School Description

Glen L. Martin Elementary School (Martin Elementary) is located on the corner of West Wilshire Avenue and South Olive Street in central Santa Ana.

In the 2017-18 school year, Martin Elementary's focus is two-fold: 1) to use instructional techniques and learning activities that will help students meet the Common Core State Standards and prepare them for college and career, and 2) to create a positive, nurturing school climate through positive behavior interventions and supports. This continues a long tradition at Martin Elementary of high academic expectations and a healthy, safe school environment for our students and staff. From analysis of student assessment data we know that we need to push students to read for comprehension and to use academic language in writing and speaking in order to help them be successful in school, and eventually, in college and career. Students' parents are a vital element in the education of Martin Elementary students and are welcome on campus as volunteers and life-long learners. Parenting classes are offered, with both day and evening schedules available. We host various classes and workshops on campus, including "Raising Highly Capable Children," "Padres Promotores," and SAC parent leadership classes, as well as "Mommy and Me" programs that invite parents to bring their preschool-aged children on campus to learn kinder-readiness skills that can be reinforced by parents at home. Parents are always welcome at Martin Elementary as partners in the education of the children in our community.

School Vision:

Our vision is to prepare students for academic success and to become life long learners by guiding them in their construction of knowledge and development of problem solving skills.

School Mission:

Martin Elementary is dedicated to creating a safe environment and a sense of community that inspires academic achievement, social-emotional health and a love of learning, in order to support the development of the whole child.

Statement of Behavioral Purpose:

Martin Elementary School is a community of scholars. We are at school to learn, grow and become good citizens.

School Motto:

"Go Forth and Achieve" - Marilyn Powell Berns (former Martin Elementary teacher and sister of Retired General Colin Powell)

District Profile

Santa Ana Unified School District (SAUSD) is the tenth largest district in the state, currently serving nearly 51,482 students in grades K-12, residing in the city of Santa Ana. As of 2018-19, SAUSD operates 36 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 84% enrolled in the Free or Reduced Price Meal program, 34% qualifying for English language learner support, and approximately 13% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On September 10, 2019, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 19/20-3309 which certifies as required by Education Code §60119 that for the 2019-2020 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian and principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to be involved in Martin Elementary School's learning community by volunteering their time, attending school events, and sharing in the decision-making process. The LCAP process has inspired all in our community to offer suggestions and support to our school, as we work as a team for the benefit of our students. The teachers welcome assistance in the classroom, and on other parts of the campus. Parents are always invited to help chaperone field trips. Martin Elementary School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts, including: monthly parent meetings, Back to School Night, Open House, student performances, fundraisers such as the Jog-a-thon and Movie Night, promotion activities, student recognition assemblies, and parent education trainings and/or workshops. School-to-home communication is provided in both English and Spanish via phone and text messages, the school web site, the Martin Elementary Facebook page, newsletters, flyers, the school marquee and general parent meetings. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and curriculum updates.

Parents are integral members of campus organizations that provide input on curricular programs, activities, and the design of the School's Plan, including School Site Council, English Language Advisory Council, and the Safety Committee. Parents have the opportunity to continue their own education and preparation as parents through parenting classes, English language instruction for adults, and exercise and nutrition classes. We hold "Mommy and Me" classes for parents and their pre-school-aged children through the Learning Link, and other classes that promote the building of the "40 Developmental Assets" in our students. "Padres Promotores" is a series of parent classes about how to prepare children so that they are qualified to enter university. Parents in need of support and resources for their families are invited to inquire at Martin Elementary, and our administration and office staff works to link families to needed services. Our "Wellness Center" in room 15 is a place where parents can meet together, and also receive support from our FACE community liaison, who is on campus to support parents and family 2.5 days per week. Parents seeking more information about participating actively in the school community may contact the principal, TOSA or FACE community liaison at (714) 480-8000.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed in collaboration with law enforcement and the District Office to fulfill Senate Bill 187 requirements. The CSSP is managed by the District via Doc-Tracking. The school's most current plan is reviewed and updated to address safety, security and emergency preparedness. Schools are required to review and update their Comprehensive School Safety Plan (CSSP) with their School Site Councils and/or Safety Committees. Each school also meets with Santa Ana Unified School Police annually to discuss egress/ingress, crime data and other factors related to Crime Prevention Through Environmental Design (CPTED).

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	9	14	11

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, the instructional strategies required in order to help students reach the Common Core State Standards, teacher input, and professional development surveys.

All staff development activities at Santa Ana Unified School District are focused on increasing student learning, proficiency, and well-being. The school and district continues its focus on the development of our students' Academic Language, while reinforcing students' skills with Collaborative Conversations and using reading skills foster by Close Reading of Complex Texts. During the 2018-19 school year, the district implemented the Benchmark Advance program, which is standards aligned and rigorous, and includes designated ELD instruction. Our focus is on using Benchmark Advance to accelerate the learning of our students in English Language Arts. Every teacher is participated in 5 full days of training, over the course of the year, in the use of Benchmark Advance.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation such as the Reading Academy and Irvine Math Project to help us build capacity in using our math adoption of Math Expressions program. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies.

We do not have any teachers who lack a full teaching credential during the 2019-20 school year. However, there are school and district supports available to support newly credentialed teachers that we have at Martin Elementary. New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period.

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives. All teachers participate in a professional development day at the beginning of the school year, and throughout the year in staff meetings, and many participate in after-school professional development sessions.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
