School Description

El Toyon is located in National City. We offer a preschool through sixth grade program dedicated to developing the whole child. Our staff is committed to providing an enriching and challenging educational environment for all students. We invite you to learn more about our school by visiting our campus and seeing first hand our classrooms, programs, and dedicated staff.

School's Mission Statement and Core Values

The National School District is committed to developing successful learners NOW. To support that goal, we have developed the following core values.

- We believe that all students will learn
- We believe that student success is everyone's responsibility
- We believe that our community's cultural diversity enriches learning opportunities
- We promise a safe, nurturing learning environment
- We promise an active partnership with parents and community
- We promise a solid foundation in reading, writing, and problem-solving
- We promise a focus on individual student achievement

We, the staff of El Toyon, provide a caring, positive, and challenging educational environment for our students while building character, responsibility, and pride. As a result, we will motivate students to become life-long learners, independent thinkers, problem solvers, and productive members of society.

Message from Principal, Bryan Vine

At El Toyon School, we believe that children deserve the best education possible. We hold strong beliefs about the importance of educating our students and providing them with an inspiring, safe, and challenging environment. Our staff strives for excellence in all areas, and is motivated to support, nurture and provide our students with high quality education in the core areas of reading and math; we believe our students will not succeed in life without those crucial skills! We also believe that the elementary school years are the ideal time to lay a strong foundation in the arts, social studies, science, physical education, and character education. Our teachers continue to refine their teaching practices through data team collaborations and incorporating Common Core Standards into their everyday lessons. Our dedicated and enthusiastic teachers and staff truly do "Whatever it Takes" to make sure our students are attaining the skills that will prepare them for college and future careers. We are committed to building life-long learners through rigorous inquiry-based instruction and curriculum that allows them to grow academically, socially and emotionally. We understand that tapping into a student's passion will unlock the desire to learn and generate a place that is safe for them to create, innovate, and explore new opportunities. Parent and community partnerships are vital to the heartbeat of the school. Parent involvement is welcomed and we offer many opportunities for parents and families to engage with our children's learning. With our newly elected officers in our Parent Teacher Association we are excited to work together and foster those relationships so we can do what is best for our students. Additionally, we understand that we cannot succeed without the support of our families and community members. We take pride in working alongside our families and community members to ensure that we do everything we can to help our students have a memorable and meaningful elementary education.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

El Toyon's main campus was built in 1952. Since our opening the following major renovations or improvements have been addressed:

2006 - Relocatables were added to replace existing relocatable and added for a new Parent Center

2011 - New garden/play area for kinder and preschool.

2015 - Air conditioning was added to all original buildings, including every classroom on site. A high speed and wireless network were added to every classroom on site. Additionally, the electrical and the fire alarm systems were upgraded to support the air conditioning and one-to-one computing.

2018 - The parking lot was repaved and striped.

2019 - New roofs installed on rooms K1 and K2.

Ongoing - The school is highly maintained with new paint, plants, flowers, grass and new playground equipment. El Toyon has 21 classrooms, and one classroom in a relocatable building.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA	32	38	43	43	50	50
Math	34	31	33	33	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	13	23	26

The selection of focus areas for on-going professional development is based on a careful analysis of achievement data. The district calendar earmarks full days and early release time for providing site-based professional development for all teachers. Teachers also have opportunities to attend conferences and district-wide professional development throughout the year. During the 2019-20 school year all teachers at El Toyon School will receive approximately 30 hours of professional development in mathematics through the University of California Irvine subject matter project. This professional development will empower our teachers to deliver a cohesive, common core curriculum based on the CCSS. The project includes hands-on, research-based professional development, standards-based curriculum guides and unit plans aligned to the Common Core to assist our teachers in the implementation of our GoMath adoption. The Irvine Math Project team is comprised of classroom practitioners, math content experts, and math education researchers. A focus on professional development around the area of mathematics and ELA was selected in response to the needs highlighted in our CAASPP data. In the area of language arts, all of our teachers will receive in-depth professional development in the California ELA/ELD framework. The ELA/ELD framework professional development has been selected as an area of focus due to our high numbers of English language learners and the need for teachers to be excellent discerners of curriculum and materials needed to deliver robust and rigorous lessons. Both these areas of focus have been delivered through teacher release days, bi-weekly data team meetings, collaboration days and weekly staff meetings, off the clock offerings and during individual teacher planning days. We have four Teachers on Special Assignment (TOSA) that provide workshops in the area of Language Arts and English Language Development. We also have credentialed teachers that provide Engineering is Elementary lessons for students. This provides opportunity for the Language Arts and ELD workshops. With our new English Language Arts adoption, all teachers will receive staff development in the implementation of our newly adopted BENCHMARK materials. To support daily, robust and rigorous reading, our district office has adopted the American Reading Company 100 book libraries. All teachers will receive staff development on the implementation and best practices used for these reading baskets for students. Our counselors have received training on the Sanford Harmony social-emotional curriculum which they will deliver in each classroom. Counselors will deliver this curriculum in all classrooms while teachers support the implementation and lesson delivery. In addition, all teachers have received professional development on how to run restorative circles in their classrooms in order to deliver Tier I positive behavior interventions and supports to all students. of focus for teacher training include effective instructional strategies for implementation of Common Core Standards, best practices for Data Teams collaboration, ELA Benchmark curriculum, curriculum training in writing, language arts and mathematics, as well as specific training to support the needs of English Learners. Teachers of students with special needs and teachers of newcomer students also receive specialized training to assist them in meeting the unique needs of their students. This professional development is provided in various formats, including whole staff group, grade-level teams, and through individual mentoring by the school administrator. The District also assists in the coordination of BTSA Induction Support for year one and two teachers. Teachers who are experiencing difficulty or need improvement have access to the PAR (Peer Assistance Review) Program.

Title I \$35,629

LCAP Supplemental and Concentration funds \$167,464

Total \$203,093

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
