By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. .

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

ABOUT THIS SCHOOL

A Message from the Principal . . .

We have made a commitment to provide the best education program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring Lincoln Elementary School is a welcoming, stimulating environment where students are actively involved in academic learning, as well as building character. Through our hard work together, our students will be challenged to reach their maximum potential.

Lincoln Elementary School values the diversity of our students and their families, who in turn, appreciate efforts made by our school to support their children. Every decision we make is driven by our belief that all students can and will learn, whatever it takes. We accept no excuses for poor academic achievement, and are therefore committed to helping every child meet the high expectations represented in the common core standards. We invite you to partner with us in our ongoing effort toward increased student achievement!

Angel Gotay, Principal
Lincoln Elementary School

Mission Statement (School Year 2019-20)

The Lincoln School community believes all students can achieve at high levels with sufficient time, support, and resources. We focus on learning in a positive, caring, nurturing environment that celebrates successes and excellence. All stakeholders are persistent and engage in focused collaboration dedicated to student success and P.R.I.D.E. (Perseverance, Respect, Integrity, Dedication, Excellence).

A. CONDITIONS OF LEARNING (cont.)

School Facility Conditions and Planned Improvements

Below is information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. This school was opened in 1943. The condition of this school's buildings, grounds, and restrooms meets the good repair standard as defined in Education Code Sections 17014, 17032.5, 17070.75(a). Recent facility improvements include, but are not limited to: Water main repairs. (FIT DATED 08/27/19)

The district focuses cooperative attention through every department and every employee to ensure that all schools are clean, safe, and functional. The team approach to interdisciplinary problem solving makes Escondido Union School District a child-friendly learning environment.

In March 2002, voters in the Escondido community passed Prop K, providing funding to schools for facilities improvements and long-needed projects. The Independent Citizens Oversight Committee (ICOC) meets with District staff regularly to collaborate on projects funded by Prop K, and promotes community involvement in the school district initiatives.

B. PUPIL OUTCOMES

STATE PRIORITY: PUPIL ACHIEVEMENT

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standard

Subject	School		District		State	
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
English Language Arts/ Literacy (grades 3-8 and 11)	38.0%	33.0%	44.0%	44.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	24.0%	28.0%	32.0%	33.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Foster Youth					
Homeless	18	13	72.22%	27.78%	30.77%

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students Grade Five Percent of Students Meeting or Exceeding the State Standard

Subject	School		District		State	
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
Science-grade 5	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018–19 SARC posting due February 1, 2020. These data will be included in the 2019–20 SARC posting due February 1, 2021.

B. PUPIL OUTCOMES (cont.)

STATE PRIORITY: OTHER PUPIL OUTCOMES

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	29.5%	21.1%	8.4%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. ENGAGEMENT

STATE PRIORITY: PARENTAL INVOLVEMENT

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parent Involvement (School Year 2019–20)

Lincoln Elementary School's Parent Involvement Program promotes the goal of improving student learning and achievement. Parent involvement activities provide parents opportunities to positively engage in their children's education and to support their children's learning. Parent involvement activities include: The annual Title I meeting, Family Workshops held on topics determined by staff and parent input, and parent classroom volunteer programs. Parents are involved in annually reviewing school data, and in planning and revising programs for students and parents as part of the Single Plan for Student Achievement planning process. Important research-based information regarding home support is provided to parents monthly in our school's newsletter, The Lion Link.

The Lincoln Learning Community Pledge that specifically defines school, parent and student responsibilities is distributed and discussed with parents at Back to School Night by each teacher and by the principal.

Parents are provided many opportunities to play an active role in their children's education as classroom volunteers, as well as through PTA, School Site Council, English Learner Advisory Council, and EUSD committees such as DELAC, DAC, among others. We have many resources available in our designated Family Engagement Center ... a room just for our most important partners - our students' parents. Stop by!

Parents interested in getting involved are encouraged to call the school at (760) 432-2466.

C. ENGAGEMENT

STATE PRIORITY: SCHOOL CLIMATE

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2016-17	2017-18	2018-19	2016-17	2017-18	2018-19	2016-17	2017-18	2018-19
Suspensions	1.10%	0.50%	0.00%	2.60%	2.70%	2.70%	3.60%	3.50%	3.50%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.10%	0.10%	0.10%	0.10%	0.10%

School Safety Plan (School Year 2019–20)

Each school annually participates in a review of their Comprehensive Safe School Plan. During this review, each site convenes a School Site Council meeting to review school safety policies in relation to board policy, administrative regulations and Education Code. Each school reviews and updates its comprehensive school safety plan, and the plans are annually presented and approved by the school district Board. The plans are updated using current discipline, attendance, health, and curricular data. The Comprehensive Safe School plan includes child abuse reporting procedures, disaster response procedures, suspension and expulsion policies, notification for teachers of dangerous pupils policy, discrimination and harassment policies, dress code procedures, safe ingress and egress procedures, site goals and objectives related to a safe and orderly environment, school discipline procedures, hate crime policies, and bullying prevention procedures and policies. All students, parents, and staff work together to ensure all schools have a safe and secure campus.
