**Principal:** Dorothy Stoppelman

**Phone:** 916-424-9201

**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019 - 2020)

Union House Elementary Mission: To Ensure the Successful Learning of All!

Our students receive high quality instruction guided by assessments which promotes college and career readiness, supported by our collective commitment to ongoing school-wide collaboration. Students have an equal opportunity to learn in a culturally responsive, physically and emotionally safe environment. Students and families are continually informed and have multiple opportunities to be community partners.

Our success in implementing our district's mission can be evidenced through our school's special strengths, including:

- ACT2 providing enrichment and homework assistance
- GATE, CREST, NEHS
- Extended day activities in the areas of music, dance, sports, STEM
- Student commitment to attendance and learning
- School wide Scholastic Reading Counts program

The safety of our students is our school's first priority. Our Positive Behavioral Interventions and Supports (PBIS) plan provides school wide behavioral expectations, positive incentive programs, and individual behavioral contracts as needed, as well as counseling for students. Our three main rules: Be Safe, Be Respectful, Be Responsible; help create an atmosphere in which students feel comfortable and secure.

Parent support and involvement continues to be fundamental to the success of Union House Elementary School. We welcome parent participation. Many parents help plan the programs and policies through a variety of committees including School Site Council and English Learner Advisory Committee. Some parents serve as classroom volunteers, chaperone field trips, plan family activities, or provide support around campus. Parents also support student achievement by supporting students in completing their daily homework, reading with them on a nightly basis, and by sending a clear message that education and regular school attendance are important to the family. The atmosphere at Union House makes the community feel welcome and our students feel comfortable to achieve and learn. We welcome you as partners in the pursuit of your child's academic achievement.

Dorothy Stoppelmann, Principal  
Union House Elementary

## School Facility Conditions and Planned Improvements (School Year 2019 - 2020)

Union House was built in 1988. It has 34 classrooms, a multipurpose room, a library, a computer lab, and an administration building. A new classroom building was completed in 2006. Additional perimeter fencing as well as a gate in front of the multipurpose room was added in 2013. In 2018, the first phase of updates and site renovations began as a result of Measure M, the District's first ever general obligation school facilities bond measure. In the summer of 2018, a new roof was installed campus-wide and all HVAC units were replaced. A new parking lot was designed which included upgrades to the handicapped parking, student drop-off lane, secure bike parking, and pedestrian fencing. New outdoor seating and learning spaces were created and installed. In the summer of 2019 the office, library, Kindergarten rooms, and two classroom wings were remodeled. The front entry of the school was redesigned and remodeled. Continuous maintenance of the buildings and grounds is a priority to provide our students and staff a safe and welcoming learning environment.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In 2017, we added 8 new Chromebook carts to support technology education in the classrooms, providing us 1:1 access for grades 2-6. In 2019, new outdoor lighting was installed throughout the campus to increase visibility. In 2019, the front entrance of the MP Room was remodeled along with the student bathrooms. In 2020, the Measure M, the General Obligation School facilities bond measure, will fund the installation of security cameras as well as sidewalk and hardcourt improvements.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percent of Students Meeting or Exceeding the State Standards

Subject	School 2017 - 2018	School 2018 - 2019	District 2017 - 2018	District 2018 - 2019	State 2017 - 2018	State 2018 - 2019
English Language Arts/Literacy (grades 3-8 and 11)	33%	35%	55%	56%	50%	50%
Mathematics (grades 3-8 and 11)	25%	26%	45%	45%	38%	39%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2019 - 2020)

All families are encouraged to become informed and actively involved. We have Back to School Night, Open House, PTO meetings, student assemblies, spirit rallies, parent workshops, Bring Your Parent to Lunch days and other special events during the year. You are welcome to schedule time to meet with your child's teacher to volunteer in your child's classroom. Parents can also become involved by joining the School Site Council or other parent advisory committees. For information contact our school secretary, Debbie Triplett, at 424-9201.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2019 - 2020)

Our district is committed to providing a safe, secure environment for learning. Our School Safety Plan, which was reviewed in August 2019, indicates the ways we solicit input from our community that addresses safety procedures as well as goals for developing a positive school climate. Each room is equipped with Safety Flip Charts that outline all of our safety procedures. A new communication system was installed in the fall of 2019, including emergency buttons in each room. An "Emergency Handbook" is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento, and various drills are held each month. The school is surrounded by fencing and visitors are asked to check in and enter the premises through the office. Adult supervision is provided before and after school.

## Types of Services Funded (Fiscal Year 2019 - 2020)

Academic needs are met through differentiated instruction in classrooms. Instruction is provided by teachers and para-educators, small group instruction in the Learning Center, and extended day and Intersession classes. Our "What I Need" time is a 30-minute period during the day when students are grouped across the school according to their language development needs. An Intervention Teacher provides intensive early literacy instruction for our students in first, second and third grades needing additional support. Our teachers provide additional instruction as well as enrichment during flexible group time. A Bilingual Teaching Associate assists teachers in providing primary language assistance, translations and academic support. GATE students participate in accelerated instruction within classrooms and in after-school programs. Targeted assistance is provided for EL students. Enrichment classes include STEM, basketball, soccer, running club, dance, and band.

## Professional Development

Our professional development initiatives include: support of Professional Learning Communities for the implementation of Common Core Standards in Math and English Language Arts; expansion of teachers' repertoire of effective strategies used to promote language acquisition and academic literacy, Building students' procedural math fluency, and development of student reasoning through questioning. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms. District wide, EGUSD provides a variety of classes for support staff including, instructional assistants, school secretaries, office clerks, and custodians. All training relates to their job description and may include learning new computer skills or working more efficiently.
