School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

The mission of the New Haven Unified School District, a partnership of students, families, staff and our richly diverse community, is to develop and empower EVERY student to be a productive, responsible and successful 21st-century citizen by creating an exemplary, inclusive educational system characterized by a safe, caring learning environment and a challenging, comprehensive curriculum that ensures academic proficiency.

The mission of Guy Emanuele Jr. Elementary School, a partnership of students, families, staff and our richly diverse community is to provide a safe and caring environment in which every student is empowered to be a productive responsible and successful 21st century citizen by creating an exemplary educational experience and a challenging comprehensive curriculum with a concentrated focus on literacy, thus promoting life long learning for all students in all areas.

Additionally, Emanuele School intends to support each child to achieve his or her highest potential. Our vision is drawn from our underlying philosophy in the belief that all children can learn, that our teaching is powerful, and that good instructional practices can make a profound difference in the lives of our children. We continually strive to improve of the educational experience of our students by collaborating with stake holders from our communities. As stated in our mission, we strive to educate and support global citizenship in all that we do.

Our site focus is to work collaboratively to gain and articulate the comprehension in all content areas through speaking, listening and writing. The goal is to build strong relationships with our community resources in an effort to engage the community at large, while building upon our professional relationships to strengthen our team internally.

Guy Emanuele, Jr. Elementary is located in the Decoto district of Union City on the corner of Decoto Road and Mission Blvd. Guy Emanuele, Jr. Elementary is located in the Decoto district of Union City on the corner of Decoto Road and Mission Blvd. We have a diverse population of nearly 575 students and a staff of 65 educators.

District & Community Profile (School Year 2018-19)

New Haven Unified School Districts includes Union City and part of south Hayward. We are proud of the accomplishments of our diverse student population. Our mission is to develop and empower every student to be productive, responsible and successful.

The district consists of seven elementary schools, two middle schools, two high schools, a student support center, independent study, home school program, and an adult school.

School Attendance & Enrollment

Regular attendance is a necessary part of the learning process and is critical to academic success. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Student attendance is monitored very closely and phone calls to parents are made on a daily basis. Letters will be sent home if absences become a problem. Students with excessive tardies, trancies or unexcused absences are referred to Student Attendance Review Board (SARB).

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: January 2019

New Haven Unified School District held a Public Hearing on October 15, 2019, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, as of January 2019.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	McGraw Hill - Wonders K-5 2018 (ELA/ELD)	Yes	0.0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Emanuele Elementary School is comprised of 34 permanent classrooms, an administration building, one multipurpose room, a library, a computer lab, a staff workroom and lounge, and two playgrounds. The recently installed new bathroom flooring.

Cleaning Process

The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. At the time of publication 100% of restrooms were in working order. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. The data in the table was collected in May 2019.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 5/28/19

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	44	43	40	42	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Emanuele Elementary school recognizes the positive correlation between parent involvement and student success. For this reason, the school continually searches for avenues to involve parents and the community to participate in the education of its students. Throughout the year, Emanuele Elementary School hosts parent engagement meetings where parents receive academic data for their students and activities to use at home for support and nights where the emphasis is on community engagement and connection. The school greatly benefits from its supportive parents who volunteer in the classroom, family nights, and field trips. These family nights and community engagement opportunities include:

- School Site Council
- Parent Teacher Club
- English Learner Advisory Committee
- Parent Education projects with our dropout prevention specialist
- Parent Workshops for positive parenting techniques
- Parent Book Club
- Heritage Celebrations and Contributions Nights
- Quarterly Achievement Celebrations

Parents are encouraged to join the Parent Teacher Committee (PTC), School Site Council (SSC) and the English Learner Advisory Committee (ELAC).

For questions, please contact Clinton Puckett, Principal, at (510) 471-2461.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern of Emanuele Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. All revisions were communicated to both the classified and certificated staff. The school safety plan includes discipline policies, procedures for child abuse reporting, disaster procedures, the schoolwide dresscode, and procedures for safe ingress and egress to and from school.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Emergency drills are conducted on a monthly basis throughout the school year. Lockdown drills are conducted four times per year. Students are supervised before and after school by certificated staff and the principal, and classified staff supervises students during lunch. There is a designated area for student drop off and pick up. Visitors must sign in at the main office and wear a badge while on campus.

The Comprehensive School Safety Plan was approved at our School Site Council meeting on Wednesday, January 16, 2019 by an 8 to 0 margin.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	1	1	1

All sites were provided one day for professional development prior to the start of the school year. Additionally, there are additional opportunities provided for professional development at staff meetings, grade level/department meetings, collaboration meetings and modified days.

We provide district-wide and site-based professional development focused upon the district's priority initiatives and a variety of topics. These topics include:

English Language Development; Designated and Integrated ELD
Multi-Tiered Systems of Support
Middle School NGSS-Aligned Instructional Materials
Mathematics, Habits of Mind, Habits of Interaction
Development of Physical Education Units that Meet State-Mandated Requirements
Rigorous Curriculum Design for ELA/ELD Integration
Universal Design for Learning
Positive Behavior Interventions and Supports
Trauma Informed Practices

The areas of focus for professional development were based upon our analysis of student performance data including results on the CAASPP, NWEA, California Dashboard, ELPAC and district created summative assessments. Professional development has been provided through working in collaboration with consultants that have been contracted by the district, on-site instructional coaching, attending conferences, administratively created and delivered professional development during before school meetings, faculty meetings and modified school days.

Our teachers are supported with implementation by being provided planning time, collaboration, conducting observations, providing feedback, and grade level / department meetings.
