## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

---

School Description and Mission Statement

Mission: Increase Student Achievement

Vision: Sequoia teachers will facilitate and engage students in rigorous learning by providing opportunities for collaboration and application of skills.

### School Profile

Sanger Unified School District covers approximately 180 square miles in eastern Fresno County. The District includes the City of Sanger, the communities of Centerville, Del Rey, Fairmont, Lone Star, Tivy Valley, a portion of the Sunnyside area of metropolitan Fresno, and suburban and rural areas of the cities of Fresno, Clovis, Fowler, Selma, and Parlier. Sanger Unified adjoins the school districts of Fresno, Clovis, Fowler, Selma, Kings Canyon, Parlier and Sierra Union. SUSD's Eastern and Southern areas are rich in agriculture while the Northern and Western portions are largely suburban with some agriculture. Sanger Unified serves approximately 10,900 students. The District serves six K-5 elementary schools, five K-6 elementary schools, one K-8 elementary school, one 6-8 middle school, one 9-12 comprehensive high school, one 9-12 continuation high school, one 7-12 alternative high school, one 7-12 community day school, one K-12 regional charter school, one K-8 environmental charter school and one K-8 academic charter school. Sanger Unified and all of its schools operate on a traditional school year calendar.

### Description of the School

Sequoia Elementary is located just west of the community of Sanger in the Central San Joaquin Valley. The school has an enrollment of 700 TK-6th graders. The ethnic composition is very diverse and includes the following groups: Hispanic, Caucasian, African American, Asian, and other. Socioeconomic status ranges from lower to upper middle class.

Sequoia Elementary is the newest school in the Sanger Unified School District. Sequoia Elementary is located on South Armstrong Ave., between Jensen Ave. and Church ave. in the City of Fresno. The school operates on a traditional school calendar. We are committed to providing a strong instructional program for all students to ensure excellence in education.

During the 2019-2020 school year, Sequoia will serve approximately 700 Transitional Kindergarten - sixth grade students. About 60% of these students will participate in the Free or Reduced-Priced Lunch Program. Roughly 15.5% of the students are considered English Learners.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** October 2018

Sanger Unified School District policy is to provide only standardsaligned textbooks and Instructional Materials. District adoption of newcurriculum, standards and instructional materials follow CaliforniaDepartment of Education time lines. Purchases of new texts andsupporting materials are based on district adopted curriculum standards.Texts and supporting materials are provided throughout the district ona basis of one per student. Teachers and administrators are trained ininstructional methodology (s) in each new curriculum, text or standardsadoption at the beginning of the school year. Additional training insupport of new curriculum and additional training in existing curriculumis continuous throughout each school year. Teachers and Administrators participate in district provided early release day in-services whichare scheduled most Wednesday's of the school year.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Sanger Unified retains an independent contractor to provide comprehensive facilities inspection of every school site. This inspection meets or exceeds the criteria of the State of California Williams inspection requirement. The Williams compliance inspections are done by Fresno County Office of Education (FCOE). Only one SUSD site is inspected by Fresno County Office of Education annually for Williams compliance. This site is not a FCOE inspected site. The most recent inspection, either district or Williams, available when this SARC is prepared is utilized for this report. Inspection reports are maintained at the SUSD District Office.

The rating scale used for this inspection is as follows:

99% - 100% = Exemplary: School meets most/all standards of good repair. Noted deficiencies, if any, are not significant.

90% - 98.99% = Good: School maintained in good repair with some isolated deficiencies from wear/tear or are being mitigated.

75% - 89.99% = Fair: School is not in good repair with some critical or widespread deficiencies and repairs are necessary.

00% - 74.99% = Poor: School facilities are in poor condition with deficiencies of various degrees throughout and major repairs are necessary.

The results of the most recent report available for this campus are disaggregated below.

