## Hart-Ransom Union School District

3920 Shoemake Avenue Modesto, CA 95358 ▪ [www.hartransom.org](http://www.hartransom.org)

Matthew Shipley, Superintendent ▪ [mshipley@hartransom.org](mailto:mshipley@hartransom.org) ▪ (209) 523-9996

## Principal's Message

Hart-Ransom Elementary School is proud of our academic strength and our long-standing community history. The TK-8 campus is located in a rural setting on the west side of Modesto. The school is rich in family history; many of our students are third, and fourth-generation Hart-Ransom students. Hart-Ransom is also rich in diversity, and all students and their families become part of the Hart-Ransom family.

The staff consists of a single principal; an assistant principal; 43 certificated classroom and support teachers; and 31 classified staff members who serve as instructional aides, bus drivers, maintenance workers, secretaries, yard supervisors, and kitchen staff. Each grade level has three to four classrooms, and grades 7-8 are departmentalized.

Hart-Ransom Elementary School boasts a strong instructional program based in the learning philosophy that all students can and will learn. Our highly qualified, dedicated staff works effectively with students, facilitating high achievement for all. Implementation of the California Common Core State Standards ensures that students learn through the 21st-century skills of communication, collaboration, creativity and critical thinking. Technical and project-based learning prepares students for college and career challenges in their future. A technology coach works with students and teachers to integrate technology into the classroom curriculum. The band program includes beginning, intermediate and advanced band and a jazz ensemble. The choir program has a choir for grades 3-6 and 6-8. After-school tutoring is provided for students with academic needs three days per week within each trimester.

Hart-Ransom has three after school programs for children. For our TK-3 students who ride the later bus, we have our 2 O'clock Care program. This program houses approximately 100 children. Our Eagle's Nest is an ASES (After School Education & Safety) program for which we have a grant to provide afterschool activities in the areas of homework time, enrichment activities and recreational activities. Running alongside Eagle's Nest is Eagle's Nest Plus, which is for families who could not get into Eagle's Nest. Eagle's Nest and Eagle's Nest Plus house approximately 125 students.

Many extracurricular academic activities enrich the learning of students. There is an active Student Council, which provides spirit building and community focused activities; a Protecting Health and Slamming Tobacco (PHAST) team; and a yearbook staff. Students have opportunities to participate in the local and county Spelling Bee, the county Elementary Science Olympiad, the traveling Science Lab from Modesto Junior College, and other enrichment events that combine learning and teamwork for both students and staff. We bring Missoula Children's theater directors to campus and students can audition for a musical. Additionally, students in grades 6-8 are involved in interschool competitive sports: soccer, volleyball, basketball and track.

Positive personal growth is a priority, and students are encouraged and recognized for their positive contributions to the school. We encourage students to become contributing citizens of the school through programs such as Positive Behavioral Intervention and Supports (PBIS); Eagle Traits; Hart-Ransom Heroes; and special campus events, such as Ag Day, International Day and food collection at the holidays.

In May of 2018, Hart-Ransom received a Multi-tiered System of Support (MTSS) grant for \$25,000.00 to focus on improving academics, behavior and providing social-emotional learning experiences. The Stanislaus County Office of Education is teaming with the school and received \$25,000.00 to provide support, professional development and resources in the grant focus areas. Throughout 2018-20, we will be developing the support systems to provide the best learning environment for ALL children.

Hart-Ransom is in its fourth year of full implementation of Positive Behavior Intervention and Support (PBIS). Our BIG 3 core values—Be Safe, Be Responsible, Be Positive—are emphasized each day across campus and in every classroom. Each day Staff members recognize students for showing the values in their speech and action earning Eagle Bucks. Monthly, students have opportunity to visit the Eagle Outpost to spend their Eagle Bucks on school supplies and a specialty item. Each month students are recognized for exceptional behavioral values at an assembly.

The schoolwide PBIS program is planned and coordinated by the Tier I team, whose members are teachers, classified staff, parents and administrators. Through schoolwide PBIS, the school offers special events such as Football Fridays, Dance, Dance Day, free entry into sporting events, competitive lunchtime games, and many other events to build a positive school culture.

