School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

We are dedicated to making Canyon View a place where each and every student will be a lifelong learner. We encourage each child to reach their full potential in our 21st century global society. We strive to create the conditions and culture which support world class learning. In conjunction with our PUSD core values, we work to establish a foundation for our students to be successful and prepared for college, career and life level thinking, problem solving and creativity. We are engaged in multi-year professional learning and collaboration around the following areas:

1. Response to Intervention and Instructions, specifically research based first based instruction
2. K-5 Implementation of our ELA curriculum, Benchmark Universe
3. Creating the conditions and culture for world class learning, for staff and students
4. Continuing our learning and implementation of Next Generation Science Standards
5. Always being student centered and future ready, with the mantra of every student, every day, whatever it takes (From Jimmy Casas', Culturize)
6. Implementation of our Innovation Station

Located in Rancho Peñasquitos, a community of San Diego located approximately 20 minutes north of downtown San Diego, Canyon View Elementary School services students in grades TK through 5. The school opened in 1987 to meet the needs of an ever-increasing community of single family homes and apartment complexes. This year's enrollment is approximately 550 students. Our maximum class size in grades K-3 is twenty-six students and fourth and fifth grades currently average thirty-three students per class. Canyon View has a strong reputation for a nurturing yet challenging community dedicated to the education of our children. Families from a variety of ethnic backgrounds make up this community. Our English Language Learners program services 111 students who speak 33 different languages. Our goal is to assist our students in becoming fully proficient in English as they participate in academic activities. Our diverse background and cultural heritage add to the richness of our learning environment and strengthen our day to day curriculum.

Students receive instruction and participate in learning activities in a variety of curriculum and subject areas. There is an emphasis at all grade levels on developing skills in literacy, writing, communication, math computation and problem solving with a special concentration on aligning our educational practices to the California State Standards. We strive to meet the needs of each child through the collaborative efforts of parents, teachers, support staff and students. There are no invisible children at Canyon View.

The Canyon View staff is the heart and soul of the school. Students walking onto campus feel the energy and enthusiasm that supports their well-being and their success in all academic endeavors. Our staff is composed of teachers with diverse interests that benefit our students with a wide variety of teaching experiences and classified personnel who work diligently to support the education of all our students.

Extended Student Services (ESS) provides on site childcare from 6:30 a.m. until 6:00 p.m. for approximately 125 students.

Our TEAM Canyon View has over 375 members who log more than 10,000 volunteer hours per year.

Communication and collaboration thrives at Canyon View. Teacher newsletters, our monthly Catching Up With the Coyotes, our Canyon View website, PTO and Foundation websites, teacher MyConnect sites and/or websites, Connect5 messages, frequent flyers, our increased presence on social media and our marquee represent the partnership that exists between parents, teachers and students. We are a vibrant learning community whose energy permeates all we do with an abundance of positive opportunities for all students. Learning doesn't happen in isolation, it a result of all stakeholders working together. Our school is extraordinary because we are a hardworking, dedicated school community that has come together holding one vision – the education of all our students!

School Facility Conditions and Planned Improvements (Most Recent Year)

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 06/2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Mathematics (grades 3-8 and 11)	75	75	67	70	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Canyon View recognizes the importance of the partnership between home and school and remains committed to supporting the village approach to teaching and learning. Parents have been included in the improvement process and serve in an advisory capacity on committees. Canyon View's parent community is rich in resources in a multitude of ways. Our PTO and Foundation work collaboratively with staff to raise funds, sponsor family activities, provide enrichment and remedial support to our academic program, and foster a community of learning where all students will reach their full potential. The following are examples of parent involvement at CVES. 1. PTO and Foundation focuses on supporting SPSA School-wide goals for improving student achievement through the coordinated funding of educational programs. 2. SSC reviews SPSA plan, makes recommendations and approves. SSC also collaborates with staff on our Safety Plan, Student Handbook, any new initiatives up for consideration.

They also approve any changes to the budget throughout the year. 3. PTO sponsors Kick-Off Ice Cream Social and Pancake Breakfast, Family Lunches, Family Movie Nights, a winter dance, Coyote Round-up, Science Fair, our yearly Canyon View's Got Talent Show, and Around the World Night with the goal to bring families together in a fun environment. 4. Parent/Teacher Conferences. 5. Parent Coaches for County Science Field Day. 6. Back to School Night. 7. Parent tutors and proctors for the Math Olympiad. 8. Parent participation on Field Trips is encouraged. 9. Parent/Teacher committee assists in maintaining a science room with standards based science activities and experiments for all grade levels. 10. Book Fair 11. Classroom support under the teacher's direction. 12. Volunteer parents come to read with struggling students. 13. Everyone A Reader Program 14. Principal Coffee Chats with a variety of focus topics, for example student safety, science, innovation

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Canyon View places strong emphasis on safety for students and staff. Emergency plans are reviewed yearly. Annual training procedures and drills for earthquakes, fire, lock down/secure campus and bus evacuation are held. All monthly and semester drills are conducted and recorded per California State Law. Maintenance staff work with a scheduled preventive program to offset costly repairs. Extended Student Services are available to students for before and after school childcare. We have a School Safety Patrol sponsored by the San Diego Police Department and Gatekeepers assist students on campus. Canyon View students are aware of behavior expectations as they are clearly stated in the Student Handbook, which is distributed to all students and parents at the beginning of the year. We have incorporated the Six Pillars of Good Character throughout our school. Our rules are discussed in class, in behavior assemblies and communicated to parents, whose signatures are required in support of our policy. We have zero tolerance when it comes to violence and hateful language. Students receive "Character Adjustment Tickets" for minor infractions, while more serious behaviors warrant a referral to the principal. These strategies are presented in library presentations. Our counselor presents lessons in the classroom and also meets with students individually or in small groups to talk about social skills. Every morning on the intercom, a Project Wisdom message is read which encourages students to make good choices. Our noon duties have attended inservices on helping students with conflict and have learned positive behavior interventions. Before and after school, we have a group of students who serve as Gatekeepers, reminding their classmates of appropriate behavior. We celebrate kindness throughout our school and classrooms. One way students are recognized for kindness is through Bucketfilling cards and rewards and are recognize weekly on our morning announcements.

Our 19-20 School Safe Plan goals are:

Social Emotional: Implement Social Thinking lessons TK-5 on size of the problem, whole body listening and perspective taking.

Physical: Continue to increase situational awareness and options based training for all key stakeholders.

Research supports the positive effects professional learning has on increasing student growth and achievement. All teaching staff is afforded the opportunity to participate in district and site sponsored professional learning. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies for implementing the California State Standards, Benchmark Universe, CAASPP interim assessments, NGSS, STEAM tools and mathematics strategies, effective use of assessments, positive discipline in-services, RTI, CORE assessments and beginning stages of cultural proficiency conversations. Teachers and administrators are actively involved in professional learning activities at the school, district, state, and national level. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.
