EXPECT THE BEST
GRACE YOKLEY SCHOOL

Mountain View School District

2585 South Archibald Avenue Ontario, CA 91761 ▪ www.mtnview.k12.ca.us

Douglass Moss, Ph.D., Superintendent ▪ douglass_moss@mtnview.k12.ca.us ▪ (909) 947-2205

Principal's Message

Grace Yokley Middle School (GYS) enjoys a proud history of academic excellence and high expectations for all students. What makes our school successful is the tremendous support and dedication of our staff, students and community. We believe knowledge is key—knowledge of the workplace, knowledge of our resources, knowledge of our audience and knowledge of ourselves provide the perspective necessary as we collaborate to meet the needs of our students.

The staff at Grace Yokley Middle School continues to be committed to providing the best educational programs possible for our students. The excellent qualities of our academic and enrichment programs are reflections of our highly talented and capable faculty. They are dedicated to ensuring Grace Yokley Middle School is a welcoming, stimulating environment, actively involving students through academic instruction as well as helping students form positive values, make analytical judgments, and think critically and creatively. Through hard work and high expectations, our students are challenged to reach their maximum potential.

Our parents are the backbone of our students' success. They enthusiastically encourage the academic excellence of their children and help with our many activities throughout the year.

Our students not only excel academically, but also grow in the areas of respect, responsibility, positive relationships and leadership. GYS students understand that the depth of their character measures their success as much as it is by their grades and test scores.

School Mission Statement

Believing that every child controls his or her destiny through self-actualizing goals and behaviors, we will strive to create an equal and appropriate learning environment through caring and consistency, while providing challenging, evolving, dynamic curriculum and modes of instruction.

Parental Involvement

Staff members, parents and students participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with student needs and comply with district goals:

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- Individual Education Plan Teams
- Parent Teacher Student Association (PTSA)
- School Site Leadership Team
- Student Study Teams
- District English Learner Advisory Committee (DELAC)
- Wellness Committee
- Student Council
- LCAP Stakeholder/Parent Advisory Committee (LCAP S/PAC)
- Safety Plan Committee
- Parent volunteers

Parent participation and involvement is an integral part of student success at Grace Yokley Middle School. A highly active PTSA coordinates many activities, programs and events that directly help support the school's instructional program. They provide a true sense of community purpose and direction centered on the education of the students at Grace Yokley Middle School. Fundraisers support field trips, assemblies and student incentives. A large group of volunteers augments classroom instruction.

Parents who wish to participate in Grace Yokley Middle School's leadership teams, school committees, school activities or become a volunteer may contact GYS front office at (909) 947-6774.

School Safety

The school sends the Emergency Preparedness Plan home to parents at the beginning of each school year. The plan includes steps for ensuring student and staff safety during a disaster. Campus safety is top priority. The school principal conducts earthquake, fire, lockdown and civil-defense emergency drills on a regular basis in accordance with the site disaster plan. The school contains emergency supplies: food, water and rescue equipment.

The School Site Safety Plan was adopted and implemented in December 1998. It is reviewed and revised annually and is approved at the November/December board meetings every year. It was most recently reviewed, updated and discussed with school faculty in October 2019.

The school designed its School Site Safety Plan to assist in preparing for emergencies, managing emergency response efforts and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the School Site Safety Plan include strategies and programs that will provide and maintain a high level of school safety, assess current school crime occurring on campus and at school functions, and address procedures related to the compliance of existing laws as they affect school safety.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Mountain View School District Mission Statement

Mountain View School District is a school community whose members focus on the whole child: ensuring each child is safe, that each child's needs are met and that each child is provided an education of the highest quality.

Our continuing mission at Mountain View School District is to provide a foundation for sustained educational excellence for students and staff by setting clear goals and high expectations in a safe and trusting environment that supports individual success.

MVSD Governing Board

Members:	Served Since:
Ronald Newton	1993
Mike Sweeney	1996
Maureen Sweeney	2016
Dr. James Willingham	2018
Chris Taylor	2019

Enrollment by Student Group

The total enrollment at the school was 889 students for the 2018-19 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

2018-19 School Year

Socioeconomically disadvantaged	58.60%
English learners	12.40%
Students with disabilities	12.40%
Foster youth	0.40%
Homeless	2.60%

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size

Three-Year Data

Number of Classrooms by Size

Three-Year Data

	2016-17			2017-18			2018-19

Suspension rates	2.2%	1.9%	1.5%
Expulsion rates	0.0%	0.0%	0.0%

California

	16-17	17-18	18-19
Suspension rates	3.6%	3.5%	3.5%
Expulsion rates	0.1%	0.1%	0.1%

CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The California Science Test (CAST) was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018–19 SARC posting due February 1, 2020. These data will be included in the 2019–20 SARC posting due February 1, 2021.

