School Description

Arlanza Elementary School is located in the northeastern region of Riverside and serves students in the grades transitional kindergarten through five following a traditional calendar.

Arlanza is committed to ensuring each student develops the literacy and numeracy skill necessary for future success in college and career. The school community - parents, teachers and administrators - are partners in the educational process. All work diligently and collaboratively to help develop knowledgeable, productive, and self-reliant citizens of the globe. We embrace the values of courage, inclusiveness, innovation and integrity.

Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

On September 19, 2019, Alvord Unified School District's Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of "sufficient textbooks or instructional materials" means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

Arlanza Elementary School uses the governing board adopted textbooks and instructional materials as detailed in the table:

School Facility Conditions and Planned Improvements (Most Recent Year)

Arlanza Elementary School, built in 1956, is located on 11.5 acreage and its square footage totals 54,429. The school has 30 permanent classrooms, six portable classrooms, four sets of restrooms, one computer lab, one staff lounge, one multipurpose room, one library, three computer labs (mobile) and three sets of staff restrooms. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day. Deferred Maintenance projects planned for this school year include to 1) landscape/irrigate the southeast portion of the playground, 2) landscape/irrigate between each row of classroom buildings in four locations, 3) paint the covered wood walkway, exterior doors, metal post and fascia trim, and 3) asphalt around the library and empty lot adjacent to the kindergarten playground.

* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	32	33	40	42	50	50
Math	21	21	27	28	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school staff communicates with parents about school events through a variety of avenues: flyers, parent conferences, the school website, Facebook, Twitter, Remind, Class Dojo, Blackboard Connect (automated telephone message delivery system), and student planners. Contact the principal at (951) 358-1600 for more information on how to become involved in your child's learning environment.

Volunteer Opportunities:

Chaperone Activities and Fieldtrips
Fundraising Activities
Classroom Volunteers
School Sponsored Club
Parent Teacher Organization Events

School Advisory Groups & Committees:

English Learner Advisory Council
School Site Council
Action Team for Partnerships (ATP)
Parent Teacher Organization (PTO)

School Events:

 Student Recognition Assemblies
 College and Career Events
 Fall and Spring Festivals/Health Fairs
 Family Literacy Nights
 Family Involvement Nights
 Principals' Coffee
 Early Childhood Learning Activities

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in November , 2019. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lock down drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus planning for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2018-19, Arlanza Elementary School's professional development focused on:

- Reading Workshop Framework
- Implementing Teachers College Reading and Writing Project Reading Units of Study in Reading & Writing
- Administering and Scoring Running Records
- Analyzing Student Data
- Goal Setting
- Flexible Student Grouping
- Guided Reading Instruction
- Strategy Group Instruction
- Book Club Instruction
- Read Aloud Instruction

One on one student conferencing instruction

Alvord Unified School District provided professional development for teachers and support staff in 2018-19 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2016-17: 33

2017-18: 33

2018-19: 43

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
