School Description

James Foster School overlooks the Santa Clarita Valley providing a beautiful academic setting for our students, staff, and community. The campus is clean, with green spaces surrounding the classrooms and a large grass field on which children play. Our custodial staff takes great pride in keeping the campus safe, clean and attractive.

Academic excellence and social growth are promoted through a rich and challenging learning environment. Foster School has been the worthy recipient of several grants and awards. Foster School has been recognized three times as a "California Distinguished School" and we received the Gold Ribbon Award. Most recently our school was honored with the Positive Behavior Intervention and Supports (PBIS) Silver Award. We truly believe that children come first.

Foster School strives to be at the forefront of improvement in instruction. Teachers participate in scheduled collegial planning where they develop lessons, and plan units of study. These sessions also provide opportunities for teachers to share teaching strategies and exchange ideas and materials.

Teachers promote a learning environment where all students are encouraged to actively participate in classroom activities and discussions and show respect for one another. Classrooms reflect student engagement and authentic student work.

Parents and community members overwhelmingly support the programs at James Foster with their gifts of time, talent, and generous donations. We are very proud of our school and community! At Foster, we take the business of loving and teaching children seriously. Educating our children requires that we all work together. Teachers, students, parents, and community members all contribute to the reputation and rich culture that James Foster School exemplifies.

James Foster Elementary School develops aspiring leaders. We strive to produce life-long learners who are problem solvers and critical thinkers. Enrolling your child at James Foster Elementary School means you can expect to see an emphasis on character development, independence, responsibility, and communication skills in addition to academic skills. We know you'll be very happy with the educational experiences you'll find at James Foster Elementary School.

Mission Statement

It is the mission of James Foster Elementary School, in partnership with the community, to develop socially responsible students who have the skills, attitudes, and knowledge to function successfully in a rapidly changing and culturally diverse world. Our students benefit from a student-centered institution guided by a skilled staff in a stimulating and safe environment.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment where learning takes place. Students participate in character-building programs that help instill a sense of pride in our campus while reinforcing environmental responsibility. Campus supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in monthly fire drills and periodic lock down and disaster drills to ensure preparedness in the event of an emergency.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	62	60	65	66	50	50
Math	51	51	53	56	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	10.0	32.9	47.1

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

There are many opportunities for parent involvement at Foster School. Our PTA is very active and always looking for more help with the numerous activities that they sponsor. Our school is privileged to have a high level of parental support and involvement. Volunteers work at the school daily to assist in the classroom, library, valet line, and office. Parents also serve on school and district committees. Anyone interested in volunteering at our school should contact the school office for information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

James Foster Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Foster's Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

James Foster Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Since 1988, California has sought to provide intensive learning experiences for beginning teachers. To provide an effective transition into the teaching career for the first-year and second-year teachers, several programs have been developed statewide and are in use in our district. The Beginning Teacher Support and Assessment (BTSA Induction Program) and Peer Assistance and Review (PAR) programs extend individual support and training and support success in the practice of teaching.

Professional growth activities are planned annually based on current needs and input received from staff. Professional development days allow for teachers to learn new strategies to ensure student success, collaborate with colleagues in areas such as lesson planning, data disaggregation, and technology integration. Workshops on professional effectiveness and classroom skills focus on reading and math standards and alignment with classroom curriculum.

Committees comprised of teachers and administrators review curriculum and adoptions for mathematics, language arts, history-social science, and science and align them with state standards.