Percentage of Students Scoring at Proficient or Advanced					Two-Year Data	
	Grace Yokley MS		Mountain View SD		California	
Subject	17-18	18-19	17-18	18-19	17-18	18-19
Science	✧	✧	✧	✧	✧	✧

CAASPP Test Results in ELA and Mathematics for All Students (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts (ELA)/literacy and mathematics.

Percentage of Students Meeting or Exceeding State Standards					Two-Year Data	
	Grace Yokley MS		Mountain View SD		California	
Subject	17-18	18-19	17-18	18-19	17-18	18-19
English language arts/literacy	56%	54%	52%	53%	50%	51%
Mathematics	30%	33%	33%	35%	38%	40%

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Physical Fitness Test		2018-19 School Year
Percentage of Students Meeting Fitness Standards	Grace Yokley MS	
	Grade 7	
Four of six standards	12.5%	
Five of six standards	25.6%	
Six of six standards	45.9%	

✧ Not applicable.

California Assessment of Student Performance and Progress (CAASPP)

For the 2018–19 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3–8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3–8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 6–8.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Results by Student Group: English Language Arts (grades 6-8)

Percentage of Students Meeting or Exceeding State Standards					2018-19 School Year
English Language Arts					
Group	Total Enrollment	Number Tested	Percentage Tested	Percentage Not Tested	Percentage Met or Exceeded
All students	906	894	98.68%	1.32%	54.36%

❖ Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Textbooks and Instructional Materials

Mountain View School District sets a high priority upon ensuring sufficient and current textbooks and materials are available to support our school's instructional program and on providing our students with textbooks in the core subject areas.

The district held a public hearing in September 2019, and determined that each school within the district has sufficient, good-quality textbooks and instructional materials pursuant to the settlement of *Eliezer Williams, et al., vs. State of California, et al.* All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. A committee consisting of administrators and teachers establishes selection criteria based on state standards, reviews instructional materials on the state list, and makes recommendations to the board of trustees for final adoption. The district affords stakeholders and staff (including teachers) the opportunity to carefully review the available textbook options.

All textbooks at Grace Yokley Middle School are in adequate supply and in fair to excellent condition. The school and district place great emphasis on providing students with the most up-to-date state-adopted textbooks and instructional materials; 100 percent of students in each core subject area possess the necessary textbooks and instructional materials.

The school's library is stocked with more than 17,000 books that are available for students to check out. The school's library contains a large collection of videos and audiotapes for classroom use that tie into curricular areas of study. Computer resources within the library are connected to the internet so students are able to access resources and information online to improve their research skills.

Integration of technology into the standard curriculum is ongoing at Grace Yokley Middle School. Students receive computer-assisted instruction on a regular basis. Software programs include i-Ready and Khan Academy to develop both reading and math proficiency. Mountain View School District is in the forefront of technology in the classroom. The power of the computer as a learning tool is afforded each student in grades K-8. This will give students an edge in the technological world of the 21st century. All of the classrooms at Grace Yokley Middle School utilize wireless internet connections with 1:1 chrome book use.

Textbooks and Instructional Materials List

2019-20 School Year

Subject	Textbook	Adopted
Reading/Language Arts	<i>Collections</i> , Houghton Mifflin (6-8)	2017
Mathematics	<i>Go Math</i> , Houghton Mifflin Harcourt (6-8)	2016
Math Integrated I	<i>California Integrated Mathematics I</i> , Houghton Mifflin Harcourt (8)	2016
Science	<i>Focus on Science-California Edition</i> , Glencoe/McGraw-Hill (6-8)	2008
History/Social Science	<i>World History</i> , National Geographic (6-8)	2019
Foreign Language (Spanish)	<i>Realidades</i> , Pearson (7-8)	2015
Digital Literacy	Common Sense Education/Digital Citizenship (6-8)	2018
Comprehensive Sexual Health	Positive Prevention Plus & Current Science Curriculum (7-8)	2018

Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

Currency of Textbooks

2019-20 School Year

Data collection date	9/9/2019
-----------------------------	----------

◇ Not applicable.

