Principal's Message

Crestline Elementary is committed to providing a safe school environment that focuses on the California Common Core State Standards for all students. All students are given the opportunity to work collaboratively with each other using 21st Century learner strategies and technology. Teachers and staff members work collaboratively to provide a safe, engaging learning environment.

Crestline is a Capturing Kids Hearts school in cooperation with PBIS. All staff members are committed to working together with parents and students to create strong, successful, school oriented relationships. We have made a commitment to provide the best educational program that develops the whole child.

Mission Statement

Crestline Cobras are
Caring
Outstanding
Brave
Respectful and
Always Striving for Excellence

School Description

Crestline Elementary School is located in the southwestern region of Barstow and serves students in grades transitional kindergarten through six following a traditional calendar. At the beginning of the 2018-19 school year, 602 students were enrolled, including 11.1% in special education, 8.5% qualifying for English Language Learner support, and 89.2% qualifying for free or reduced price lunch.

Student Achievement

Physical Fitness

In the spring of each year, Crestline Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

| Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2018-19 | | | |
|---|--|----------------------------------|---------------------------------|
| Grade Level Tested | Percentage of Students Meeting Standards | | |
| | Four of Six Fitness Standards | Five of Six Fitness Standards | Six of Six Fitness Standards |
| Fifth | 23.3 | 26.7 | 15.0 |

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for including in the 2018-19 SARC posting due February 1, 2020. These data will be included in the SARC 2019-20 posting due February 1, 2021.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and

fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments chart; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropout & Graduation Rates*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through school marquee, school newsletters, school website, and parent conferences. In order for

parents to volunteer in the classroom, they need to complete a mandatory program in the school district. Contact the school office at (760) 252-5121 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Crestline Elementary School's original facilities were built in 1965; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. The most recent inspection of Crestline Elementary School occurred September 6, 2019.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Installation of LED lighting
- Installation of new flooring
- Construction of new building wing
- Remodel of restrooms
- Construction of additional space to the office

2019-20 Campus Improvements in Progress:

- Installation of a new fire alarm and PA system
- Paint touch ups where needed
- Re-seeding of grass

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening

custodian are assigned to Crestline Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- General grounds maintenance
- Office area cleaning
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects Crestline Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Crestline Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Friday, September 06, 2019. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, crossing guards, teachers, and campus monitors are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. The principal and noon supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, crossing guards, teachers, and campus monitors supervise student behavior to ensure a safe and orderly departure.

Crestline Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Crestline Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff in March 2020.

Classroom Environment

Discipline & Climate for Learning

Crestline Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Crestline Elementary School revolve around the California State Content Standards and Frameworks. During the 2018-19 school year, Crestline Elementary School held staff development training devoted to:

- Capturing Kids Hearts
- Data Analysis
- English Language Learner Training
- ELD Instructional Practices
- Grade Level Professional Learning Communities (PLCs) for Data Analysis
- Positive Behavior Interventions and Supports (PBIS)
- Safety Training
- Science/Engineering
- Technology Training
- Use of Technology in the Classroom
- Writing/English Language Arts

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Crestline Elementary School supports ongoing professional growth throughout the year on early release days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2017-18, 2018-19 and 2019-20 school years, Crestline Elementary School's teachers had the opportunity to attend professional development hosted by the Barstow Unified School District. District focused trainings around English Language Arts, English Language Development, Mathematics, History-Social Science, Next Generation Science Standards (NGSS), and Technology.

Crestline Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Crestline Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 24, 2019, the Barstow Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #10, 2019-2020 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Barstow Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

* These materials are not from the most recent SBE adoption but BUSD is in the process of adopting new state aligned materials during the 2019-20 school year to be used in the 2020-21 school year.

**TK materials are from the district's most recent adoption but not from the SBE adoption list as they do not encompass TK.

Professional Staff

Counseling & Support Staff

Crestline Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Crestline Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

| Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2018-19 | | |
|--|--------------|-----|
| | No. of Staff | FTE |
| Academic Counselor | 0 | 0 |
| Intervention Specialists | 2 | 1.5 |

| Health Clerk | 1 | 1.0 |
| Nurse | 1 | * |
| Psychologist | 1 | * |
| Speech Therapist | 1 | 0.2 |

* as needed

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2018-19 school year, Crestline Elementary School had 25 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher
