District Mission Statement

To be a quality educational system providing the resources for all students to reach their potential in mind, body and spirit.

District Vision Statement

Clovis Unified School District strives to be America's benchmark for excellence in education.

Since opening our doors in 2004, the Fugman Marlins have established a strong tradition of excellence in educating all students. During this time, Fugman has earned many prestigious awards. These state and national recognition include the National Blue Ribbon School Award (2013), the California Distinguished School Award (2008, 2012, 2018), the California Gold Ribbon School Award (2016), the Bonner Center for Character Education Virtues and Character Recognition Award, California Business for Education Excellence Award, and the CUSD Exemplary School Award for Excellence in Education. Our academic, athletic and performing-arts programs have earned district, state and national recognition. Fugman continues to develop traditions and a deep sense of pride. Our staff is committed to high academic standards and we believe that a strong school community, a commitment to academic excellence, and involvement in co-curricular programs assists students in becoming the best they can be in mind, body, and spirit. The Marlin Educational Team is committed to the following school goals:

- Providing a quality education for all students by maximizing student achievement
 - Promoting the dignity and respect of all students through Character Counts! and Positive Behavioral Interventions and Supports
 - Ensuring a safe and positive learning environment
 - Operating with efficiency in an effective environment
 - Providing support to students in becoming a visible learner who takes ownership of their learning knows what they are learning and why, sees errors as opportunity, aspires challenge, and monitors their own progress
 - Building strong relationships with students, parents and staff to promote teamwork in pursuing the best educational system strong in growing children in mind, body and spirit
- Fugman Elementary is dedicated to maximizing the achievement of all students. Our staff is dedicated to a rigorous learning environment that utilizes technology, is engaging, and promotes collaboration and higher level thinking. We believe in educating all children, and instruction is differentiated with a variety of instructional strategies. Our response to students who struggle is timely and efficient. Co-curricular programs are of the highest quality and provide a breadth of activities so that all children find something to connect them to school. We are proud of our school and believe that the learning community fosters growth, independence and a passion for learning.

Sincerely,

Michael Olson

Principal

School Mission Statement

The mission of Fugman Elementary School is to ensure a safe, positive and cohesive environment. We are an innovative team that values character development and academic excellence. We create and promote a learning community that fosters personal growth, independence and a passion for learning. The Fugman Marlins will be the best they can be in mind, body and spirit.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Clovis Unified School District sets a high priority upon ensuring there are sufficient textbooks and materials to support the district's instructional program. CUSD Board Policy Number 3301 establishes criteria and procedures for the adoption of all textbooks. All K-8 textbooks purchased have been approved by the State Board of Education and adopted by the Clovis Unified Governing Board. Textbooks and instructional materials purchased for grades 9-12 are aligned to the state content standards and adopted by the Clovis Unified Governing Board.

The Department of Supplemental Services continues to support the school sites with funding that allows for the purchase of supplementary instructional material for our students, including English learners in grades K-12. The supplemental material is designed to accelerate pupils as rapidly as possible toward grade-level proficiency in the core subjects of English-language arts, math, social science and science. These supplemental materials are used in addition to the basic reading/language arts and other core materials provided for every student and are correlated to state content standards.

School Facility Conditions and Planned Improvements (Most Recent Year)

Built in 2004, Fugman is in its 16th year. Our campus clearly shows the pride that staff, students and parents have in our school. We provide a clean, safe learning environment. Our custodians perform basic cleaning operations daily and maintain the grounds and buildings. In addition, deep cleaning is conducted two times per year. Classrooms are assigned specific areas on campus to keep and maintain that are inspected by the student grounds commissioner weekly. The plant supervisor inspects the campus daily for safety issues. Our SART committee conducts eight clean-campus inspections each year. This committee of parents inspects the campus grounds and restrooms on a regular basis to provide feedback to our student body. Fugman received a "superior" rating on its clean-campus inspection last year.

When parents were asked to rate how well the buildings and grounds are maintained at Fugman, 97 percent of parents indicated they were "good" to "excellent." Graffiti is removed immediately. Through increased community awareness, school pride and an open-campus policy, we hope to keep vandalism and burglary to an all-time low.

In 2018-19, we educated 847 students in 28 classrooms. Three portable classrooms are used for choral music, band, cocurricular activities, after-school intervention and after school care. Another portable classroom was added for a Special Education program. Our Library Media Center has 50 newer computers and a separate professional resource area with instructional materials for staff. A lunchroom and workroom are also available for staff. Philosophically, the district believes that schools are the hub of their neighborhoods. As a result, a high priority is placed on building and maintaining excellent facilities as economically as possible. On June 5, 2012, voters within Clovis Unified School District approved Measure A. This bond measure of \$298 million was used for projects throughout the district. Funds from Measure A financed the purchase of one new school site and the construction of one new elementary school. Building additions, remodels and site improvements took place at all district schools. In addition to new construction, modernization and renovation projects occurred at several of the district's older school facilities.

In order to maintain our facilities in top condition, CUSD has utilized the services from a third party to perform the 2018-19 Williams inspection utilizing the Facilities Inspection Tool (FIT). This will allow CUSD to obtain an objective evaluation of our facilities in order to continue to maintain the safest and best facilities for students and staff.

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	87	87	71	73	50	50
Math	86	84	58	59	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parental Involvement

Fugman is fortunate to have the support and involvement of our community in the development and implementation of many new programs and activities for our students. Fugman is proud to offer a variety of opportunities for parents and community members to be involved in supporting our students in mind, body and spirit. We encourage parents, family members and members of the community to get involved in the following forums, activities and volunteer programs:

- Destination Imagination
- Robotics
- Spelling Bee
- Classroom volunteering
- Accelerated Reader volunteering
- Library media volunteering
- School Assessment Review Team (SART)
- Character Counts! Council
- Parent Teacher Club (PTC)
- Intramurals
- Fundraisers
- School Site Council
- English Language Advisory Council
- Room parent volunteering
- Intercultural and Diversity Advisory Council (IDAC)/Multicultural Committee
- Drama
- Math Olympiad
- Marlin Dads

Parents stay informed of school activities via classroom newsletters, school and classroom web pages, Parent Connect, Peachjar, Instagram, Facebook, and the weekly Marlin Messenger. Additionally, SART and IDAC/Multicultural Committee meets quarterly to provide a forum for school personnel and interested parents to meet and discuss items related to the effectiveness of the school's programs and operations.

For further details on how to become involved at Fugman, please contact Principal Michael Olson at michaelolson@cusd.com or by phone at 327-8700. Additional information can be found on our school website. Information about our PTC can be found on our school website, or in our school office. Additionally, the PTC does have a mailbox in our Fugman office.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Fugman is committed to maintaining a safe school environment. Certificated staff provides supervision before school, after school and during recess. Fugman has five campus monitors who supervise students during lunch. All visitors or volunteers must check in with the office, sign in using our Raptor system and wear their individualized printed badge while on campus. Fugman staff members serve as crossing guards who supervise and utilize safety precautions. Each year, we review and update our school safety plan with input from staff, students, parents and community members. The plan was last reviewed, updated and discussed with school faculty in the Fall semester of 2019 and will again be reviewed in December 2019 prior to the approval of our plan by our School Site Council. Students practice monthly safety drills to ensure their understanding of all emergency procedures. These include drills for lockdown, evacuation, fire and earthquakes. Each room on campus has a two-way radio and safety folder with our school safety plan. Additionally, our school has clearly identified evacuation procedure if necessary and a crisis intervention team.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5 days	5 days	5 days

Staff development is planned based on school-wide goals and on the needs of teachers and learners. Fugman staff keeps up to date on new teaching strategies and technology through release time, conferences, grade level meetings, and site/district in-services. Early student dismissal each Wednesday also provides teachers an additional 90 minutes weekly. Implementation support and additional needs are addressed as needed in site release time, staff development days, and early release days. Staff development days focused on the following areas:

- Visible Learning
- Professional Learning Communities
- Response to Intervention
- Common Core State Standards
- Mastery learning
- Technology
- Reading comprehension
- Writing skills
- Engagement strategies
- Instructional strategies
- Strategies for teaching at-risk or unmotivated students
- Science, math, and reading and writing articulation across grade levels

Topics for staff development are determined from an annual needs assessment completed by all teachers and based on the needs of the Clovis North Area. All professional development is based on latest research and best practices and is supported by our district through our Curriculum, Instruction and Assessment Department.