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject

2019-20 School Year

Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	◇
Foreign language	0%
Health	◇

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks

2019-20 School Year

Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status		2019-20 School Year
Items Inspected	Repair Status	
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
Interior: Interior surfaces (floors, ceilings, walls and window casings)	Good	
Cleanliness: Pest/vermin control, overall cleanliness	Good	
Electrical: Electrical systems	Good	
Restrooms/fountains: Restrooms, sinks and drinking fountains	Good	
Safety: Fire safety, emergency systems, hazardous materials	Good	
Structural: Structural condition, roofs	Good	
External: Windows/doors/gates/fences, playgrounds/school grounds	Good	
Overall summary of facility conditions	Good	
Date of the most recent school site inspection	9/19/2019	
Date of the most recent completion of the inspection form	9/19/2019	

GYS Panthers are Prompt, Prepared and Respectful!

School Facilities

Grace Yokley Middle School provides a safe, clean environment for students, staff and volunteers. The school is situated on 20 acres. The original school facilities were built in 1982 and eventually spanned to approximately 65,000 square feet. Over time, the school grew to include a library, a multipurpose room, 38 permanent classrooms, eight portable classrooms, two computer labs, a gym and athletic field. Modernizations to the school were made in 2004 and included the replacement of 16 portable classrooms with a two-story math and science building, which consists of science labs and classrooms; and a gymnasium and stage complex, which includes boys' and girls' locker rooms and rehearsal classrooms for band and choral music. Additional projects include the expansion of the library, a new lunch shelter and renovation of administrative offices. The facility strongly supports teaching and learning through its ample classroom, playground space and a staff resource room.

Safety: The safety of students and staff is a primary concern of Grace Yokley Middle School. The school is a closed campus; all visitors must sign in at the office and wear identification badges while on school grounds. Before school, during lunch and after school, adult supervision is provided by administration, teachers and classified staff to ensure safety of the students throughout the school day.

Continued on sidebar

School Facilities

Continued from left

Cleaning Process: A team of custodians ensures classrooms, restrooms and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Mountain View School District to ascertain all classrooms and facilities are well maintained and provide a suitable learning environment.

Maintenance and Repair: District and school maintenance staffs make necessary repairs in a prompt and timely manner to keep the school in good working order. At the time this report was published, 100 percent of restrooms on campus were in good working order. We use a work-order process to maintain efficient repair service and give emergency repairs the highest priority.

School Facility Improvements: Recent improvements include the repaving and restriping of our parking lots and play areas; various painting projects; new planters and landscaping; a remodeled food-services department with additional food and supply storage; a full piano lab with full-size keyboards; an exercise and fitness room with equipment for strength training and conditioning; and modernization of technology equipment including computers, digital projectors, document cameras in every classroom, a class set of iPads and 10 class sets of Chromebooks available for teachers to use with their students.

Major facility maintenance and improvement projects are currently being paid through general obligation (GO) bonds.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Professional Development

All training for curriculum development at Mountain View School District revolves around the California State Standards and Frameworks. Topics for training are determined by teacher need and feedback from teachers and administrators and focus on priorities indicated in the Local Control and Accountability Plan (LCAP). Professional development days for 2019-20 are cumulative district days, not individual teacher days.

For the 2017-18 school year, the focus was on individualizing professional learning for teachers. Teachers in grades 4-6 were invited to participate in a two-day Summer Math Institute focusing on the Standards for Mathematical Practices. All K-5 teachers received a full day of training on our new English language arts adoption, Journeys, while our transitional kindergarten (TK) teachers received training on learning strategies for small and large group time. An additional day of training for all TK-5 teachers focused on engaging learners through the Standards for Mathematical Practices. All teachers in grades 6-8 received training on raising rigor across the curriculum. A second day of training for 6-8 teachers was department based. Our Language Arts Department received training in the use of their new instructional materials. Our Math Department received advanced training in the use of their instructional materials from the publisher. Our History-Social Science Department received training in the shifts in the framework. Our Science Department received curricular design support in the shift to Next Generation Science Standards (NGSS). Our PE and elective teachers received training in disability awareness. Teachers are also provided four half-days to meet in their professional learning communities (PLC) to evaluate student data and plan for student success. **For the 2018-19 school year**, the focus was on providing individualized professional learning. Teachers in grades TK-6 were invited to participate in a two-day Summer Math Institute. The training was provided by grade span: TK-3 and 4-6. Training was provided to all teachers (TK-8) focused on working with students with special needs. Department training was also provided in grades 6-8, targeting specified needs, which included topics such as: Next Generation Science Standards, Mathematics, Advancement Via Individual Determination (AVID) Strategies, pacing guide development and CPR & First Aid Certification. Training for specialized elective teachers was provided through state and local conferences. Ongoing training throughout the year focused on the areas of mathematics, transitioning to NGSS and supporting students with special needs. **For the 2019-20 school year**, the focus was on providing individualized professional learning. Elementary teachers in TK-5 and middle school social studies teachers in 6-8 were provided training in regards to our new board-adopted curriculum. Elementary teachers in TK-5 and middle school English language arts and mathematics teachers were provided iReady training regarding how to utilize the diagnostic and instruction components of iReady. Teachers in grades TK-8 were invited to participate in a single day Summer Math Institute. The training was provided by grade span: TK-3, 4-5, 6-8 and special education staff. A behavioral-mental health training was provided to all teachers (TK-8) focused on working with students with special needs. Department training was also provided in grades 6-8, targeting specified needs, which included topics such as: Next Generation Science Standards, mathematics, and CPR & First Aid certification. Training for specialized elective teachers was provided through state and local conferences. Ongoing training throughout the year focused on the areas of mathematics, transitioning to NGSS and supporting students with special needs.