### School Facility Good Repair Status (Most Recent Year)

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

## California Physical Fitness Test Results (School Year 2018-19)

| Grade Level | Percentage of Students Meeting Four of Six Fitness Standards | Percentage of Students Meeting Five of Six Fitness Standards | Percentage of Students Meeting Six of Six Fitness Standards |
|-------------|--|--|---|
| 5           | 19.6   | 23.5   | 19.6  |

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

---

Sequoia has a wide variety of activities for parents and community members. Sequoia actively recruits parent volunteers for school-wide activities. Parents are welcomed to help in the classroom or in the library. Parents are encouraged to participate in activities and committees such as:

PTO

School Site council

ELAC

Parent/Student/Teacher compacts

Weekly school newsletter and calendar sent to parents

Yearly parent survey

Digital community announcements

Watch DOGS

Parents are welcomed as an invaluable asset to Sequoia. Sequoia actively recruits parent volunteers, PTO, ELAC and SSC members. Parents are encouraged to assist with PTO carnival, GATE, fund-raising, and Family Fun nights. Active parent participation is strongly encouraged through special social and educational events such as:

- Parent Surveys
- SSC
- ELAC
- PTO
- Community of Caring
- Classroom Activities
- Science Fair
- Peach Blossom
- GATE

Sequoia staff communicates with our community via our website, Remind, Class Dojo, e-mails, phone calls, calendars, monthly school newsletters, conferences, meetings, homework folders, weekly/monthly classroom newsletters, and the school marquee. School policies, performance expectations, and general school/district information is communicated through the Parent-Student Handbook, which all families receive at the beginning of the school year. At Back-to-School Night, classroom and school expectations are explained. Special events flyers are sent out via Remind in English and in Spanish or other home languages when possible. School personnel and parent volunteers translate at parent meetings, SST meetings, and parent conferences as necessary.

Special events flyers are regularly sent digitally.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2019-20)

Our school site has a Safe School Plan that is reviewed and updated annually. Plans are reviewed with staff annually often at the beginning of each School Year. Our School Site Council (SSC) approves our SafeSchool Plan. Emergency drills are conducted to prepare students and staff in the event of an emergency. We strive to maintain a safe, healthful, nurturing and orderly school campus that encourages positive attitudes in students and staff. A joint effort between students and staff help keep the campus clean and litter free. Site maintenance staffs survey their campus as the first order of business each day. They insure the campus is clean, any vandalism is corrected, and that the campus is presentable and representative of the priority Sanger School Board sets on safety and appearance. Oversight of Sanger Unified Safe School Plans is through the Director of Support Services. Sequoia's Safe School Plan was reviewed with site staff in September 2019.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### Types of Services Funded (Fiscal Year 2018-19)

Local Control Funding Formula (LCFF) from the state provides general funding for the base programs and supplemental programs. The LCFF funds are distributed based on the Local Control Accountability Plan (LCAP) adopted by the SUSD board and developed by the district in conjunction with stakeholders including parents, students, school employees and other stakeholders.

**Title I, Part A** - The purpose of Title I, Part A federal funds help to meet the educational needs of low-achieving students in California's highest-poverty schools. Funds are used to support effective, research-based educational strategies that close the achievement gap between high-and low-performing students and enable the students to meet the state's challenging academic standards. All Sanger Unified Title I schools operate school-wide programs.

**Title III Limited English Proficient** - The purpose of the Title III Limited English Proficient (LEP) Student Program is to ensure that all LEP students, referred to as English learners in California, attain English proficiency, develop high levels of academic attainment in English, and meet the same challenging state academic standards as all other students.

### Professional Development (Most Recent Three Years)

| Measure   | 2017-18 | 2018-19 | 2019-20 |
|---|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement |         |         | 43      |

What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?

All of our professional development is based on the needs of our students and teachers, assessed through observations, surveys, disaggregation of SBAC data, PBIS data and other assessment data. Teachers in Sanger Unified have completed professional training courses designed to support educational priorities and objectives. Staff Development Days are designed to provide continuous learning opportunities for administrators, teachers and classified personnel.

What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?

As a district, we are committed to offering teachers a variety of professional learning opportunities and options for personalized professional development. Sanger Unified provides professional learning in all subjects (Math, STEAM, ELA, ELD, assessments etc.) for TK-6th grade teachers throughout the school year. For single-subject teachers, Sanger Unified provides two to four full days of training dedicated to specific initiatives, strategies and frameworks (Balanced Literacy, Guaranteed and Viable Instruction, ELD, Writing, Speaking and Listening, Close Reading, Project Based Learning, Universal Design for Learning, etc.) Sanger Unified also offers after-school workshops on various math instructional strategies and routines, after-school technology trainings and Universal Design for Learning trainings. Each year, we offer a district conference where teachers share their best practices with one another. Teacher leaders at all sites are given a variety of opportunities to attend national and state conferences and seminars, as to further the collective knowledge of all members of their grade level teams and learning communities. Teachers also have the opportunity to engage in personalized professional development through instructional coaching.

