## **School Accountability Report Card**

### **Reported Using Data from the 2018-19 School Year**

#### **Published During 2019-20**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

### School Description

Glen H. Dysinger Sr. Elementary School is one of eight elementary schools in the Centralia School District. Dysinger is located just north of La Palma Avenue in the city of Buena Park, California. The site, located in a well-kept residential area, is well known as a “neighborhood school” and has served the community since 1957. Dysinger was greatly honored as a 2018 California Distinguished School. Dysinger is also the recipient of the California PBIS Coalition's 2019 Platinum PBIS Implementation Awards. Dysinger was named an Educational Results Partnership (ERP) Honor Roll School for the 2018-19 academic year. Dysinger School was selected as the 2016 and 2015 California Business for Education Excellence Honor Roll School and one of the 100 public schools in California to receive the title of 2014 and 2013 STEM (Science, Technology, Engineering and Math) awards. Schools receiving this distinction from the California business community have demonstrated consistent high levels of student academic achievement, improvement in achievement levels over time and reduction in achievement gaps among student populations. Dysinger school had the honor of two current employees having received Employees of the Year in recent years. We have on staff the 2015 and 2016 Centralia School District Teachers of the Year. The school’s current enrollment is approximately 495 students with 17 regular education classrooms in grades TK- 6, and two Special Day Classes serving students in grades K-6. A total of 24 certificated staff and 21 classified staff provide a comprehensive instructional program and related support services. The Centralia School District provides centralized funding for textbooks, Special Education, and English learner programs. District funds employ a principal, an office manager, a part time health clerk, a full time speech teacher, a part time school psychologist, a full time special education resource teacher, a child development coordinator for child care, a day custodian, and a night custodian.

Teachers and support staff at Dysinger Elementary believe that a strong academic focus, supported by a positive and caring learning environment, is essential to the success of our students. Students are provided a comprehensive curriculum in language arts, mathematics, history/social science, science, physical education, and health education. The addition of Dysinger's Innovation Lab provides an additional space to create a dynamic 21st Century learning environment for our students to apply concepts and skills in Science, Technology, Engineering, Arts, and Mathematics (S.T.E.A.M). All staff are highly qualified and are appropriately assigned. All teachers have CLAD certificates. Dysinger fosters a rich VPA environment with a weekly Enrichment Program for grades 4-6, including, but not limited to Dance Choreography, Chorus, Fine Arts, Sewing, and Strings Instruments. A strong emphasis is placed on providing a safe, clean environment for our students and staff. Equally important is the emphasis on developing strong positive character traits through the school wide Multi-Tiered System of Supports (MTSS) and Positive Behavior Interventions and Supports (PBIS) program, character education, and additional support from school personnel and programs including a schoolwide Second Step Social Skills program, and a small group Zones social - emotional program for students providing daily/weekly positive reinforcements. Dysinger is in the second year of implementation of Peer Assistance leadership (PAL) program, which builds a positive school climate through youth leadership, mentoring, conflict resolution, cross-age teaching, peer helping, service learning, and prevention activities. PAL supports the development of 21st Century Skills in the areas of leadership, communication, team building, and problem solving. Additional positive reinforcement is provided by staff weekly for all students through Responsibility Recess and Fun Filled Friday program. Many specialized programs including English Learner (EL), Gifted and Talented Education (GATE), Speech and Language, Special Education, Early Intervention Program, and the school Response to Intervention (RTI) program provides extra support to students.

### School Vision

In partnership with parents and the community, Dysinger is dedicated to producing responsible, self-confident, 21st Century learners who master concepts, skills, and positive character attributes through a comprehensive, technologically enhanced, CA CCSS-based curriculum.

### Mission Statement

Centralia School District is a leader in education. It is a positive, collaborative environment where new ideas are encouraged and innovative practices are fostered. Student success is our top priority and is valued by the entire community.

In partnership with parents and the community, Dysinger Elementary School is dedicated to providing a challenging learning environment for all students, which will enable them to reach their maximum potential in becoming productive, contributing citizens for today and tomorrow. Staff members work collaboratively to provide students with a rigorous, CA CCSS-based curriculum and a safe place to learn. Creativity, communication, collaboration, and critical thinking are promoted in a nurturing environment of cooperative spirit, positive attitude, and mutual respect.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 2019

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 08/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ ELD instructional materials in November 2015 which directed our pilot and adoption of new instructional materials.