The principal provides site-based staff development during monthly staff development meetings based on site need and priorities as determined in the Single Plan for Student Achievement (SPSA). Funding sources include Title II, Educator Effectiveness, and Local Control Funding Formula (LCFF). Other educational opportunities, including conferences and workshops, are afforded to teachers and grade levels/departments based on need. Many teachers improve their skills and knowledge of the curriculum by continuing their education through workshops, conferences and university courses.

"We believe knowledge is key—knowledge of the workplace, knowledge of our resources, knowledge of our audience and knowledge of ourselves provide the perspective necessary as we collaborate to meet the needs of our students."

Types of Services Funded

In addition to general fund and state funding, Mountain View School District received state and federal categorical funding for the following categorical, special education and support programs:

- Special Education: IDEA Part B, Section 611, Local Assistance Entitlement
- Special Education: Mental Health Services funding
- No Child Left Behind (NCLB): Title II, Part A, Teacher Quality
- NCLB: Title III, Limited English Proficiency (LEP) student program
- Medi-Cal billing
- Lottery: Instructional Materials
- Lottery: Unrestricted
- Low Performing Student Block Grant

Professional Development Days

Three-Year Data

	2017-18	2018-19	2019-20
Number of school days dedicated to staff development and continuous improvement	4	5	44

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information		Three-Year Data		
	Mountain View SD	Grace Yokley MS		
Teachers	19-20	17-18	18-19	19-20
With a full credential	104	38	37	38
Without a full credential	0	0	1	0
Teaching outside subject area of competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions		Three-Year Data		
		Grace Yokley MS		
Teachers		17-18	18-19	19-20
Teacher misassignments of English learners		0	0	0
Total teacher misassignments		0	0	0
Vacant teacher positions		0	0	0

"Our students not only excel academically, but also grow in the areas of respect, responsibility, positive relationships and leadership."

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff Data	
2018-19 School Year	
	Ratio
Academic counselors	✧
Support Staff	FTE
Counselor (academic, social/behavioral or career development)	1.50
Library media teacher (librarian)	0.00
Library media services staff (paraprofessional)	1.00
Psychologist	1.00
Social worker	0.00
Nurse	0.25
Speech/language/hearing specialist	1.00
Resource specialist (nonteaching)	0.00

Financial Data

The financial data displayed in this SARC is from the 2017-18 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data		2017-18 Fiscal Year
	Mountain View SD	Similar Sized District
Beginning teacher salary	\$50,391	\$49,378
Midrange teacher salary	\$84,308	\$77,190
Highest teacher salary	\$100,000	\$96,607
Average elementary school principal salary	\$121,249	\$122,074
Average middle school principal salary	\$122,965	\$126,560
Superintendent salary	\$196,141	\$189,346
Teacher salaries: percentage of budget	37%	36%
Administrative salaries: percentage of budget	6%	6%

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2017-18 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Grace Yokley MS	\$6,532	\$88,286
Mountain View SD	\$8,608	\$85,367
California	\$7,507	\$77,619
School and district: percentage difference	-24.1%	+3.4%
School and California: percentage difference	-13.0%	+13.7%

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2019.

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2017-18 Fiscal Year	
Total expenditures per pupil	\$7,840
Expenditures per pupil from restricted sources	\$1,308
Expenditures per pupil from unrestricted sources	\$6,532
Annual average teacher salary	\$88,286

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.