As a result of our three years of implementation, suspensions have significantly decreased and state scores have significantly increased as reported on the California School Dashboard. In the spring of 2019, we applied for state recognition for our work and achievement and made a proposal to speak at the California PBIS Coalition state conference. The school was awarded a Silver award for the work and achievement and in October 2019, the principal, assistant principal and a teacher/PBIS team member presented at the conference.

During the 2019-20 school year, there are several foci for school improvement. Improvement of scholastic achievement as demonstrated through the California Assessment of Student Performance and Progress (CAASPP) scores is a continued focus. Professional development opportunities for staff in all curricular areas and technology are in place for all teachers. All staff will continue to focus on campus culture and supporting students emotionally, behaviorally and socially as well as academically.

Moving forward we continue to partner with our families and community to increase and improve student learning and growth.

Hart-Ransom Elementary School is truly a good place for children and adults to learn and grow, and together, we continue to "Soar Into Tomorrow."

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

The Hart-Ransom Union School District, recognizing the uniqueness and worth of each child and committed to the individual success of its community's youth, will ensure a quality education that fosters the development of skills and attitudes necessary for lifelong learning through a positive and safe learning environment in partnership with home and community.

*"Soar Into Tomorrow"*

## Governing Board

Seth Renicker, President

Ashley Heinrich, Vice President

Shawn Brunk, Clerk

Rich Fultz, Member

Sandy Riggins, Member

## Professional Development

The professional development days in 2019-20 focused on programs and strategies for students who are underperforming, technology in the classroom and Social Emotional Learning.

Weekly staff meetings also serve to provide professional development. Some topics include: vocabulary development for all students including second language learners, science NGSS standards, technology, trauma informed teaching strategies, PBIS values across campus and in the classroom, and Social Emotional Learning. During staff meetings, professional development is provided by administration, guest presenters and staff members who have researched and developed presentations in specific areas.

Weekly PLC team meetings are held to analyze standards, determine essential standards and essential skills, to develop common formative assessments and to design instruction to support learning of all students in the areas of math and English language arts (ELA). Data is reviewed weekly and teachers design remedial and enrichment instruction to support students at all levels.

The principal and assistant principal support teachers through formal and informal observations and conversations that help support teachers in their growth as practitioners. Staff meetings include support for teachers as they grow and develop as practitioners.

Many teachers are sent to trainings at the Stanislaus County Office of Education (SCOE) regarding the areas of ELA/English language development (ELD), math, social studies, science and technology. Specialized teachers in areas such as music, special education, and ELD also have opportunities to attend trainings specific to their specialty.

The SCOE Induction Program pairs first- and second-year teachers with an experienced mentor to improve their skills and address the California standards for the teaching profession. This program culminates in the teacher earning his or her permanent credential from the California teacher credentialing office.

Teachers have multiple opportunities throughout the school year to attend workshops or conferences that further their education, skills and pedagogical expertise. Administrators attend many of these conferences and workshops with teaching staff to partner with them in improving their practices. Administrators also attend leadership workshops and conferences to further their knowledge and skills and to improve their own practices.

## School Mission Statement

The mission of Hart-Ransom Elementary School is that all students will master grade-level skills based on California state standards and will meet standards as measured by classroom, district, state and national assessments.

We will:

- Support students who do not achieve proficient levels through identification, intervention and remediation to bring them to proficiency
- Motivate and engage students through meaningful, active, research-based strategies using state-adopted curriculum which inspires students and staff to continue learning
- Teach civic rights and responsibilities to enable students to be contributing, good citizens, both today and in their future
- Promote strengths of students and staff through a safe and secure community environment that encourages positive, interpersonal relationships

Commitment to students and their learning is the heart of Hart-Ransom. Hart-Ransom School is truly a good place for children and adults to learn and grow, and together, we continue to "Soar Into Tomorrow."

### Professional Development Days

#### Three-Year Data

	2017-18	2018-19	2019-20
<b>Number of school days dedicated to staff development and continuous improvement</b>	4 days and weekly PLC meetings	4 days and weekly PLC meetings	4 days and weekly PLC meetings

## Enrollment by Student Group

The total enrollment at the school was 810 students for the 2018-19 school year. The pie chart displays the percentage of students enrolled in each group.

