## **School Accountability Report Card**

### **Reported Using Data from the 2018-19 School Year**

#### **Published During 2019-20**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

### Principal's Message

Welcome to Pleasant View School! This report will provide you, parents and community members, with information about our school's achievements, resources, students, and staff. Since home and school unity and cooperation are keys to school success, we hope that you will gain a better understanding of our community and school through the information provided. We encourage all community members to visit to become familiar with our unique small school.

The staff at Pleasant View School believes each child is unique and deserving of a rich educational environment. Each student has access to a rigorous core curriculum in language arts, mathematics, science, and social science. Our goal is for every child to have a personalized learning experience.

The hard working staff is both skilled and dedicated to the success of our students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. All students have special talents and are given the opportunities to develop those talents. We really care about each one of our students.

We have made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring that Pleasant View School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values. Through our hard work together, our students will be challenged to reach their maximum potential.

### Vision Statement

"Our vision is to prepare all students to meet life's challenges, and to be ethical and productive members of society. By learning to use critical thinking, divergent thinking, and problem solving skills, our students will be able to meet the demands of an ever changing global society, and competitive job market

- (Pleasant View Staff 2013)

### School Profile (School Year 2017-18)

Pleasant View School District is located in the "Heart of the San Joaquin Valley" in Tulare County, just seven miles west of the City of Porterville. The school received its name from the sweeping view the school has of the foothills and the Sierra Nevada Mountains. The school was founded in

1875 and has served its community for over 140 years. Pleasant View School District continues to provide a quality educational experience for its students.

Pleasant View Elementary School is committed to meeting the various needs of all its students. The Educational programs at Pleasant View focus on meeting every child where they are at and helping them to grow. In order to do this Pleasant View uses many adaptive based online programs to guide our teachers in making the best

instructional decisions for each individual child. Pleasant View Elementary School served 482 students in grades Transitional Kindergarten through eighth during the 2018-19 school year. Classes are taught on a traditional school calendar made up of three trimesters.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	16.5	18	23	23
Without Full Credential	5	4	2	2
Teaching Outside Subject Area of Competence (with full credential)	0	0		

## Teacher Misassignments and Vacant Teacher Positions

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** October 2019

The school district held a public hearing on September 10, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in October 2019 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

## School Facility Conditions and Planned Improvements (Most Recent Year)

### School Facilities (School Year 2018-19)

Pleasant View Elementary School provides a safe and clean environment for students, staff, and volunteers. The school facilities currently include the two libraries, two multipurpose cafeterias, two staff lounges, 33 permanent classrooms, 14 portable classrooms, and three playgrounds.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

#### Cleaning Process

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, district office. The condition of the school is well kept and the grounds are kept clean as well as buildings and restrooms. Currently, 100% of the school's restrooms are in good working order.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repair.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

**Year and month of the most recent FIT report:** 08/22/2019

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	16	18	16	18	50	50
Mathematics (grades 3-8 and 11)	12	15	12	15	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

#### Grades Three through Eight and Grade Eleven (School Year 2018-19)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

---

#### Parent & Community Involvement (School Year 2018-19)

Our school has strong parent support. We welcome parents to serve on the school site council and volunteer at our school. Our opening day packet and school handbook give more information about how parents can get involved. We are proud of how our parents actively support their children at Pleasant View Elementary. The district has partnered with Save the Children to offer the Early Steps to School Success program providing parents with early child development strategies 0-5. In addition the district provides the Vroom program with child parent groups and monthly parent education sessions. The Pleasant View Education Foundation has led a trip to Florida in the 17-18 school year and is currently planning a trip to Washington D.C. and New York for our students in the spring of 2020. The active PTO organizes activities, including the fall carnival, and fall and spring book fairs. Parents may contact the school offices if they wish to volunteer at Pleasant View 5th-8th (559) 784-6769, Pleasant View TK-4 (559) 788-2002.

#### Contact Information

Parents who wish to participate in Pleasant View Elementary School's leadership teams, school committees, school activities, or to become a volunteer may contact the school's office at (559) 784-6769.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

### School Safety Plan (School Year 2019-20)

---

#### Safe School Plan (School Year 2018-19)

To ensure student safety, supervision is provided on campus at all times by administrators, teachers, and classified staff. All visitors to the campus must have administrative approval and are required to sign in at the office and display a visitor's pass at all times. Pleasant View Elementary School's Safety Plan updated annually in the fall by the School Site Council, which consists of administrators, teachers, classified staff, and parents. Safety of students and staff is a primary concern of Pleasant View Elementary School.

The key elements to the Safety Plan are ensuring the students and staff know what to do during disasters, lockdowns, and evacuations. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Disaster drills are held regularly throughout the year; fire drills are held each month, earthquake drills are held twice a year. Procedures are in place in the event the campus needs to be secured.