The district focused all professional development activities around five identified needs: first time best instruction, mastery learning, multi-tiered system of supports, implementation of the California Content Standards and NGSS Standards, and cultural relevant understanding. In the 2018-19 school year, the district dedicated five professional development days for certificated staff. Teachers were offered professional development opportunities on staff development days, substitute release days, and on early release days. A variety of after-school workshops were also offered throughout the school year. One hundred mentors and one hundred and thirty-five participating teachers received ongoing professional development and classroom coaching through the CUSD Induction program. In addition, all certificated teachers participated in site-based training and district sponsored training that included: curriculum training, utilization of AVID strategies, Visible Learning, multi-tiered systems of support, and culturally relevant instructional practices.

Types of Services Funded

“Children Are Our Most Precious Resource”

On an annual basis, Clovis Unified School District (CUSD) submits the Application for Funding Consolidated Application and Reporting System for Categorical Aid Programs commonly called CARS. The application is submitted in two (2) parts: Part I, which contains program and demographic information, is submitted by June 1 each year; and Part II, which contains the budget information and additional program data, is submitted by January 31 each year. The categorical programs included in the application are Title I, Part A – Improving the Academic Achievement of the Disadvantaged Improving, Title I, Part C – Migrant Education, Title II, Part A – Preparing, Training and Recruiting High Quality Teachers and Principals, and Title III – Language Instruction for Limited English Proficient and Immigrant Students. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child’s education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is pleased and proud to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- District Advisory Committee (DAC) and School Advisory Committee (SAC)
- District Learner Advisory Committee (DELAC)
- District Migrant Education Parent Advisory Committee (DMEPAC)
- District Indian Education Parent Advisory Committee (IPAC)

We encourage all parents and guardians to become involved with their child’s education at the classroom level the school-wide level as well as the district level. Each school’s School Plan for Student Achievement (SPSA) describes the school’s basic educational program and the categorical supplementary programs/services that are designed to support student achievement of each and every student. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site’s SPSA and to the District’s Local Education Agency Plan (LEAP). If you would like additional information on any of the District Parent Councils or Committees, please call your child’s school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you, or go: to <http://www.cusd.com/supplementalservices>.

Listed below are several parent committees that assist with categorical programs and funding.

School Site Council (SSC): All schools receiving categorical funds are required to form a SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the School Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

District Advisory Committee (DAC) & School Advisory Committee (SAC): The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities that provide services to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

English Learner Advisory Committee (ELAC): All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC provides input and makes recommendations to the principal, staff and SSC regarding services for English learners and conducts an annual survey. Members serve for two years.

District English Learner Advisory Committee (DELAC): Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site’s ELAC.

District Indian Education Parent Advisory Committee (IPAC): The CUSD Native American Indian Education Parent Advisory Committee meets four times a year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies and outreach programs. CUSD Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades K - 12. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades pre-K -12.

Local Control Accountability Plan (LCAP) Forums: CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District’s LCAP’s funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

Philosophy

All CUSD schools offer students with special needs the same kinds of high quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

Categorical Program Descriptions

After School Safety and Education Funds (ASES): This state funded and administered program provides three-year grant funding to establish or expand after school programs that provide students with academic support and intervention, enrichment opportunities and supportive services to help the students meet state and local standards in core content areas. The purpose of the ASES program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.

1. Title I, Part A (Improving the Academic Achievement of the Disadvantaged): A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
2. Title I, Part A, Title X, Part C, Education for Homeless Children and Youths: Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs.
3. Title I, Part A Equity Performance and Improvement Program: Designed to support and build capacity within school districts and schools to promote equity for disadvantaged student populations in California schools. The CEPPI will build the capacity of school districts and schools in order to implement proven or promising evidence-based program and practices, specially targeted at building equity and narrowing the achievement and opportunity gaps for all underserved students.
4. Title I, Part C (Migrant Education Program): A federal-funded program focused on providing services for migratory students and their families.
5. Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals): A federal-funded program focused on teacher and principal training and recruitment programs.
6. Title III (Language Instruction for English Learners (ELs) and Immigrants): A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.
7. Title IV, Part A Student Support and Academic Enrichment: The Student Support and Academic Enrichment program under Title IV, Part A of the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA) is a federal categorical program contained in the Consolidated Application. These funds are intended to increase the capacity of local education agencies (LEAs) to meet the goals of the ESSA by providing all students with access to a well-rounded education, improving school conditions for student learning, and improving use of technology in order to improve the academic achievement and digital literacy of all students
8. Title VI (Indian Education Formula Grant): A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall, each school will send you additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community. If you have any questions, please call your child's school or the CUSD Department of Supplemental Services @ 327.0661, additional information may be found @ <http://www.cusd.com/supplementalservices>.