### Demographics

#### 2018-19 School Year

## Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2018-19 school year.

### 2018-19 Enrollment by Grade

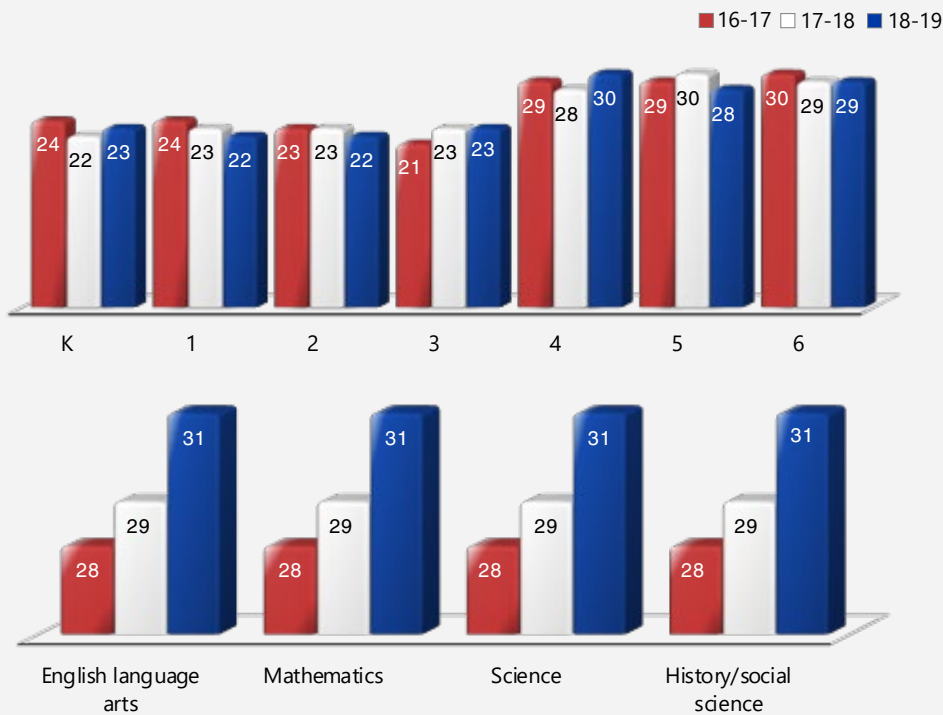

## Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Average Class Size

#### Three-Year Data

### Number of Classrooms by Size

#### Three-Year Data

	2016-17			2017-18			2018-19

Mathematics		6			6			6	
Science		6			6			6	
History/social science		6			6			6	

## Parental Involvement

Parents and the community are an important factor in the success of Hart-Ransom Elementary School. Parents provide a positive role in school life. Students recognize that school is important because their parents take time to be a part of the school life. Parents are encouraged to participate in various ways on our campus as classroom helpers; at school activities; on the playground; and as mentors, coaches and tutors. Parents also share their careers with students on Career Days throughout the year, participate in Ag Day and International Day as presenters, and participate as interviewers in the 8th grade College and Career Day.

Parents also serve on decision-making committees: the School Site Council and English Learner Advisory Committee (ELAC) teams, Parent Advisory Team, the Safety Team, the PBIS Tier I Team, and ad hoc committees such as graduation planning, and district teams such as safety and facilities team. Additionally, each year the school seeks parent input through a school survey. Parent input is important as we plan programs and goals for the school and students, as evidenced in the Local Control and Accountability Plan (LCAP).

The parent-school Partnership is a vital part of Hart-Ransom School and we are thankful for the involvement of every parent and guardian.

The Parent Teacher Club (PTC) sponsors many community and family activities that promote a positive environment both in school and in the community. PTC sponsors fundraisers such as the annual Fun Run, and the Denim and Diamonds dinner and auction. The proceeds from the fundraisers go directly to support the school and students. The PTC provides funds for field trips, the sports program, sixth-grade Outdoor Education and helps provide for Missoula Children's Theater to come to Hart-Ransom to produce a musical with our students. PTC sponsors family events such as the fall outdoor Movie and Safety Night, and the holiday movie night. The PTC also supports the schoolwide PBIS program and helps the school fund an inspirational and motivational speaker each year for students and parents. All parents are encouraged to become involved in school life either through volunteering or becoming an active member of the Parent Teacher Club.