## School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

### Age of School Buildings

Dysinger School was built in 1956 and is located on 11.05 acres. There are 26 classrooms, four small group instruction rooms, a Learning Center, a multipurpose room, a library/media center with a computer lab and an office complex.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 212 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### Cleaning Process and Schedule

In the evenings and during the day, a team of two custodians ensures classrooms; restrooms and campus grounds are kept clean and safe. As responsible members of the community, we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

### Deferred Maintenance Budget

The district funds the School Deferred Maintenance Program, which funds expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

### Measure N

The Measure N bond funds the 21st century classrooms and administration office renovations. This includes new casework, furniture, paint, new carpet, electrical upgrades, new technology, and low voltage upgrades.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	69	66	64	64	50	50
<b>Mathematics (grades 3-8 and 11)</b>	58	57	59	60	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

---

Glen H. Dysinger Elementary School welcomes and values parental involvement in District and school site programs and committees. Parent involvement promotes stellar educational opportunities for all students within an inspirational environment. Dysinger's parent engagement program enhances both instruction and special events. Parents participate in our strategic planning process in many ways, through their involvement in SSC, ELAC and DELAC advisory groups. These groups meet on a regular basis to share information, discuss school programs, evaluate performance data and provide input toward school-based decision making. The SSC/ELAC combined committee oversees the development and implementation of the school's School Plan for Student Achievement and provides input for the Safe School Action Plan. Many parents regularly volunteer on PTA, School Site Council (SSC), English Language Advisory Committee (ELAC), and in classrooms. The Dysinger PTA supports student learning by funding assemblies, study trips, art and music programs, and book sales. PTA supports community events such as Fall Harvest Carnival, Astronomy Night, and Family Nights. Opportunities for parent education and family involvement occur throughout the school year. Parents are encouraged to become active participants in their children's education by joining PTA, and serving on advisory councils such as School Site Council, the English Language Advisory Committee, and various district committees. Parent information meetings are conducted by the principal at SSC, ELAC, Back to School Night, and Open House and the Principal makes every effort to attend all PTA meetings. All parents are encouraged to attend annual and monthly meetings to provide input. School Site Council (SSC) and English Language Advisory Committee (ELAC) schedules meetings to discuss, monitor, and evaluate the instructional programs in the School Plan for Student Achievement (SPSA) including GATE, English Learners, Technology, Interventions, and Special Education. The PTA Board also meets once a month to discuss and plan many school activities like fundraisers, Book Fairs, study trips, Brainpower Mania activities, T-Shirt sales, Family Nights, and instructional assemblies. GATE parents are invited to a site meeting to inform them of our Gifted and Talented program and assist parents in supporting their students' specialized learning needs. Parents are involved in the writing of their child's Individualized Gate Plan (IGP.) Award Assemblies are held every trimester to recognize student academic and behavior achievement, and parents are invited to attend. The use of our district and school websites, Facebook, Twitter, school marquee, weekly principal "School Messenger" phone calls, emails, and text messages, help keep parents informed of events at the school.

Parent involvement opportunities include, but not limited to:

- Back to School Night
- Open House
- Student Recognition Assemblies
- Student Performance Assemblies
- Parent Education Training and/or Workshops
- Field Trip Chaperone
- Classroom Volunteers
- PTA-Sponsored Activities
- Fall & Spring Academic Conferences
- Family Nights
- Book Fairs
- Student Study Team Meetings
- IEP Meetings
- 504 Meetings
- Parent Academic Meeting
- Fall School Carnival

- Holiday Gift Shop
- School Site Council
- English Language Advisory Committee
- District English Language Advisory Committee
- School Safety Committee
- Red Ribbon Week Activities
- Great Kindness Challenge Activities
- School Messenger Calls, Texts, and emails with Weekly Update

A Neighborhood Resource Center (NRC) is supported by our district and is available to our families and provides information and resources for health insurance, clothing, food, transportation, counseling, and a variety of medical services. HERO program offers tutoring for students in the home at no charge. A district Social Worker is available on an as needed basis. Student Study Team (SST) monitors students who are struggling academically or behaviorally and involves parents in the intervention process. A Resource Specialist assists with observing, assessing, and monitoring students while working with teachers to provide classroom interventions that address their learning difficulties. Our part time school psychologist provides individualized student support and administers assessments to identify learning difficulties.

