School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Hisamatsu Tamura Elementary School serves approximately 580 students in Pre-school through 5th grade. It is located in Fountain Valley, California, and is one of 10 schools in the Fountain Valley School District (FVSD). Its high quality instructional program is designed to meet the varied needs of the student population. All students receive core curriculum instruction in accordance with the California State Standards. Students experience rigor through instruction that is re-mediated and enriched according to each student's individual needs.

Tamura's Mission, along with the Fountain Valley School District's, is to promote a foundation for academic excellence, mastery of basic skills, responsible citizenship, and a desire by students to achieve their highest potential through a partnership with home and community.

Each day the staff and students at Tamura School start the day knowing to work towards our school pledge: "Be Safe, Be Responsible, Be Respectful and Be Your Best!" Our dedication to our mission and school pledge reflect the staff and faculty's unwavering commitment to achieve excellence by providing the best education for ALL of our students. Teachers, staff, and the administration act on the principle "whatever is best for our students." Tamura is dedicated to ensure the academic success of every student through the creative and flexible teaching of the California State Standards-based curriculum, GATE clustered classrooms, differentiated small group instruction, web-based literacy and mathematical programs, embedded technology in every classroom, extended day learning programs, and on-going assessment of student progress. The plan to achieve this vision is established in the School Plan for Student Achievement. This plan is created by the Tamura School staff and governed by the School Site Council (SSC). It is a living document that is referenced, evaluated, and modified as needed by stakeholders to ensure that the instruction and curriculum are appropriate and best meet the needs of our students.

Teachers, staff, and administrators continue to act on the belief that students come first. The educational programs at Tamura are tailored to meet the needs of an ever-changing school population. Tamura School is dedicated to ensure the academic success of all students, providing a comprehensive educational experience that is the foundation of future endeavors. Parents, administrators, teachers, and support staff work as an educational team for the betterment of all students.

The Tamura staff is focused intently on implementing the Signature Practices of Fountain Valley School District including Balanced Literacy and Cognitively Guided Instruction (CGI-Mathematics). Teachers, staff, and administrators continue to act on the belief that students come first. The educational programs at Tamura are tailored to meet the needs of an ever-changing school population. Tamura Elementary School is dedicated to ensure the academic success of all students, providing a comprehensive educational experience that is the foundation of future endeavors. Parents, administrators, teachers, and support staff work as an educational team for the betterment of all students.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: October, 2019

Fountain Valley School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support instructional programs. The District held a Public Hearing on October 10, 2019, and determined that each school within the District has sufficient and good quality textbooks and instructional materials, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Standards and Frameworks and have been approved by the Board of Trustees. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

Tamura Elementary School was originally constructed in 1964 and has since been modernized with the addition of air conditioning and touch-screen display systems being installed in every classroom coming in the 2019-20 school year. The campus is currently comprised of 22 permanent classrooms, a computer lab, a library, and a spacious playground. The facility strongly supports teaching and learning through its ample classroom and recreational space.

Cleaning Process:

Tamura Elementary School provides a safe and clean environment for students, staff, and volunteers. The District's Board of Education has adopted cleaning standards for all schools in the District. Basic cleaning operations are performed on a daily basis throughout the school year with an emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair:

A routine maintenance program is administered by Tamura Elementary School's custodial staff on a regular basis, with more complex maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Fountain Valley School District's Maintenance & Operations Department to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget:

Deferred maintenance includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Fountain Valley School District did not participate in the State School Deferred Maintenance Budget Program. Fountain Valley School District sets aside funds each year to specifically address deferred maintenance needs. The passing of Measure O provided additional, much-needed funds for these types of projects.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Mathematics (grades 3-8 and 11)	82	84	73	77	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are very supportive of the educational program at Tamura Elementary School. Parents are encouraged to become involved in their child's education by volunteering at the school, participating in school activities, and joining school committees and councils.

In addition to numerous community and business partnerships, the school benefits from an extremely active Parent-Teacher Organization (PTO). The PTO sponsors numerous fundraisers, awards programs, activities, and field trips throughout the school year. Additional opportunities for parental and community involvement include, but are not limited to, the following:

- Volunteering in classrooms
- Joining the school's PTO
- Joining the Fountain Valley Schools Foundation
- Serving on the English Learner Advisory Committee
- Serving on various school committees such as School Site Council
- Supporting the Accelerated Reader program
- Assisting students with the ST Math program
- Volunteering to support the Jog-a-thon

Contact Information

Parents who wish to participate in the school's leadership teams, activities, or become a volunteer may contact the office at (714) 375-6227 or visit the school website at www.tamura.fvgsd.us. The District's website (www.fvgsd.us) also provides a variety of resources and helpful information for parents, students, and community members.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

The safety of students and staff is a primary concern of Tamura School. Students are supervised before/after school, during lunch and recess periods, by teachers, administrators, trained aides, and classified staff. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. All visitors to the Tamura must check-in and check-out through the Raptor Visitor Management System which helps to ensure an elevated level of security for the school.

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The Safety Committee reviews and updates the Safe School Action Plan each year by March 1st. Any and all revisions to the plan are immediately communicated to classified and certificated staff.

The Goals and Objectives in the Safe School Action Plan focus on three areas:

- 1) A school climate characterized by caring and connectedness,
- 2) The safe and orderly physical environment of the school, and
- 3) The health and wellness of students.

To supplement the Safe School Action Plan, every school also has a disaster preparedness plan that includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year. Tamura staff participated in professional development related to safety during the 2019-20 school year.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	8	8	6

Staff development is a priority in the Fountain Valley School District. We value the impact highly skilled instructors have on student achievement. Three days are reserved specifically for this purpose for all employees in FVSD, and an additional three days are reserved specifically for professional development related to supporting ELA, Math, and Science. During the school year, there are numerous other opportunities for teachers to attend training either before, during, or after the school day. Throughout the District, there are both school level and district-wide initiatives. Recent training initiatives in Fountain Valley School District and Tamura Elementary School include:

- Data-responsive Instruction
- Training to support reading and math intervention programs
- Technology Integration
- Site-based Professional Learning Communities
- California State Standards Math and ELA Implementation
- Training to support the implementation of ST Math
- Training on Positive Behavior Intervention Systems and Bullying Prevention
- Ongoing training to support advanced implementation of Cognitively Guided Instruction (CGI)
- Depth and Complexity training
- Special Education supports in the General Education classroom
- Reading Comprehension through Interactive Read Aloud
- Training to support the use of Fountas & Pinnell Assessment & Interventions
- Training to support the implementation and sustainability of School Leadership Team
- Peer-to-Peer Teacher Classroom Observations (within site, district, outside of district)