For more information on how to become involved at the school, please check out the Hart-Ransom School website, Hart-Ransom News, or contact Parent Teacher Club President Suzanne Wend at [hrptc@hartansom.org](mailto:hrptc@hartansom.org).

## CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The California Science Test (CAST) was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018–19 SARC posting due February 1, 2020. These data will be included in the 2019–20 SARC posting due February 1, 2021.

Percentage of Students Scoring at Proficient or Advanced					Two-Year Data	
	Hart-Ransom ES		Hart-Ransom USD		California	
Subject	17-18	18-19	17-18	18-19	17-18	18-19
Science	✧	✧	✧	✧	✧	✧

## CAASPP Test Results in ELA and Mathematics for All Students (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts (ELA)/literacy and mathematics.

Percentage of Students Meeting or Exceeding State Standards					Two-Year Data	
	Hart-Ransom ES		Hart-Ransom USD		California	
Subject	17-18	18-19	17-18	18-19	17-18	18-19
English language arts/literacy	60%	58%	58%	59%	50%	51%
Mathematics	38%	40%	35%	39%	38%	40%

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

California Physical Fitness Test		2018-19 School Year	
Percentage of Students Meeting Fitness Standards		Hart-Ransom ES	
		Grade 5	Grade 7
Four of six standards		20.9%	12.6%
Five of six standards		18.6%	21.8%
Six of six standards		27.9%	24.1%

✧ Not applicable.

## California Assessment of Student Performance and Progress (CAASPP)

For the 2018–19 school year, the CAASPP consists of several key components, including:

**California Alternate Assessments (CAA)** test includes both ELA/literacy and mathematics in grades 3–8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

**Smarter Balanced Assessments** include ELA/literacy and mathematics in grades 3–8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit [www.cde.ca.gov/ta/tg/ca](http://www.cde.ca.gov/ta/tg/ca).

## CAASPP by Student Group: English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3–8.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Results by Student Group: English Language Arts (grades 3-8)

Percentage of Students Meeting or Exceeding State Standards					2018-19 School Year
English Language Arts					
Group	Total Enrollment	Number Tested	Percentage Tested	Percentage Not Tested	Percentage Met or Exceeded
All students	534	529	99.06%	0.94%	58.41%
Male	269	266	98.88%	1.12%	53.01%
Female	265	263	99.25%	0.75%	63.88%
Black or African-American	12	11	91.67%	8.33%	45.45%
American Indian or Alaska Native	❖	❖	❖	❖	❖
Asian	23	23	100.00%	0.00%	78.26%
Filipino	❖	❖	❖	❖	❖
Hispanic or Latino	264	261	98.86%	1.14%	45.98%
Native Hawaiian or Pacific Islander	❖	❖	❖	❖	❖
White	209	208	99.52%	0.48%	71.15%
Two or more races	16	16	100.00%	0.00%	75.00%
Socioeconomically disadvantaged	287	284	98.95%	1.05%	45.07%
English learners	82	82	100.00%	0.00%	34.15%
Students with disabilities	41	41	100.00%	0.00%	24.39%
Students receiving Migrant Education services	❖	❖	❖	❖	❖
Foster Youth	❖	❖	❖	❖	❖
Homeless	❖	❖	❖	❖	❖

❖ Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Results by Student Group: Mathematics (grades 3-8)