For additional information about opportunities for parent involvement at Dysinger Elementary, please contact PTA president Giovanna Arellano or Principal Shawn Stuht at (714) 228-3240 or visit the school website at [dy.cesd.K12.ca.us](http://dy.cesd.K12.ca.us)

### School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern of Glen H. Dysinger Elementary School. Dysinger's Safe School Action Plan was developed by the School Safety Committee and with input from the School Site Council. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2019-2020 goals of our Safe School Action Plan include the following goals:

#### Component One: People and Programs

Goal #1: Glen H. Dysinger School's climate shall reflect respect, tolerance and pride for diversity of culture, ethnicity, and philosophy. It is a place where students demonstrate steady academic progress, follow school rules, and develop responsibility for their learning and respect for themselves and their school.

1. 100% of students will follow school rules.
2. Provide increased opportunities for students to become actively involved in their school and increase students' sense of connectedness.

Goal #2: Glen H. Dysinger's climate shall provide an emotionally secure learning environment for all students.

1. 100% of the classrooms at Glen H. Dysinger School are emotionally safe for students.
2. The playground is an emotionally safe place for 100% of the students.
3. Dysinger staff will participate in on-going training to effectively address the needs of our site in case of emergency/crises.

#### Component Two: Physical Environment

Goal #1: Glen H. Dysinger School provides a secure campus with careful monitoring and supervision of all areas to ensure student safety and adherence to rules.

1. Dysinger is a Closed Campus. All visitors must report to the office for identification. 100% of non-staff persons on campus are easily identifiable as authorized to be on campus.
2. To ensure that the playground is a physically safe place for all students.
3. Maintain clean and safe bathrooms.
4. Provide safe parking lot procedures for efficient student drop off and pick up.

Goal #2: Glen H. Dysinger School provides for the safety of all students and staff through a well planned and implemented crisis response plan.

1. To train staff, students, and inform parents of crises response procedures with 100% of the staff clear on all emergency response procedures, practices, and responsibilities in their designated roles. .
2. Ensure that the school has all necessary supplies in the event of an emergency.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. Fire evacuation drills are held monthly, along with bi-monthly lockdown and earthquake drills. The school maintains a Staff Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

Dysinger School believes that to ensure a positive learning experience requires a safe and orderly environment. Toward this end, we have established an Award winning school-wide Positive Behavior and Intervention Support (PBIS) Program which communicates high expectations for student behavior. Each student receives training on behavior expectations in the classroom, at Flag Ceremony, during a schoolwide Implementation Day, and in school assemblies lead by the principal. Dysinger students are expected to embrace the F.I.R.E. attributes (Focused on safety, acting with Integrity, being Respectful and Responsible, and being Engaged learners) Teachers teach, monitor, enforce and exhibit positive attributes throughout the year. The school follows all District Board Policies including those pertaining to Safety, Suspension, Expulsion and Mandatory Expulsion and Sexual Harassment.

The Centralia School District's Board of Trustees reviews the Safe School Action Plan annually by March 1st.

## Types of Services Funded (Fiscal Year 2018-19)

The majority of the per pupil funding comes from the Local Control Funding Formula.

Programs and services available at Dysinger School to support and assist students include the following:

At Dysinger School, the principal works with the school's leadership team and the School Site Council to develop a comprehensive School Plan for Student Achievement. Through the Local Control Accountability Plan (LCAP), the school has an Intervention Specialist who provides additional small group support for students not meeting grade level proficiency; a Bilingual Instructional Assistant provides additional small group reinforcement of core skills and works with parents for translations; computer based instruction is provided using the online programs such as Study Island, Ticket to Read, More Star Fall, Discovery Learning, and Accelerated Reader; and the classrooms are equipped with smart board technology and upper grades have access to Chromebooks on carts to facilitate use of technology for meaningful learning. The LCAP's GATE enrichment funds provide GATE students with an extended after school program. The GATE program is site based with differentiated instruction during the school day. English Learner program is focused on improving students' acquisition of English language skills through a strong ELD program.
