MISSION

We at Cunningham Elementary School will empower ALL students to reach their full potential and become lifelong learners.

OBJECTIVES

- Each student, with the support of parents, families, and educators, will achieve academic proficiency at or above grade level.
- Every student will exhibit the ability to appreciate diversity by embracing the acceptance of others.
- All students will set and achieve challenging goals that lead toward future opportunities and success in their education and careers.

TACTICS

We will:

1. develop a system of communication to ensure all students, educators, and families receive important information, materials and instruction.
2. establish a formalized process that provides effective data analysis to guide instruction and meet individualized learning needs.
3. implement character education to enhance values that promote a healthy school climate.
4. implement a school wide process for students to set individual goals.

The Cunningham faculty and staff embrace the district initiatives which include a strong focus on student achievement, college and career education, character development, and technology-embedded instruction within a safe and secure learning environment. Beginning with the 2017 school year, Cunningham has initiated a school wide focus of Agriculture Science. Students will be actively involved in learning about the science and careers associated with our agriculture community. Field trips, guest speakers and hands on learning will be occurring throughout the year.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

An assessment was done in August 2019 using the Facility Inspection Tool (FIT), Cunningham Elementary is currently a Williams School; as such this inspection was completed by SCOE representative John Cicinato. The school buildings and grounds of Cunningham School have been deemed to be 'clean, safe and functional', having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges and all visitors check in and out at the school office. Cleanliness: Cunningham employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities on a daily basis. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Cunningham School was modernized between 2011 & 2013 which included many campus wide upgrades as well as interior remodel of approximately 20 classrooms and student restrooms. In 2019 the site received new fencing along the front of the school to enhance safety and security as well as create a single point of entry. Maintenance improvement projects continue to be done on this campus, including concrete, asphalt and landscaping. Cunningham school is in very good condition considering its age. Adequacy: The Turlock Unified School District prides itself in offering clean, safe and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated August 8, 2019 may list some items found during the site inspection. These items should not be confused as 'Non-functioning' or affect the overall statement of the school site that it is 'clean, safe and functional.' Work orders are input on a regular basis and are usually addressed within a two week period of time.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	26	31	44	45	50	50
Math	19	27	29	31	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

There are many opportunities for parent involvement to help us maintain a positive, productive and safe learning environment for every student.

Cunningham Elementary School offers a variety of activities including PTA sponsored activities such as movie nights, Cookies with Santa, Spring Carnival and other events. Parents also participate in: Open House, Family Academic Nights, School Site Council, English Language Advisory Council, Coffee with the Principal, Principal Meetings, Back to School Night, Golden Eagle Awards, student performances, student study trips, School Safety Committee and as classroom volunteers. The Latino Family Literacy Project will be offered to support parent learning. To further support parent education, English as a Second Language classes are offered in the evenings through out adult school.

For more information please contact the school office at (209) 667-0794 or visit our website at cunningham.turlock.k12.ca.us.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Key Elements of the Comprehensive School Safety Plan: In the Turlock Unified School District, components satisfying each of the following items have been developed and are included in the Comprehensive School Safety Plan, when approved by each site council. These components were approved by the site council on March 14, 2019

- 1) Disaster procedures, routine and emergency
- 2) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27
- 3) Procedures to notify teachers of dangerous pupils pursuant to Section 49070
- 4) A sexual harassment policy, pursuant to subdivision (b) of Section 212.6
- 5) The provisions of any school-wide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel" if the school has adopted a dress code. For these purposes, the safety plan defines "gang-related apparel"
- 6) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school
- 7) A safe and orderly environment conducive to learning at school
- 8) The rules and procedures on school discipline adopted pursuant to Sections 35391 and 35291.5
- 9) Assessment of the current status of school crime committed on school campuses and at school related functions
- 10) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Title 1 of Part 4 of the Penal Code

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period. The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, technology, digital citizenship, best practices, PLC's and leadership. Multiple measures including CAASPP results, ELPAC achievement data, common formative assessments, and data from site educational rounds were utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings. Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration at site determined periods throughout the school year. The collaboration time allows teachers to apply new learning and make strategic decisions regarding the use of curriculum and assessments.

Year one and year two teachers are enrolled in TUSD's Induction Program which is in the second year of implementation. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching. New administrators are supported through their participation in the Stanislaus County Office of Education Administrator Induction Program.

Professional development and support has been provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Special Education; Instructional Best Practices; Guided Language Acquisition and Design (GLAD); Advanced Placement; Technology; Digital Citizenship, Small Group Instruction; and Next Generation Science Standards. Professional development opportunities occur during a combination of the regular school day, after hours, and during the summer. TUSD has a network of nineteen content specialist instructional coaches that are utilized to support staff in classroom implementation as a follow up to all professional development events.

There are several formal Special Education administrative and teacher trainings scheduled each year that include the following topics: Service delivery for special education students with various handicapping conditions, the referral process for students with special education needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.

Types of Services Funded

Cunningham School offers a variety of programs and services to support students in order to increase student achievement, enrich their educational experiences through lessons that incorporate agriculture science, and prepare them for their college and career plans. All students have the opportunity to attend field trips to such locations as California State University, Stanislaus, the Turlock Unified School District Farm, the Modesto Gallo Center, missions, and local agricultural-based businesses. Students in grades fifth and sixth also participate in orchestra, band, and choir. Students are encouraged to participate in the Talent Show, Odyssey of the Mind, Science Fairs and the Stanislaus County Spelling Bee. In addition, Cunningham Elementary has a Gifted and Talented program for students in grades fourth through sixth grades.

Cunningham not only provides enrichment opportunities for all students, but each grade level also offers both an intervention block and English Language Development groups to ensure students receive instructional support according to their needs. With the assistance of paraprofessionals, teachers are able to meet with small groups of students in order to implement intense intervention strategies. Cunningham staff and students are also supported by two Title I- funded Coaches. To further assist students, many teachers offer before or after school tutoring to assist their students who are struggling in such areas of mathematics and language arts. The After School Education and Safety Program (ASES) provides ninety Cunningham students with tutoring and enrichment opportunities. Other opportunities that are available to students who are below grade level include frequent use of technology with leveled educational programs, Summer School and tutoring.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
