Vision Statement:

The Bidwell school community is united in the academic and social success of our diverse learners. Bidwell students are collaborative and independent problem solvers; who are intrinsically motivated to reach high academic expectations, make positive impacts on others and affect positive social change in their community and the world.

Mission Statement:

To provide a safe environment and challenging curriculum which will enable all students to become independent life-long learners and responsible citizens.

John Bidwell's programs include:

Rigorous and developmentally appropriate curriculum
GATE Cluster classes for 2nd through 6th grade
Safe learning community

John Bidwell Elementary has high expectations for students. Teachers work as a team to encourage students to be independent learners and use a variety of small group methods to develop problem-solving skills, cooperation, and higher-level thinking skills, instead of the standard textbook format. The staff works closely with parents and other community members to be responsive to the needs of students and the community.

School Description:

John Bidwell School is a school where unity and dedicated effort translate into high student achievement. Since 1998, when California began monitoring student achievement through Academic Performance Index (API) scores, our school has seen a steady increase of 276 API points, an achievement that has been recognized by Governor Davis, as well as officials from the United States Department of Education.

Our school has approximately 300 students in a pre-school through sixth grade program. A morning and afternoon pre-school (Head Start and State) program is conducted on the campus. Special education services are offered to identified students as well as a departmental program for our second through sixth graders. We offer a 5 day a week after school program that features assistance with homework, recreational reading, and athletic activities. Additionally, we have a state of the art computer lab; reading for pleasure room (Ben Carson Reading Room), acceleration classes in grades 4-6 (i.e. poetry, coding, financial literacy and math mindsets) and a Parent Resource Room.

We proudly provide all students with a rigorous curriculum, extensive interventions, a wide array of authentic assessment measures, individualized student action plans, and ongoing monitoring of student progress. Yet at the core, lies the foundation of our school's success: unity and purpose driven by a dedicated staff. Our staff provides intensive and differentiated instruction, wins teaching honors, furthers their own education, conducts classroom action research, mentors new teachers, presents at local and national conferences, and are considered leaders in the district.

Our staff creates a collegial and supportive environment and works collaboratively in grade level teams, primary and intermediate segments, and various committees. Through these collaborative processes, we have built a strong system of peer recognition and celebration. Teachers also collaborate to develop and provide Common Core State Standards aligned instruction. Intel is major partner and has provided technological equipment as well as ongoing for our children, families, and teachers.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

John Bidwell Elementary School, built in 1957, received Facility Inspection Tool (FIT) overall repair rating score of "good" from its most recent facility inspection in June 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	29	28	32	32	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

John Bidwell is committed to strong partnerships with parents and community. Parents are invited to participate as active members in our school community in many ways. We have several governing boards on site that are represented by parents, teachers and staff. These committees include School Site Council, English Language Advisory Committee and the Parent Teacher Family Organization. We have a growing number of parents that attend these meetings as elected council members and/or diverse voices in our school community. In 2015, we opened up the Bidwell Parent Resource Room which is equipped with computers, work stations, child care space and technology for presentations. An ongoing parent workshop series takes place in the Parent Room; which unpacks the tools and resources available to ensure a quality learning experience for our children.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

School Safety Plan

Sacramento City Unified School District

Comprehensive Safe School Plan (CSSP) 2019-2020

The Comprehensive Safe School Plans (CSSP) for the Sacramento City Unified School District are revised annually to ensure the contents of the plans are uniform and updated to address the components set forth in Section 32282 of the 2019 California Education Code. This plan is a work in progress as the Safe Schools Office and the Sacramento Police Department continue to seek the most current information and advice from subject matter experts.

Currently the CSSP contains the following sections.

Section 1	Crisis Communication Flow Chart

Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Relevant Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. John Bidwell Elementary School and district supplemental programs and services include:

- Class Size Reduction for Primary grades as well as Intermediate
- Supplemental instructional materials and books
- Enrichment programs
- Access to technology
- Field trips and Guest Speakers
- Parent Education/Family Nights
- Student Support Service Coordinator
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Reading Specialist

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
