Principal's Message

Vista Del Mar Middle School is located on top of a hill with a breathtaking 180-degree ocean and city view. As principal, I am especially pleased to be part of a faculty and staff committed to providing the best possible education for every child in a challenging, safe and nurturing environment. The staff and I continue to build a tradition of academic excellence.

Our teaching and learning now focuses on meeting and exceeding the Common Core State Standards for every child. The varied levels of instruction provide a framework to challenge advanced students and support those who are struggling, while creating a solid classroom experience for students learning at grade level. As we continue to grow, we will continue to provide a safe and supportive learning environment. Our staff is committed to creating an environment that empowers students to become lifelong learners in a diverse community.

Since the 2017-18 school year, Vista Del Mar has transitioned to a middle school and serves students in grades 7 and 8 only.

School Mission Statement

Vista Del Mar Middle School provides students the opportunity to achieve, contribute and strive for excellence.

School Vision Statement

The vision of Vista Del Mar Middle School is to ensure a safe, supportive environment so that all students can reach their full potential. We are committed to providing a rigorous standards-based instructional program that engages students and prepares them to be successful in the path for college and career readiness for the 21st century.

Parental Involvement

At Vista Del Mar Middle School, our parents have the opportunity to participate on our School Site Council and English Language Advisory Committee, coffee with the principal, and various parent workshops. Any parents interested in becoming involved at our school may contact our Outreach Consultant, Ms. Nirvana Bustos, at (619) 661-6753 ext. 3988.

Enrollment by Student Group

The total enrollment at the school was 413 students for the 2018-19 school year. The pie chart displays the percentage of students enrolled in each group.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

The San Ysidro School District, in partnership with our teachers and community, is committed to providing a high-quality, multicultural learning environment that promotes academic excellence, social responsibility, and physical and emotional well-being for all students.

The mission of the San Ysidro School District:

Quality education and opportunity for all students to succeed.

Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2018–19 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3–8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3–8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 7 and 8.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

San Ysidro School District held a public hearing on September 12, 2019, determining sufficiency of instructional materials at all schools in the district. All schools were found to have sufficient and good-quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams v. the State of California.

Students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. All teachers review materials approved for use by the state, and a recommendation is made to the board of trustees by a selection committee composed of teachers and administrators.

Textbooks and Instructional Materials List			2019-20 School Year
Subject	Textbook	Adopted	
Reading/Language Arts	Amplify ELA + ELD (7-8)	2018	
English Language Development	Amplify ELA + ELD (7-8)	2018

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2019-20 School Year
Criteria	Yes/No	
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes	
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes	
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes	

Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

School Facilities

Vista Del Mar Middle School provides a safe, clean environment for students, staff and volunteers. Vista Del Mar opened on July 25, 2012 and consists of 24 classrooms, a library/media computer lab, music room, multipurpose room and cafeteria. The safety of our students and staff is Vista Del Mar's primary concern. All visitors must sign in at the front office and wear identifying tags while on school grounds. School staff, campus aides and campus security are on duty before, during, and after school. The school's disaster-preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year.

Cleaning Process

The San Ysidro School District Board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis placed on classrooms and student bathrooms. By creating a sense of pride in our school, we have created a joint effort between students and staff to keep Vista Del Mar Middle School clean and litter-free. The principal and the custodial staff meet to work together to assure that schedules are followed and cleaning procedures are adhered to on a daily basis.

School Safety

The district developed a Comprehensive School Safety Plan in order to comply with Senate Bill 187 of 1997. The plan provides students and staff means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include child-abuse reporting procedures, teacher notification of dangerous-pupils procedures, disaster-response procedures, procedures for safe entering to and exiting from school, sexual harassment policy, suspension and expulsion policies, dress code, and discipline policies.

Vista Del Mar Middle School has monthly fire drills, earthquake drills and lockdown drills. We have a team that is going through a series of trainings to make sure they are prepared for any situation that might come our way. School staff, campus aides, and campus security are on duty before, during and after school. The district office has provided us with clear instructions on suspension and expulsion policies. The school safety plan was last reviewed, updated and discussed with the school faculty in February 2020.

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. Professional Development

All curriculum and instructional improvement activities at San Ysidro School District are aligned to the California Common Core State Standards and frameworks. The district professional-development program provides opportunities for teachers and support staff to implement the district's core curriculum for all students, update subject-area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies for use in the classroom. Additionally, teachers and support staff have the opportunity to participate in conferences, districtwide professional development throughout the year focusing on Common Core State Standards implementation and specific training to support English language learners and students with special needs.

At the site level each year, targeted professional improvement activities are provided for teachers and support staff that reflect the specific school goals and objectives reflected in the school site plan such as: Professional Learning Community (PLC); Grade Level Collaboration; Data Reflection Sessions as well as various conferences and workshops, such as the Kagan Collaboratives, Project Lead The Way (PLTW), EdTechTeacher, NGSS Academies, CAASPP Institutes and AVID teacher training.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2019.

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data
