School Description

Welcome to Wilson Elementary, we are proud to be recognized as a California Distinguished School. Overall Wilson performed in the high to highest performance level on the 2018-2019 California Dashboard.

The annual school report was established as an accountability component of proposition 98, passed by California's voters in November 1988. This report, which is issued by all elementary and secondary schools in the State, will provide you with information about our school's achievements, resources, students and staff.

Wilson Elementary School is known for a commitment to its tradition of academic excellence. We have determined students, staff, and parents whose partnership provides rigorous curriculum and high-quality programs. Wilson's teaching staff is innovative, experienced and knowledgeable staff. For School Accountability Report Card plan questions or comments at (626) 287-0497 or to Principal Ms. Ivonne Contreras at contreras_i@sgusd.k12.ca.us.

School Mission Statement:

The mission of Wilson Elementary School, in cooperation with our parents and community, is to promote the future success of our students by developing responsible citizens and critical thinkers. We encourage the joy of learning by providing a supportive, invigorating and rigorous learning environment. Our whole-child approach develops our students' self-worth and bridges individual, cultural, and academic differences.

School Vision Statement:

The Wilson Elementary School community shares a common vision with the greater San Gabriel Unified School District. The Wilson community is committed to provide all students, at all grade levels, with equal access to the core curriculum. The Wilson staff focuses on engaging and supporting students of all diverse backgrounds and various needs.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Types of Services Funded

- Common Core Implementation
- Special Education
- GATE
- Local Control Funding Formula Supplemental and Concentration Programs

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The school district held a public hearing on September 11, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in October 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Wilson Elementary School, originally constructed in 1929. Situated on 5.77 acres, the campus is currently comprised of 22 classrooms, a cafeteria, a library, a computer lab, a staff lounge, and one playground.

Wilson Elementary School was modernized in 1994 which included adding air conditioning and heat units in all classrooms, handicap accessibility to restrooms, and new doors and hardware. In 2004 renovation included three classrooms, restrooms, and installation of a new kindergarten play structure with matting. The construction of new asphalt and play equipment were completed in 2006-07. Remodeling of administration buildings and the construction of an Occupational Clinic were completed in 2008. The school's field renovation was completed in 2009. During the summer of 2013, the cafeteria had new flooring installed and new blackout shades were added throughout the school. Two solar panels were added to our playground fall 2015. The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake and lock down drills, are held on a rotating basis.

Cleaning Process

Wilson Elementary School provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The Principal works with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by Wilson Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by San Gabriel Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget

The State School Deferred Maintenance Budget Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes the following: Roofing, Plumbing, Heating, Air conditioning, Electrical systems, Floor systems, and Interior or exterior painting.

Pending Construction

The district has plans for Wilson's school construction to take place tentatively for the fall of 2020-2021 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	67	74	58	60	50	50
Math	68	66	44	49	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	11.7	25.0	36.7

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Wilson Elementary values the parent-staff partnership. Wilson's parent community is highly involved and supportive. Parents engage in School Site Council (SSC) and the English Learner Advisory Committee (ELAC) and work together to develop and monitor the school's growth and continuous improvement.

The Wilson Elementary Parent Teacher Association (PTA) and San Gabriel Education Foundation (SEF) provide various enrichment extracurricular programs and activities. SEF grant money provides special guest assemblies such as author visits and performing arts performances. The PTA meets monthly and sponsors a wide variety of events throughout the year. PTA members have donated computers to classrooms, landscaped areas of the campus, painted murals and other lovely artwork throughout the school, redecorated and organized the library, paid for an art teacher for all students to receive art instruction once a week, and donated countless materials to the school's classrooms. Parents have the opportunity to serve on Mandarin Dual Immersion Committee, School Site Counsel (SSC), English Language Advisory Committee (ELAC) and volunteer for various school and district events.

All students at Wilson are enrolled in music. Music classes (K-3), Recorders class (4th and 5th), and Band and Orchestra (4th and 5th). Selected 5th grade students serve to represent on the Wilson Robotics team which compete at various Robotic tournaments each year. The Wilson Student Congress is made up of 3rd, 4th and 5th graders. Student Congress is a vital member of our Wilson community. They serve to represent the school, assist in school events and partake in decision making meetings. Students have an opportunity to enroll in after school classes such as Chessmasters and Comic Creators.

Contact Information

Parents who wish to participate in Wilson Elementary School's leadership teams, school committees, school activities, or become volunteers may contact the school office at (626) 287-0497. The school's website (<http://www.wilson.sgusd.k12.ca.us/home.aspx>) also provides a variety of resources and helpful information for parents, students, and the community.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Wilson Elementary School. All guests to the campus must sign in at the office and wear a visitor's badge at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among yard duty aides, teachers and school administrators.

To safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed, with updates occurring annually in Spring. Any revisions made to the plan are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- Disaster response procedures
- School wide dress code
- Child abuse reporting procedures
- Bullying components
- Sexual harassment policy
- Teacher notification of dangerous pupils procedures
- Active threat staff training and school procedures in place
- Safe ingress and egress of pupils, parents, and school employees

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake and intruder drills, are held on a rotating basis.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	12	12	12

Professional Development is afforded to staff in the following, but not limited to, areas:

- Engaging and Supporting All Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Positive Behavior Intervention Support (PBIS) program
- Design Based Learning (DBL)
- Google Classroom and technology implementation
- Creating and Maintaining Effective Environments for Student Learning
- School-wide safety procedures
- iReady program
- Special Education teaching strategies
- Planning Instruction and Designing Learning Experiences for All Students
- Individual development as a Professional Educator
- Data dives for ELA, Math, and unduplicated populations

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Teachers are also provided site based professional development once a month during collaboration release days. Areas of focus are determined by the current year's student and teacher needs. Staff development day topics included reviewing testing data and differentiated instruction. For additional support in their profession, teachers may enlist the services of the district's instructional coaches and new teachers participate in the Induction program.