Percentage of Students Meeting or Exceeding State Standards				2018-19 School Year	
Mathematics					
Group	Total Enrollment	Number Tested	Percentage Tested	Percentage Not Tested	Percentage Met or Exceeded
All students	534	524	98.13%	1.87%	39.89%
Male	269	263	97.77%	2.23%	43.73%
Female	265	261	98.49%	1.51%	36.02%
Black or African-American	12	11	91.67%	8.33%	9.09%
American Indian or Alaska Native	❖	❖	❖	❖	❖
Asian	23	23	100.00%	0.00%	56.52%
Filipino	❖	❖	❖	❖	❖
Hispanic or Latino	264	256	96.97%	3.03%	32.81%
Native Hawaiian or Pacific Islander	❖	❖	❖	❖	❖
White	209	208	99.52%	0.48%	48.08%
Two or more races	16	16	100.00%	0.00%	43.75%
Socioeconomically disadvantaged	287	282	98.26%	1.74%	31.21%
English learners	82	82	100.00%	0.00%	24.39%
Students with disabilities	41	41	100.00%	0.00%	24.39%
Students receiving Migrant Education services	❖	❖	❖	❖	❖
Foster Youth	❖	❖	❖	❖	❖
Homeless	❖	❖	❖	❖	❖

❖ Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

## Textbooks and Instructional Materials

The Hart-Ransom Union School District held a public hearing on September 13, 2019, and determined that each school within the district has sufficient and good-quality textbooks, instructional materials or science-lab equipment pursuant to the settlement of *Eliezer Williams, et al., vs. State of California, et al.* (also called the Williams case). All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Board of Education State Content Standards and Frameworks and have been approved by the Hart-Ransom Board of Education. In the 2014-15 school year, Eureka Math Mathematics was adopted for K-5, and in the summer of 2018 Illustrative Math was adopted for grades 6-8. In 2016-17, new English language arts (ELA) and English language development (ELD) materials were implemented—McGraw-Hill's Wonders in grades K-1; Benchmark Advance in grades 2-6; and College Board Spring Board program materials in grades 7-8. As per the curriculum frameworks and adoption cycles, history/social studies materials were adopted to be implemented for the 2018-19 school year—McGraw Hill Impact California in grades 4-6 and TCI in grades 7-8.

In the spring of 2019, a science study and selection team was formed. The team spent five full days in training with consultants from Stanislaus County Office of Education, in a process of determining Hart-Ransom's vision and goals for science instruction, going deep into the Next Generation Science Standards (NGSS) and narrowing the field of materials to those that best suit the needs of the school.

During the 2019-20 school year, NGSS state approved science curriculum is being piloted for implementation in the 2020-21 school year.

The library is staffed by a full-time library media clerk and has 11 computer workstations for student use. Students in TK-6 grade visit the library once a week to utilize it for selecting books, research and homework. Junior high students have access to the library during their lunch three times per week.

The Hart-Ransom Union School District implemented the Technology Use Plan to bring students, teachers and the school up-to-date with modern technology.

Integrating technology enables students to develop the critical-thinking and problem-solving skills that result in independent and discriminate thinking and learning.

The computer lab is staffed by a full-time computer teacher and has 33 networked computers. Students in grades 2-8 have one-to-one web access through use of Chromebooks and utilize Google School for research, exploring and creating that supports student learning. For kindergarten and first grade, there is one Chromebook for every two students. Students in seventh and eighth grades attend a computer class an average of three times per week. A technology coach/teacher works with classroom teachers in grades K-6 to integrate technology into the curriculum of each grade level. She visits each classroom on average once per week to work with students on technology projects.

Textbooks and Instructional Materials List		2019-20 School Year
Subject	Textbook	Adopted
Reading/language arts	Wonders, McGraw-Hill (K-1)	2016
Reading/language arts	Benchmark Advance (2-6)	2016
Reading/language arts	Spring Board, College Board (7-8)	2016
Mathematics	Eureka Math (K-6)	2016
Mathematics	Illustrative Math (7-8)	2018
Science	Macmillan/McGraw-Hill (K-5)	2007
Science	Prentice Hall (6-8)	2007
History/social science	McGraw Hill Impact California (K-6)	2018
History/social science	TCI (7-8)	2018
Health	Pearson (7-8)	2009

✧ Not applicable.

## Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject	
2019-20 School Year	
Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	✧
Foreign language	✧
Health	0%

## Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

Currency of Textbooks	
2019-20 School Year	
Data collection date	9/13/2019

## Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	
2019-20 School Year	
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	No*
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

\* During the 2019-20 school year, the school is piloting Science curriculum to adopt for implementation in the 2020-21 school year.

