### Principal's Message

As principal, I am pleased to present our Annual School Accountability Report for Rosa Parks Elementary School. Our goal in presenting you with this information is to keep you, the community and public, informed as to the achievement and educational advancements of Rosa Parks Elementary. Our mission is to provide all students with a prescriptive, challenging, differentiated, standards-based program collaborating with staff, parents, and community to ensure grade-level proficiency in a safe, clean and stimulating environment. Our desire is to keep the lines of communication open and welcome any suggestions, comments, and/or questions you may have.

### OUR MISSION:

The mission of Rosa Parks Elementary is to inspire, empower, and prepare every student to achieve their optimal potential, be successful citizens, and lifelong learners with the necessary knowledge and skills for the 21st century.

Rosa Parks Elementary, the tenth elementary school of the Lynwood Unified School District, is located at 3900 Agnes Avenue in Lynwood, California. We provide an environment that is culturally inclusive, promoting dignity and respect for the entire community. The school operates on a traditional calendar servicing 550 students from Pre-K – 6th grade. As a school community we are dedicated to four core beliefs; Be Safe, Be Responsible, Be Respectful, and Be a Learner. Our faculty/staff is committed to implementing an intensive, balanced, standards-based curriculum to ensure each child's success. The core program is provided to all students through high-quality educational experiences and effective research-based instructional practices and materials. Throughout the year, students are regularly assessed in Mathematics and Reading to inform teacher instruction. The goal is to have all students meet and/or exceed the Common Core State Standards.

### OUR VISION:

The Vision of RPES is to:

Address the needs of the whole child throughout the year (academic, social, and emotional)

Provide quality and equitable instruction for all students

Standards based academic instruction

21st Century Skills (critical thinkers, technology skills, collaboration, STEAM, life-long learning)

Setting high expectations for all students

Character development/behavioral success

Academic goals

Provide a safe and clean campus/classroom environment

## Partnerships with parents and our community

Create more opportunities for staff to develop capacity in the areas of professional development, PLCs, and other instructional learning strategies

It is a pleasure to be a part of Rosa Parks Elementary School and we are proud of our students and their accomplishments.

Dawn K. Green, Principal

## Focus for Improvement

- Rosa Parks will continue to focus on increasing the rigor of instruction to reflect the expectations of the Common Core. Common Core is a set of standards developed by the federal government in the hopes of unifying education standards nationwide. We will continue to improve reading strategies, small group instruction, and incorporate writing with a focus on academic language development. Instruction in mathematics will include the use of hands-on materials (manipulatives) to build comprehension of math concepts and skills. Student progress will be measured through benchmark assessments in English and Mathematics.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)**

We choose our textbooks from lists that have already been approved by state education officials. For a list of some of the textbooks we use at our school, see the Data Almanac that accompanies this report.

We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This online report shows whether we had a textbook for each student in each core course during the 2013–2014 school year and whether those textbooks covered the California Content Standards.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Rosa Parks Elementary School was constructed from part of the old Lynwood High School buildings and grounds in 1999. Since then one (1) new classroom building, in good condition, has been constructed. All of our restrooms are now in good condition. Our campus is clean and well-maintained. In 2011-2012 we constructed a new playground and installed new equipment for our students. In 2012-2013 Rosa Parks will undergo a renovation of our computer labs.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	31	34	35	38	50	50
Math	26	29	24	26	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

#### Grades Five, Eight, and Ten

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	17.1	22.4	13.2

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)**

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

Parents are invited and welcomed at Rosa Parks Elementary School.

#### Parent Advisory Councils:

The School Site Council (SSC) is a governing body comprised of parents, teachers, community members and site administration. The main function of the SSC is to maintain the site plan - the blueprint for our instructional program. The School Advisory Committee (SAC) is a school-based parent group intended to represent the school, the community, and those persons closest to the students. The group shares responsibility for guiding the school toward continuous improvement takes site concerns/feedback to the District Advisory Committee (DAC). The English Learner Advisory Committee (ELAC) provides feedback to the SSC in regards to the site's English Learner program as well as the District English Learner Advisory Committee (DELAC). ELAC ensures the English Learner program at our site meets the diverse needs of the students. ELAC provides feedback to the School Site Council (SSC).

