School Description

The Crocker/Riverside Staff extends a warm welcome to all the students and their parents. Crocker/Riverside School is an excellent neighborhood school with a dedicated staff, academically-minded students, and involved and supportive parents. We are committed in all our activities to provide a quality education for all our children. Our goal is to guide children to become fully participating citizens by giving them a strong academic education in a nurturing environment that recognizes diversity, promotes healthy choices, and embraces community involvement.

Students receive a challenging and rigorous academic curriculum supported with enrichment activities, hands-on and real-life experiences, community resources, and active parent participation and involvement. Parent and community participation is outstanding and continues to provide vital assistance to our educational program. In addition to instruction in the core curriculum, students are provided learning opportunities in physical education, hands on science experiences through our Science Docent program, singing and music in the classrooms, library times, art through the Art Docent program, outdoor education through the Garden Docent program, classroom exchanges, and strong ties to the neighborhood middle and high schools, all of which enhances the school culture. There are many field trips and assembly opportunities, including annual trips to the Crocker Art Museum, a living history day at Sutter's Fort (4th Grade), Sacramento Ballet (3rd Grade), local historical sites, and a week-long outdoor science camp at Alliance Redwoods (6th Grade). Our school's Parent Teacher Organization and School Site Council are very active and highly committed to supporting and improving the educational program and school environment through their involvement with the school and its many planned school and family activities.

There are a number of before and after-school programs, provided by outside vendors, including orchestra, band, choir, coding, art, chess club, Debate Cubs, Young Actors, Girls Scouts, Cub Scouts, Early Engineers, and a running/fitness program for the students. Our 4th-6th grade students participate in District-wide flag football, basketball, and indoor soccer leagues. Before and after-school child care is provided for a fee on our campus through the Sacramento City Parks and Recreation's 4th "R" program.

Crocker/Riverside School is a wonderful neighborhood school with a tradition of high student achievement, academic success for all students, and outstanding parent involvement. We believe in our students, and their educational success is our focus.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

Crocker/Riverside Elementary School, built in 1939, received Facility Inspection Tool (FIT) overall repair rating score of "good" from its most recent facility inspection in June 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	78	82	40	43	50	50
Math	73	80	32	32	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

We welcome parents/guardians and encourage them to be actively involved with the school's program. Parent/Guardian participation and involvement are very integral pieces of our program. Parents/Guardians are involved in all aspects of the academic program. They assist teachers in the classroom with tutoring, student projects, field trips, art programs, science programs, garden programs, etc. We have parent-run docent programs that rely entirely on parent volunteers for our science, art, and garden docent programs. We have have a morning no idling curbside drop off program that relies on parents/guardians each school morning for staffing. The school also has a very strong and active PTO that supports the teachers and school by providing a variety of school events and activities that enhance and enrich the children's educational experiences. Parents/Guardians are actively recruited for school social functions, PTO events, and as school helpers/volunteers. We have a strong School Site School, currently chaired by a parent/guardian, whose membership of ten includes five parents/guardians. Many of the educational experiences for the students are made possible through the efforts of parent/guardian involvement.

In addition, many of our teaching staff members have an open door policy, where they are available to meet with parents/guardians to discuss their student's needs before or after school and via phone or email. Parent-Teacher Conferences occur twice per year, and Progress Reports are sent home up to three times per year where parents/guardians are encouraged to contact the teacher with questions or concerns. Where there are persistent academic or behavior concerns, Student Study Teams are convened, which include the parent/guardian, to discuss the concerns and implement needed student supports.

Kindergarten Orientation occurs every year prior to the start of school to welcome our new students and their families, as well as to inform them of involvement opportunities. Some of these include classroom support, docent opportunities, chaperoning field trips, and volunteering at events such as Book Fairs, Back to School BBQ, Fall Carnival, Jog-a-Thon, Pancake Breakfast, Spring Jubilee, Sports Day, Read Across America Day, Drop 'n Go, etc. Parent informational meetings are held throughout the year with regard to grade-level specific matters, including language arts and math curriculum, living history, outdoor science education, student safety, and student enrichment. Two Book Fairs are held each year, staffed by parents, including two family nights.

For more information, contact Daniel McCord, Principal at (916) 395-4535.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

School Safety Plan

Sacramento City Unified School District

Comprehensive Safe School Plan (CSSP) 2019-2020

The Comprehensive Safe School Plans (CSSP) for the Sacramento City Unified School District are revised annually to ensure the contents of the plans are uniform and updated to address the components set forth in Section 32282 of the 2019 California Education Code. This plan is a work in progress as the Safe Schools Office and the Sacramento Police Department continue to seek the most current information and advice from subject matter experts.

Currently the CSSP contains the following sections.

Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Relevant Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Crocker/Riverside Elementary School and district supplemental programs and services include:

- Class Size Reduction
- Tutoring
- Supplemental instructional materials and books
- Extended Day/Year/ Summer school
- Enrichment programs
- Access to technology
- AVID/MESA Programs
- Parent Education/Family Nights
- Social Services (Healthy Start)
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Counseling (academic and career)
- Gifted and Talented Education (GATE)
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, parent advisors, and counselors
- Supplemental Education Services
- School Choice

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
