in-services in order to meet the needs of all students.

At Farr Avenue School, qualified teachers are committed to quality instruction; led by quality coaches and strong district support and leadership.

Lizeth Lopez, Principal  
Farr Avenue School

## A. CONDITIONS OF LEARNING (cont.)

### School Facility Conditions and Planned Improvements

Below is information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. This school was opened in 2004. The condition of this school's buildings, grounds, and restrooms meets the good repair standard as defined in Education Code Sections 17014, 17032.5, 17070.75(a). Recent facilities improvements include, but are not limited to: Installation new lunch shade awning, campus area drain improvements and landscape maintenance. *(FIT DATED 08/28/19)*

The district focuses cooperative attention through every department and every employee to ensure that all schools are clean, safe, and functional. The team approach to interdisciplinary problem solving makes Escondido Union School District a child-friendly learning environment.

In March 2002, voters in the Escondido community passed Prop K, providing funding to schools for facilities improvements and long-needed projects. The Independent Citizens Oversight Committee (ICOC) meets with District staff regularly to collaborate on projects funded by Prop K, and promotes community involvement in the school district initiatives.

## B. PUPIL OUTCOMES

### STATE PRIORITY: PUPIL ACHIEVEMENT

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standard

Subject	School		District		State	
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
English Language Arts/ Literacy (grades 3-8 and 11)	23.0%	30.0%	44.0%	44.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	25.0%	32.0%	32.0%	33.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## B. PUPIL OUTCOMES (cont.)

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2018–19)

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	317	311	98.11%	1.89%	29.58%
Male	154	151	98.05%	1.95%	27.15%
Female	163	160	98.16%	1.84%	31.88%
Black or African American	--	--	--	--	
American Indian or Alaska Native					
Asian	--	--	--	--	
Filipino	--	--	--	--	
Hispanic or Latino	303	297	98.02%	1.98%	28.28%
Native Hawaiian or Pacific Islander					
White	--	--	--	--	
Two or More Races					
Socioeconomically Disadvantaged	302	296	98.01%	1.99%	29.39%
English Learners	262	256	97.71%	2.29%	30.86%
Students with Disabilities	57	57	100.00%	0.00%	8.77%
Students Receiving Migrant Education Services	--	--	--	--	
Foster Youth	--	--	--	--	
Homeless	26	25	96.15%	3.85%	16.00%

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. PUPIL OUTCOMES (cont.)

### CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2018–19)

Students Receiving Migrant Education Services	--	--	--	--	
Foster Youth	--	--	--	--	
Homeless	26	26	100.00%	0.00%	19.23%

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### CAASPP Test Results in Science for All Students Grade Five Percent of Students Meeting or Exceeding the State Standard

Subject	School		District		State	
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
Science-grade 5	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018–19 SARC posting due February 1, 2020. These data will be included in the 2019–20 SARC posting due February 1, 2021.

## B. PUPIL OUTCOMES (cont.)

### STATE PRIORITY: OTHER PUPIL OUTCOMES

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	18.5%	25.9%	19.4%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. ENGAGEMENT

### STATE PRIORITY: PARENTAL INVOLVEMENT

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parent Involvement (School Year 2019–20)

Farr Avenue School's Parent Teacher Association brings parents, teachers, students and community members together through organized activities and celebrations. The organization is a great source of support to all members of the school wide community.

Parent representation at District committee level meetings occurs in DAC and DELAC as scheduled.

School Site Council is comprised of staff and parents that make up a governance body that oversees the School-Based Coordinated Programs and approval of budgets for these programs. The council meets at least four times a year.

Workshops, trainings, and special classes are made available and designed to meet the needs of the school/parent community as defined through a survey conducted in the beginning of the school year. Nutrition and ESL classes are examples of educational opportunities Farr Avenue School offers.

Volunteer opportunities are abundant and varied at Farr whether it be in the classroom or around the school. Daily one can see parents preparing materials, supporting students in reading in the classroom, working in the library and in the nutrition area, and planning activities on a given committee. Our volunteers are invaluable to Farr.

## C. ENGAGEMENT

### STATE PRIORITY: SCHOOL CLIMATE

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School			District			State		
	2016-17	2017-18	2018-19	2016-17	2017-18	2018-19	2016-17	2017-18	2018-19
Suspensions	2.70%	2.50%	2.00%	2.60%	2.70%	2.70%	3.60%	3.50%	3.50%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.10%	0.10%	0.10%	0.10%	0.10%

### School Safety Plan (School Year 2018–19)

Each school annually participates in a review of their Comprehensive Safe School Plan. During this review, each site convenes a School Site Council meeting to review school safety policies in relation to board policy, administrative regulations and Education Code. Each school reviews and updates its comprehensive school safety plan, and the plans are annually presented and approved by the school district Board. The plans are updated using current discipline, attendance, health, and curricular data. The Comprehensive Safe School plan includes child abuse reporting procedures, disaster response procedures, suspension and expulsion policies, notification for teachers of dangerous pupils policy, discrimination and harassment policies, dress code procedures, safe ingress and egress procedures, site goals and objectives related to a safe and orderly environment, school discipline procedures, hate crime policies, and bullying prevention procedures and policies. All students, parents, and staff work together to ensure all schools have a safe and secure campus.

## D. OTHER SARC INFORMATION
