### School Description

Las Lomas is a Transitional Kindergarten through Sixth Grade school located in La Habra. We are fortunate to have an extraordinary staff of 22 fully credentialed classroom teachers, a full time Resource Specialist and a shared Speech/Language Therapist and Psychologist. In addition to our general education population, we also provide services for Pre-School Special Education, and LEAP for students identified as needing these support services. The staff is dedicated to providing a safe and engaging learning environment that promotes critical thinking and learning for our students. Our goal is to provide the skills necessary for our students to become productive citizens. The staff works extremely hard to impart the importance of being responsible, respectful students who strive to develop a love of learning.

Our Entrepreneur Exploration focus provides our students real-world experiences, through hands-on project-based learning opportunities. Through a close collaboration with the local businesses of La Habra, the students are becoming "innovation ready." These partnerships enable students to explore problems that focus on diverse community issues. Their young minds are inspired to engage in creating and learning beyond the textbook. These partnerships allow students to think creatively and critically about community issues and then develop the problem solving and communication skills necessary to be engaged learners for the challenging future ahead of them.

We are proud to offer additional enriching extra-curricular activities for our students. The Lang Lang Music Foundation provides our 2nd, 3rd and 4th grade students the opportunity to learn keyboarding/piano skills with a trained music teacher two times a week. The Segrestrom Center for the Arts brings Disney Musicals in Schools for our third-sixth grade students. Students will learn all about theater and perform a live musical theater production in the spring. All of these experiences will ultimately improve student academic performance, their attitudes toward career possibilities and motivate the students to persevere and seek out a variety of career options.

Our teachers work in weekly Professional Learning Communities (PLC) to collaborate and discuss student achievement. Intervention and enrichment opportunities are decided as well as how to differentiate instruction to meet the needs of all students. Teachers develop short-term goals for students and then use a variety of assessments to monitor student growth and adjust their instruction as needed in all instructional areas. Teachers are continuously asking themselves four key questions when discussing student achievement to ensure student success.

- What do we expect students to learn?
- How will we know when they have learned it?
- How will we respond when they don't learn?
- How will we respond when they already know it?

The parents and the community are a key component to the success of our students; therefore, in addition to our passion for academic success for all of our students, our staff works hard to develop relationships with our parents and extended families. We strive to create an environment in which parents are partners in education here at Las Lomas.

Please come and visit us! We would love for you to meet the Las Lomas team and see what fantastic work our students are doing on a daily basis!

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Two or More Races	1.1
Socioeconomically Disadvantaged	83.6
English Learners	45.8
Students with Disabilities	12.6
Foster Youth	0.4
Homeless	0.7

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Las Lomas Elementary	17-18	18-19	19-20
With Full Credential	19.5	22	23
Without Full Credential	0	0	0
Teaching Outside Subject Area of Competence	0	0	0

Teacher Credentials for La Habra City	17-18	18-19	19-20
With Full Credential	♦	♦	3.86
Without Full Credential	♦	♦	0
Teaching Outside Subject Area of Competence	♦	♦	0

### Teacher Misassignments and Vacant Teacher Positions at Las Lomas Elementary School

Indicator	17-18	18-19	19-20
Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

\* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Types of Services Funded

In addition to the general school budget, Las Lomas has two main sources of income: Federal Title I funds and Supplemental & Concentration (S&C) funds. The majority of our general school budget goes toward teacher salaries and benefits. Title I funds pay for part of our library technician and two of our educational assistants. S&C funds provide three instructional assistants to help our English Learners. Funds are also used to help pay for educational materials and supplies, supplemental books to support our language arts, science and social studies programs and for the purchase of technology, such as iPads, for our students use to enhance their learning process.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)**

On October 10, 2019, the La Habra City School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #15-2019 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbook and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The information that follows shows the currency and availability of the textbooks and other instructional materials used at the school as of August, 2019.

**Textbooks and Instructional Materials**

**Year and month in which data were collected: October, 2019**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA		24	36	40	50	50
Math		21	28	31	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

#### Grades Five, Eight, and Ten

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	16.1	17.7	27.4

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Each year the District looks at student achievement data along with teacher requests for specific trainings to determine the plan for the four Districtwide professional development days. In 2017-2018, training focused on new English Language Arts adoptions, Wonders and Amplify. In 2018-2019 training focused on new Mathematics adoptions, Bridges and Math Links. In 2019-2020, training focused on developing Multi-Tiered System of Supports (MTSS).

In addition to the Districtwide trainings, each site works with a consultant from InnovateEd to develop Cycles of Inquiry around their strategic focus. Teacher leaders attend seven days of training to analyze student data, develop a strategic focus for the year, implement evidence based lessons, and analyze student work. Teachers on Special Assignment (TOSAs) assigned to each site work with all teachers throughout the year during the school day and during PLC time to support implementation of the strategic focus.

**School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)**

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

We have many ways for parents to participate in the life of our school, and we depend on parents to keep our programs running smoothly. Parents are asked to join our School Site Council (SSC) which helps develop our School Site Plan and budget. Parents of English learners are vital to our English Language Advisory Council (ELAC) to provide input to our English Learner Program. The PTA organizes fundraisers to pay for field trips and special assemblies. We ask that all parents attend Back-to-School Night in the fall, Open House in the Spring, parent-teacher conferences in October and February and various family learning events scheduled throughout the school year.

Our Parent Institute for Quality Education (PIQE) program is a very important program to help our parents learn all about our school culture and how they can better prepare their students for college. We also ask parents, if possible, to volunteer in the classroom. We always need volunteers and appreciate any time parents can give. To volunteer at the school, please contact the Principal, Pam Cunningham at (562) 690-2353.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Students are supervised 30 minutes prior to school during recess and lunch by staff. Teachers regularly review the rules for responsible, respectful, and safe behavior at school. All staff members who are responsible for supervising students on the playground during recess or break. Additionally, all staff members have been extensively trained on the procedures and protocols for student safety, behavior expectations, emergency procedures and unidentified persons on campus. Visitors are required to check in and wear a badge while on campus.

We have a School Safety Plan and Code of Conduct that is shared with teachers, students and parents at the beginning of each school year. Fire, earthquake, and intruder drills are practiced on a regular basis so staff, students and parent volunteers are familiar with the procedures in case of an emergency. In addition to parents supplying an emergency care packet for their child, the school has emergency first-aid, food, and water supplies. School Safety Plan was last revised and reviewed in October 2019.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19
