School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Camino Pablo Elementary School is a TK-5 elementary school located in the Moraga School District. The total enrollment in 2019-20 was 349 and the average class size is 22 students. All classrooms have Teaching Assistants who work from five to ten hours per week, depending on grade level assignments. The school has a number of programs in addition to regular classroom activities. Art, Music, and Physical Education programs are delivered to all students by teachers credentialed in those areas. A computer lab with thirty student stations is provided to K-5th grades on a regular instructional basis and all grades have computers in the classroom. Weekly scheduled library time is provided to all grade levels.

An English Language Learner (ELL) program is offered to those who qualify for this service. Our Special Education staff consists of a full-time Resource Specialist and assistant, a part-time School Psychologist and a part-time Speech and Language Pathologist. In addition, a "Kids Connection" program and counseling program is available to provide support for students who have social-emotional issues.

Camino Pablo's School's staff, students, and parents are committed to meeting the needs of all who attend by providing an effective instructional program designed to improve students' academic, social and physical growth. We are in full support of the mission of the Moraga School District to provide a supportive and challenging academic environment that encourages critical and creative thinking, maximizes individual students' strengths and motivates them to be lifelong learners and responsible citizens. This is accomplished by a dedicated team of educators, parents, community members, and students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: January 2019

All students were assigned adopted textbooks and materials.

The District is currently reviewing Next Generation Science Standards (NGSS) materials and plans to adopt new K-5th grade NGSS curriculum during the 2018-2019 school year. History Social Science textbooks and materials will be adopted in the 2019-2020 school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

Camino Pablo Elementary School is currently comprised of seven buildings, including 27 classrooms, a gymnasium, library, one computer lab, after school daycare facility, and one science lab. Through funding provided by Measure V, significant modernization efforts began in the Summer of 2019 and are nearing completion. The district-wide project intends to vastly improve the student experience through such initiatives as renovated classrooms, newly-designed bathrooms, and a rejuvenated basketball court.

Camino Pablo Elementary School provides a safe and clean environment for students, staff, and community members. Site custodians ensure a sanitary learning space through daily work that is supervised and inspected by site principals on a routine basis. All classrooms, restrooms, and athletic centers are prioritized on the regular cleaning schedule. Outside trash is collected daily to reduce an unwanted animal presence on the school campus. The district recently added modern cleaning-chemical dispensers in the custodian closets to further guarantee the optimal cleaning agent is utilized for the right job. The site principal and custodians work in conjunction with the district Director of Buildings and Grounds to seek ways to increase the cleanliness of the CP campus regularly. The school is inspected annually by the Fire Marshal and periodically by school site administrators.

The repair and maintenance of Camino Pablo Elementary School are prioritized and implemented by the Director of Buildings and Grounds. Work is carried out by the members of the Maintenance Department to ensure that the facilities remain in excellent repair. Generally, site custodians, secretaries, and principals submit tickets through the work order system for the Director of Buildings and Grounds to receive. Emergency repairs are given the highest priority, as is anything that poses a threat to student safety. Priorities for the Maintenance Department to address are the missing ceiling tiles in Room 9, as well as repair the damaged concrete area where portables had been utilized as temporary classrooms during recent construction efforts.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Mathematics (grades 3-8 and 11)	80	79	79	82	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are an integral part of the learning community at Camino Pablo School. Our parent community is well-informed and articulate, and we make much effort to include parents in all aspects of the functioning of the school. Parents volunteer in classrooms, school projects, the cafeteria, and also assist with field trips, class parties and activities, copying in the office, and helping at home with many projects and assignments. Our PTA offers many opportunities for parents to be involved in school and community related events such as serving as committee chairs and members, fundraising activities, legislative action, communication to other parents, and school-wide clean-up days. The School Site Council, comprised of staff and parents, meets regularly to monitor, make suggestions and annually approve the Single Site Plan for Student Achievement. The Moraga Education Foundation (MEF) raises funds from the community in support of selected instructional programs. Our parent community financially supports school personnel, activities, and events through many significant, generous donations.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

The District's Student Safety Committee, comprised of parents, classified staff, teachers, administrators, superintendent and at least one governing board member and representatives from the police department and the Child Abuse Prevention Council as needed, meet at least four times a year to monitor the District's Comprehensive Safety Plan or CSP. The Student Safety Committee develops annual CSP goals and ensures the CSP is compliant per SB 187. The CSP is annually approved by the Governing Board in June.

The plan consists of two sections:

1. The "Comprehensive School Safety Plan" (Section II), which includes all components required by Education Code 32281-32282 except for the emergency preparedness components.
2. The "Emergency Preparedness Plan" (Section IV) includes disaster procedures (routine and emergency), including earthquakes and other man made or natural disasters.

Individual school sites have developed site specific emergency plans and procedures for a variety of different types of emergencies, including:

1. Pre-Disaster Procedures
2. Evacuation routes
3. Incident Command and Staff Assignments (roles and responsibilities)
4. Operations
5. Safety/Security
6. Planning
7. Student Release
8. Communications

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

Five district-wide staff development days were scheduled in each of the school years 2016-17, 2017-18, 2018-19. These days were scheduled and held outside the 180-day student calendar. The focus of these professional development days in 2018-19 was to educate teachers, administrators and staff about the new common core state standards, specifically in the Next Generation Science Standards (NGSS), mathematics, and English Language Arts (ELA). The focus was selected in conjunction with the District's LCAP goals. In addition, teachers were provided opportunities to attend workshop events that focused on learning about common core standards and how their instructional strategies will improve student learning. Release time is provided for teachers to visit other schools, observe other classrooms and collaborate about instruction. The Beginning Teacher Induction Program assigns new teachers with a mentor teacher. This program is a two-year mandatory program for all new beginning teachers in the Moraga School District. Teachers receive support from one another, site administrators, consultants and the MSD teacher on special assignment.
