### Principal's Message

I would like to welcome you to Sumner Elementary School's annual School Accountability Report Card. In accordance with Proposition 98 and to fulfill state and federal disclosure requirements, every school in California is required to issue an annual School Accountability Report Card. Parents and community members will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Sumner Elementary School provides a warm, stimulating environment where students are actively involved in learning academics and positive values. Students receive a California standards-based, challenging curriculum from a dedicated and professional staff. Ongoing evaluation of student progress and achievement, in Professional Learning Communities (PLC), helps us refine the instructional program to meet the individual needs of students in order that all students can achieve academic proficiency.

We have made a commitment to provide the best educational and technologically sound program possible for Sumner Elementary School's students. We welcome any suggestions or questions you may have about the information contained in this report or about the school itself. Together, through our hard work and commitment, our students will be challenged to succeed.

### Mission Statement

Sumner Elementary School will provide challenging academic experiences that will encourage each child to reach his/her full academic, social, emotional, and physical potential. Learning will occur in a safe and caring environment that fosters excitement, enthusiasm, and discovery. Students will be encouraged to appreciate their own worth and importance as well as that of others. Sumner Elementary School will provide an atmosphere that will enable each child to develop a respect for the differences of others and nurture a sense of responsibility to the community and the environment.

### School Profile

Sumner Elementary School is located in the central region of Claremont and serves students in grades transitional kindergarten through six following a traditional calendar. At the beginning of the 2018-19 school year, 485 students were enrolled, including 17.2% in special education, 9.1% qualifying for English Language Learner support, and 50.3% qualifying for free or reduced price lunch.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

\* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks used in the core curriculum at Sumner Elementary School are currently being aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English language arts, math, science, and social science).

On Thursday, October 17, 2019, the Claremont Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #06-2020 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Claremont Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Sumner Elementary School's original facilities were built in 1963; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Sumner Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- General grounds maintenance
- Restroom cleaning
- Trash removal
- Minor facility repairs

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Common use area cleaning
- Office area cleaning
- Restroom cleaning
- Secure campus

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	52	48	64	64	50	50
Math	39	43	51	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through the school marquee, the school website, Blackboard Connect (automated telephone message delivery system), monthly "Team Update" newsletter, and weekly Principal's Update email. Please contact any school office staff member at (909) 398-0320 for more information on how to become involved in your child's learning environment.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

The Comprehensive School Site Safety Plan was developed for Sumner Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2019.

**Professional Development provided for Teachers**

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	42	27	30

All training and curriculum development activities at Sumner Elementary School revolve around the California State Standards and other needs identified. During the 2018-19 school year, Sumner Elementary School held staff development training devoted to:

- English Learners
- Response to Intervention and Positive Behavioral Intervention and Supports
- Thinking Maps
- Write from the Beginning and Beyond
- Path to Proficiency
- School Safety
- Special Needs
- Advancement Via Individual Determination (AVID) Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Sumner Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in PLCs to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2018-19 school year, Sumner Elementary School's teachers attended the following events hosted by the Claremont Unified School District:

- Illuminate Training
- iPad Training
- Next Generation Science Standards (NGSS)
- Special Education Training
- Thinking Maps
- Write from the Beginning and Beyond
- Response to Intervention and Positive Behavioral Intervention and Supports
- Advancement Via Individual Determination (AVID) Training
- Grade Level Collaboration
- Canvas training
- Comprehensive Health Education

Sumner Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

### **Types of Services Funded**

In addition to general fund state funding, Claremont Unified School District receives state and federal categorical funding for special programs. For the 2018-19 school year, the district received categorical, special education, and support programs funds for:

- Educator Effectiveness Grant
- After School Learning & Safe Neighborhood Partnerships
- California Clean Energy Jobs Act
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Special Education (Workability, Mental Health, IDEA, etc.)
- State Lottery
- Title I, Title II, Title III, and Title IV

Sumner Elementary School provides a Resource Specialist Program and Special Day Classes for students who qualify for Special Education as well as a variety of interventions and services for targeted students. A district bilingual aide is available to support Immigrant and English language learning students. A breakfast and lunch program and a parent-financed Extended Learning/Day Care Program are available before and after school. Sumner is also an AVID school supported by state and federal funds.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
