### School Description

The Oak Ridge staff is committed to building a community of well-rounded, confident, critical thinkers who are intrinsically motivated and empowered with a passion for learning. Students with positive character who are prepared to collaboratively work with others for high levels of success and happiness in life's path.

We continue to have our school goals reflect our mission in an effort to better meet the learning needs of our students. Our school is focused on the following six school-wide goals:

1. To decrease chronic absenteeism in grades K-2 by 10% by the end of the 2019-2020 school year.
2. Oak Ridge Elementary School will increase the number of primary students on track by 10% from 59% to 69% as measured by site phonics and fluency testing and ELA proficiency for students in grades 3-6 as measured by site comprehension testing and CAASPP ELA data will increase by 10% from 16% to 26% on track.
3. In 2019-2020, increase the percent of students on track in math as measured by CAASPP from 12% to 20%.
4. By June 2020, English Learner reclassification rates will increase from 9.3% to 12% as measured by district PATII data. Points below standard in ELA as measured by the CA Dashboard will decrease from 108.8 below standard to 78.2 below standard.
5. Develop a positive school climate that supports the social and emotional needs of all students.
6. Develop practices that enhance positive home-school relationships and empower families as partners within our school community.

Our overall approach stresses challenging and refining our belief systems, creating a healthy academic climate, and providing engaging instruction. We believe this will help all students thrive academically. We encourage students to make responsible choices through our Social Emotional Learning program that consists of a character education program, Restorative Practices, and educational resources to support our school wide themes on these topics. Students receive SUCCESS tickets by demonstrating safe, respectful, and responsible behavior.

Something genuinely special and unique about Oak Ridge is the support we get from our community partners. We appreciate the strong bonds that have been formed with Soil Born Farms, Orrick Law Firm, City of Refuge and others. Our Partnerships work closely with the school to ensure that every student receives a quality learning experience.

We recognize that, above all, our single most important partnership is the one we foster with each of our families. Parents, grandparents, caregivers, foster parents, guardians, and extended family members are encouraged to be present at school in a variety of ways. We welcome warmly the support we receive from families who read and do homework with their children, volunteer for yard duty, attend monthly community meetings, support our Family Teacher Academic Team (FTAT) family nights, and serve on traditional committees such as our School Site Council or English Learner Advisory Committee. We truly value our families, who walk their children to school day in and day out, attend parent/teacher conferences, and spend time helping in classrooms.

Our expectations for each child's personal and academic growth are backed by our commitment to ensuring each child receives the best education we can possibly deliver.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)**

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Oak Ridge Elementary School, built in 1962, received Facility Inspection Tool (FIT) overall repair rating score of "good" from its most recent facility inspection in September 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	15	20	40	43	50	50
Math	14	14	32	32	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

#### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	16.7	33.3	33.3

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)**

## Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Relevant Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

## Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Oak Ridge Elementary School and district supplemental programs and services include:

- Family Teacher Academic Teams
- Supplemental instructional materials and books
- Access to technology
- Parent Education/Family Nights
- Student/Family Services (Student Support Center Coordinator)
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Special Education
- Professional Development for staff
- Support Staff, such as social workers, instructional assistants, and a parent advisor

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