## School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status		2019-20 School Year
Items Inspected	Repair Status	
<b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
<b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)	Good	
<b>Cleanliness:</b> Pest/vermin control, overall cleanliness	Good	
<b>Electrical:</b> Electrical systems	Good	
<b>Restrooms/fountains:</b> Restrooms, sinks and drinking fountains	Good	
<b>Safety:</b> Fire safety, emergency systems, hazardous materials	Good	
<b>Structural:</b> Structural condition, roofs	Good	
<b>External:</b> Windows/doors/gates/fences, playgrounds/school grounds	Good	
<b>Overall summary of facility conditions</b>	Good	
<b>Date of the most recent school site inspection</b>	10/14/2019	
<b>Date of the most recent completion of the inspection form</b>	10/14/2019	

## School Facilities

Hart-Ransom Elementary School provides a safe and secure campus for students, staff and volunteers. The school opened in 1952 and currently includes 19 permanent classrooms; 23 portable classrooms; a library; a state-of-the-art computer lab; and a multipurpose building that includes a gym, cafeteria, kitchen, and band room. There is also a small multipurpose room, a counselor's office, speech teacher room and three playgrounds.

Modernization took place in 2006 and 2007, bringing the buildings up to code and focusing on a more secure campus.

In July 2011, the new multipurpose building, new classrooms and fields were dedicated for use after a year of construction. This was done through state funding and a community bond. We are thrilled to be using the new facility, which allows for an expanded sports program, more classroom space and a great eating environment for our students.

During the 2015-16 school year, a new Maintenance, Operations and Transportation (MOT) facility was built. During the 2016-17 school year, renovations were made to the kindergarten area. The kindergarten playground is surrounded by the TK and kindergarten classrooms and is enclosed by a fence to provide the best safety possible for the little ones. Through the construction and renovations, additional parking and new traffic-flow systems were in place to improve traffic on campus. Funding for these improvements came from developer fees, mandated costs funds, project savings (Fund 35) and Deferred Maintenance Program funds.

During the school day and after school, certificated, trained and qualified classified employees supervise students. Certificated staff supervise our yard before school, during morning recesses and as students leave campus after school. During lunch, there are six yard supervisors who monitor students through the five lunch periods. Our after-school program has a staff of six. All of these staff members have been provided training in student relations, school rules and CPR, as well as opportunities for first-aid training.

The school perimeter has safety fences installed, and only the front gate is open during the day while students are present. Visitors check in and out of the school office to ensure our students' safety. Fire, earthquake and lockdown drills are held regularly. Bus-safety instruction is held for all students and staff yearly.

**Cleaning Process:** The district governing board has adopted cleaning standards for all schools in the Hart-Ransom Union Elementary School District. A summary of these standards is available at the school office and district office. Classrooms are cleaned each day, and regular maintenance is provided. The Maintenance, Operation and Transportation (MOT) supervisor develops custodial cleaning schedules to keep a clean and safe school. There are both daytime and evening custodians to maintain the campus. Our custodial staff includes two daytime staff and two evening staff members. Additionally, the district employs two yard maintenance workers.

*Continued on sidebar*

## Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates			
Hart-Ransom ES			
	16-17	17-18	18-19
<b>Suspension rates</b>	5.6%	1.9%	3.3%
<b>Expulsion rates</b>	0.1%	0.0%	0.0%
Hart-Ransom USD

## School Facilities

*Continued from left*

**Maintenance and Repair:** The MOT supervisor monitors the maintenance and repair needs of the campus. He coordinates the repairs necessary to keep the school in good repair and working order which are completed in a timely manner. He also manages and coordinates the maintenance of the buses. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Because of the wonderful facilities and the great care it is given, Hart-Ransom is really a great place to learn and grow.

**Grounds:** The MOT supervisor manages the grounds staff in keeping the campus well maintained and beautiful.

The Facilities Inspection Tool was used to evaluate the status of the campus on October 14, 2019.

## Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit [www.ctc.ca.gov](http://www.ctc.ca.gov).

