### **School Description**

West Wind Elementary School is committed to educational excellence, empowering all students to reach their full potential. Our school, in partnership with the community, will prepare students for the future as responsible citizens and lifelong learners.

Each student is a valued individual with a variety of needs. We are committed to supporting each individual's needs and preparing students with the skills necessary to succeed in an increasingly complex informational society. The ability to process and manipulate information has already become an important determinant of economic success for individuals as well as states and nations. In this new informational age, the ability to gather and distribute information through electronic communication is vital. Therefore, West Wind Elementary School's vision is to promote students who are comfortable with, and proficient in, using grade-level appropriate educational technology to succeed in a rapidly changing world.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)**

All textbooks were selected from the most recent list of standards-based materials adopted by the California State Board of Education and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE. Textbooks are chosen after careful review and piloting by teachers and then are approved by the Board of Trustees. There are textbooks/instructional materials for each student in each subject. All adopted textbooks are in fair to new condition.

**School Facility Conditions and Planned Improvements (Most Recent Year)****General**

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the Los Angeles County Office of Education. The results of this survey are available at the school office or at the district office.

**School Buildings**

West Wind (originally named Lancaster Elementary) was built in 1990 as a temporary facility. It was renamed when a permanent facility was completed in 2003. The main building houses the front, health, and principal's offices, multipurpose room, cafeteria, staff lounge, and library. There are 33 classrooms - 33 permanent.

**Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

**Cleaning Process and Schedule**

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The Supervisor of Operations works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

**Deferred Maintenance Budget**

Although the State no longer requires a Deferred Maintenance contribution, Lancaster School District is still dedicated to maintaining the facilities for our students. These expenditures would include but not be limited to roofing, plumbing, heating, air conditioning, electrical, painting, and flooring. For the 2019-20 school year, the district has budgeted \$940,000 for deferred maintenance projects.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	49	43	32	31	50	50
Math	30	27	17	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

Parent involvement is highly valued at West Wind Elementary. Parents, guardians, grandparents, aunts, and uncles sign up to volunteer in classrooms, at our annual Back-to-School Night, and in our school office throughout the year. Volunteers represent West Wind on site committees such as ELAC (English Learner Advisory Committee) and SSC (School Site Council) meets regularly to address the effectiveness of school programs and curricular materials relative to the goals of the school and to address other relevant academic issues making sure the budget is aligned to the goals. Parents represent West Wind on DELAC (District English Learner Advisory Committee). They share/network with other schools and the district, bringing back ideas and activities that enhance our site. The SAC (Superintendent's Advisory Committee) brings our parents to the table with our district Superintendent. Again, ideas and activities, as well as concerns, are shared with the Superintendent to help improve school sites. Every semester, the principal holds several community meetings inviting parents/guardians to learn and talk about school wide issues and activities.

West Wind has many school and community activities planned throughout the year. Each month, family members are invited to join their child for lunch at "Lunch on the Lawn". Activities held throughout the year include – movie nights, book fairs, fund raisers, Fall Festival, the Annual Geography Bee, November Food Basket Drive, Spring Basket raffles, and three Epic Build Showcases. West Wind could not be as effective as it is without our wonderful and dedicated volunteers.

There are numerous other ways to get involved in your child's education.

For further information, contact West Wind Elementary's Office at (661) 948-0192.