#### Parent Meetings:

Back to School Night, Annual Title I, Parent Conferences, Open House, Coffee with the Principal (monthly)

#### Parent Volunteer:

Parents volunteer on the playgrounds, in the classrooms, field trips, and in the parking lot.

Rosa Parks PTO - Parent Teacher Organization - school events and fundraising.

#### Parent Involvement Coordinator (name/phone):

Kieshia Meeks, Instructional Lead  
(310) 603-1401

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

Rosa Parks Elementary School strives to be an inviting school where children and adults are safe. The safety of all staff and students is a primary concern at Rosa Parks Elementary School. We plan in advance procedures to follow if and when emergency situations occur, thereby reducing the risks of unnecessary injury and minimizing confusion and complications. The School Safety Plan is revised/updated yearly by the School Safety Committee/School Site Council. This School Safety Plan has been developed to assist the faculty and staff of Rosa Parks Elementary School in the implementation of the school's established procedures for crisis management and to provide an outline of each procedure. During the year, personal and school safety education, which will include health, drug awareness, conflict resolution, and emergency procedures will be taught and incorporated in the school curriculum. Emergency drills are routinely held for earthquake and fire preparedness.

The staff at Rosa Parks is updated with safety procedures on an ongoing basis, and parents are kept informed by memos and parent meetings. We have a controlled access onto the campus with one entrance and exit and a sign-in/out procedure with I.D. check in for visitors during school hours. Campus monitors and/or teachers supervise playgrounds before, during, and after school hours. Our faculty and staff are being trained in Positive Behavioral Interventions and Supports program to increase school safety and build a positive school climate.

**Professional Development provided for Teachers**

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Rosa Parks Elementary School is implementing the district's multi-year professional development plan that sets high expectations for staff and effective instruction and assessment data to improve student achievement. This plan provides training for all coaches, administrators, and teachers and includes a five day LUSD institute to develop standards based benchmarks for their respective grade levels. Teachers have also attended Summer Institutes to help support English Learners and other students in an effort to closing the achievement gap within these sub-groups. All content experts/coaches have participated in coaches training and conduct daily classroom coaching, modeling, and provide support to teachers based on data as well as provide follow-up professional development based on data to grade levels/departments or staff on a weekly basis. All professional development that is given to teachers will also be attended by school administration and the school Instructional Lead. This year PD includes: PBIS, Illuminate, IDEA (digital learning/technology), Journeys, Go MATH!, and AVID. The Howard Group out of UCLA has also provided PD in the areas of: Culturally and Linguistically Responsive Teaching and Trauma Aware Classrooms. The faculty of Rosa Parks also participated in a Technology based PD at the beginning of the year.

The district has also implemented a monitoring system to ensure the effectiveness of professional development for our staff. The monitoring system includes follow up sessions and site visits from district professional development facilitators.

#### Types of Services Funded

The Lynwood Unified School District is committed to academic excellence by providing the best possible learning opportunities for all students. Our district provides a wide variety of academic programs and socio-emotional services for students to reach their academic goals. Some of the programs and services provided for students in Lynwood Unified School District include:

- Title I
- Migrant Education
- SES Tutoring
- Title III - Interventions
- LCAP
- Language Proficiency Testing (CELDT)
- AVID
- Special Education Services
- Resources for Foster Youth and Homeless Students
- Common Assessment Data Compilation
- Socio-emotional and Mental Health Counseling and Resources
- Resources for Pregnant and Parenting Teens
- Positive Behavior and Support (PBIS)
- Assistance with Health Insurance Enrollment
- Afterschool Programs
- Academic Fieldtrips

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