Teacher Credential Information	Three-Year Data			
	Hart-Ransom USD	Hart-Ransom ES		
Teachers	19-20	17-18	18-19	19-20
<b>With a full credential</b>	60	40	41	43
<b>Without a full credential</b>	0	2	1	0
<b>Teaching outside subject area of competence (with full credential)</b>	0	0	0	0

## Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions	Three-Year Data		
	Hart-Ransom ES		
Teachers	17-18	18-19	19-20
<b>Teacher misassignments of English learners</b>	0	0	0
<b>Total teacher misassignments</b>	0	0	0
<b>Vacant teacher positions</b>	0	0	0

## School Safety

A comprehensive School Site Safety Plan, which is reviewed annually by the Hart-Ransom Union Elementary School District, is in place to ensure a secure, peaceful and clean environment for the school community. Utilizing data from the California Healthy Kids Survey and input from the members of the School Safety committee and families, the Action Goals of the safety plan encompass building a positive climate, through Positive Behavioral Interventions and Supports activities and a safe campus.

The school's disaster-preparedness plan identifies procedures to follow during emergencies and natural disasters. We conduct emergency drills regularly, fire drills monthly, and earthquake and campus-secure drills four times a year. For safety precautions, the school's perimeter is securely fenced on all sides. Adult supervision is provided when students are on school grounds. All visitors must sign in at the office and receive proper authorization to be on campus. Visitors are asked by the staff to display their pass at all times.

Staff has been trained in how to respond to students who show strong adverse behaviors that may be a danger to themselves or others. They have also had training in intruders on campus and participated in an intruder on campus simulation.

The school safety plan was last reviewed, updated and discussed with the school faculty in Month Year. The revised Safety Plan will be presented to the Governing Board in February 2020.

✧ Not applicable.

★ Contracted through Stanislaus County Office of Education.

## Types of Services Funded

These programs and supplemental educational services (SES) are provided at the school either through categorical funds or other sources that support and assist students:

- Elementary and Secondary Education Act (ESEA) of 1965
- Instructional materials
- Special Education (federal)
- Home-to-school transportation
- Economic Impact Aid (EIA)
- Tobacco-Use Prevention Education (TUPE)
- Class Size Reduction (K-3)

## Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff Data	
2018-19 School Year	
	Ratio
<b>Academic counselors</b>	✧
<b>Support Staff</b>	FTE
<b>Counselor (academic, social/behavioral or career development)</b>	1.0
<b>Library media teacher (librarian)</b>	0.0
<b>Library media services staff (paraprofessional)</b>	1.0
<b>Psychologist</b>	★
<b>Social worker</b>	0.0
<b>Nurse</b>	★
<b>Speech/language/hearing specialist</b>	0.6
<b>Resource specialist (nonteaching)</b>	2.0

## Financial Data

The financial data displayed in this SARC is from the 2017-18 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data		2017-18 Fiscal Year
	Hart-Ransom USD	Similar Sized District
<b>Beginning teacher salary</b>	\$51,714	\$49,378
<b>Midrange teacher salary</b>	\$78,293	\$77,190
<b>Highest teacher salary</b>	\$103,889	\$96,607
<b>Average elementary school principal salary</b>	\$142,531	\$122,074
<b>Average high school principal salary</b>	◇	\$126,920
<b>Superintendent salary</b>	\$167,263	\$189,346
<b>Teacher salaries: percentage of budget</b>	38%	36%
<b>Administrative salaries: percentage of budget</b>	7%	6%

## Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2017-18 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
<b>Hart-Ransom ES</b>	\$8,879	\$91,296
<b>Hart-Ransom USD</b>	\$8,756	\$89,860
<b>California</b>	\$7,507	\$77,619
<b>School and district: percentage difference</b>	+1.4%	+1.6%
<b>School and California: percentage difference</b>	+18.3%	+17.6%

◇ Information is not available at this time.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2019.

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

## School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2017-18 Fiscal Year	
<b>Total expenditures per pupil</b>	\$10,359
<b>Expenditures per pupil from restricted sources</b>	\$1,480
<b>Expenditures per pupil from unrestricted sources</b>	\$8,879
<b>Annual average teacher salary</b>	\$91,296

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.
