## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

---

### Principal's Message

Marcum-Illinois Elementary School is a rural, one-site elementary school district located in East Nicolaus, Sutter County. It is a union of five historic districts and was established 80 years ago. Marcum Elementary serves students in TK through eighth grade as well as 3 and 4 years old in our State preschool. We offer an after-school program called "The Den" that provides literacy, enrichment, and recreational support for students daily from 7:00 A.M. to 8:00 A.M. and 3:00 P.M. to 6:00 P.M. We are very proud of our student accomplishments, school traditions, and community support. We look forward to sharing this report with you.

### School Mission Statement:

#### Our Mission:

The mission of the Marcum-Illinois Union Elementary School District is to provide a high-quality education for every student in this district.

#### Our Vision:

All stakeholders of the Marcum-Illinois Union Elementary School District commit to act in collaboration and to openly support our district's students in their pursuit of a quality education.

### Impact of LCAP

Our school stakeholders have identified our core values and identified critical areas of focus for our school as represented in our Marcum-Illinois District Strategic Plan. The LCAP is reflective of the local plan that has been put into place by our stakeholders.

The district goals were designed to meet the needs of all students, in particular those who are Low Income (LI), English Learner (EL), and Foster Youth (FY). While many of the goals address multiple areas of the state's priorities, they also correspond well to the LCAP's three broad categories: Conditions of Learning, Pupil Outcomes, and Engagement. The superintendent/principal worked with Sutter County Superintendent of Schools Education and Business Services and used the time to address "the what" (or the goals) and "the how" (or the actions and services) in the writing of the Local Controlled Accountability plan.