New to the profession Teachers are also supported through the Sanger Unified School District Beginning Teacher Support and Assessment Induction Program (BTSA) and New Teacher Support. A teacher that is teaching under a PIP or STSP, or is an Intern is assigned a mentor that provides the new teacher with a minimum of 4 hours per week of direct or indirect support for his/her individualized professional growth. In addition, the teachers attend required professional development provided by the district and school site. New teachers that have a preliminary credential participate in our formal BTSA Induction Program. Teachers participating in BTSA receive support from a trained support provider for two years. The Sanger BTSA Induction program uses the "just-in-time" concept of mentoring and the Formative Assessment for California Teachers (FACT) formative assessment to guide new teachers in their individualized professional growth plans. New teachers, along with their mentors (support providers) attend 4 Network meetings together over the 2 years. In addition, the program may offer additional professional development offerings based on participant request and through surveys that include the following: Classroom Management, Conducting Parent Teacher Conferences/Parent communication, Meeting the needs of special needs students, Technology, Writing, etc. Sanger Unified's BTSA Induction Program provides support and assessment opportunities for all first and second year Participating Teachers to increase understanding of their own professional development, which will enable them to more effectively meet the diverse learning needs of their students. The mentors, called support providers, are trained in cognitive coaching, working with adult learners, and FACT. Support Providers attend a two-day training their first year and a one day Refresher every year after. In addition SPs are required to attend an orientation, and 2 after school trainings each year to work on their mentoring skills.

How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)? With so many district initiatives, it is essential to have support for all teachers and administrators during implementation. Through many of our contracted trainings (Balanced Literacy, NGSS, UDL), our expert trainers provide on-site support and follow up personalized coaching. There are varied levels of support, both at the site and district level. At school sites, teachers are supported during implementation by their grade-level or content colleagues through Professional Learning Communities. In addition, Curriculum Support Providers, Literacy Specialist Teachers, (Teachers on Special Assignment) and administrators provide on site support. District support is provided at the PLC level through collaborative unit/lesson planning and facilitated curriculum curating experiences.

All of our professional development is based on our students and teachers needs. Teachers in Sanger Unified have completed professional training courses designed to support educational priorities and objectives. Staff Development Days are designed to provide continuous learning opportunities for administrators, teachers and classified personnel.

Sanger Unified uses Staff Development Days and support from site level Curriculum Support Providers and district level District Instructional Specialists to assist teachers in classroom instructional strategies. The district provided a strong base for Common Core English Language Arts Implementation over the last few years through professional development focused on academic vocabulary, content reading and writing, and unpacking standards. This year the district will provide an extensive Math training on the mathematical practices, math tasks, and academic discourse. Further English Language Arts professional development will focus on writing mini lessons and units.

New to the profession Teachers are also supported through the Sanger Unified School District Beginning Teacher Support and Assessment Induction Program (BTSA). Teachers participating in BTSA receive support from a trained support provider for two years. The Sanger BTSA program uses the Formative Assessment for California Teachers (FACT) formative assessment to guide "new" teachers in their professional growth. The Sanger BTSA program also provides a menu of professional development opportunities for BTSA Participating Teachers, Support Providers, and invites all teachers in the district to participate, if the topic meets their need. The menu of professional development offerings include the following: Classroom Management, Conducting Parent Teacher Conferences/Parent communication, Meeting the needs of special needs students, Technology, UDL, Writing, etc. Sanger Unified's BTSA Induction Program provides support and assessment opportunities for all first and second year Participating Teachers to increase understanding of their own professional development, which will enable them to more effectively meet the diverse learning needs of their students.

In addition to staff development days, teachers participate in workshops and conferences on the following: Literacy Strategies, Writing, Reading and Literacy Training, and ongoing SBE textbook adoption in-services are provided throughout the first 2-years of a curriculum, text implementation period. In-services in Effective Instructional Strategies, Professional Learning Communities, and strategies for English Learners are also provided.
