## **School Accountability Report Card**

### **Reported Using Data from the 2018-19 School Year**

#### **Published During 2019-20**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Facility Conditions and Planned Improvements (Most Recent Year)

This school has 34 classrooms, a multi-purpose room, a library and an administration building. The school was constructed in 2004. The school opened in 2004.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, at the district office, or on the Internet at <http://www.antioch.k12.ca.us>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses the Facility Inspection Tool (FIT) developed by the Office of Public School Construction. The results of this survey are available at the school office, at the LEA office, or on the internet at <https://www.antiochschools.net/SARC>. Additionally, select school site staff have access to iServiceDesk to submit work requests. The Maintenance and Operations Department receives the iServiceDesk requests, reviews, and creates work orders in TMA which in turn are assigned to field personnel to address the actual issues.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	26	26	32	30	50	50
<b>Mathematics (grades 3-8 and 11)</b>	22	18	19	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

#### California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### Opportunities for Parental Involvement (School Year 2019-20)

Carmen Dragon Elementary offers multiple opportunities for parent involvement. Parents are an integral part of their child's education and their support and active involvement in their students' educational experiences is appreciated. Parents are encouraged to run for or attend School Site Council and join the English Learner Advisory Committee. All teachers welcome parents into the classroom as helpers, chaperones, classroom sponsors and visitors. Additionally, Carmen Dragon Elementary offers multiple family engagement opportunities throughout the school year including Recess Night, Winter Celebration and Field Day.

For more information on how to participate at Carmen Dragon Elementary School, please contact the school office at 925.779.7475.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

## School Safety Plan (School Year 2019-20)

The School Safety Plan is updated and approved annually by the School Site Council. The plan outlines appropriate strategies and procedures that are in place to maintain an orderly and safe environment. The safety plan includes disaster and emergency preparedness guidelines, appropriate drills and rules and procedures related to safety. Fire drills occur monthly and disaster drills occur quarterly. Visitor sign-in and sign-out is enforced. Badges are issued to all visitors and volunteers. Carmen Dragon has two way radios that are maintained by office personnel, custodian and pupil supervisors to be used for communication. AUSD has a zero tolerance policy for weapons and illegal drugs. All suspensions, expulsions and discipline are reported to the California Safe School Assessment. The annually updated safety plan will be sent to the School Site Council for approval in January 2020 and was last approved in January of 2019.

## D. Other SARC Information

### Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

In the spring of 2019 teachers and administrators were involved in a collaborative process to redesign the content and delivery system of our three professional development days for the 2019-20 school year (August 5, 2019, November 1, 2019, January 6, 2020). As a result, the delivery system changed from prescriptive to a conference style, teacher choice format. The content for each learning session is organized into three domains: Academic Content, Social and Emotional Learning, and Technology. All certificated employees in the Antioch Unified School District participate in each of the three days of training. The first day included over 50 sessions for teachers to select from based on their identify area of interest or need. The second day was a blended approach with both a variety of sessions offered by the district and site selected and delivered sessions. The final day in January was hosted at the site level and a variety of resources were provided to sites to support their team's identified focus areas for training.

Below is a listing of prioritized content based:

- i-Ready Diagnostic Assessments
- Standards Based Learning and Grading
- NGSS content standards
- History-Social Framework
- Mindfulness
- AVID Strategies
- Google Classroom
