SPrincipal's Message

Valley Oak Elementary is a school with a tradition of excellence and a staff committed to high academic standards. The faculty is dedicated to meeting the learning needs of all students. Serving as a learning community, the parents and local businesses are involved and supportive of the educational processes at Valley Oak. The community takes pride in the fact that Valley Oak was twice recognized as a National Blue Ribbon School in 1994 and 2001 and has earned California State Distinguished School awards in 1993, 2000, 2004 and 2008. Valley Oak has been honored by the California Business for Educational Excellence (CBEE) as one of the 187 Scholar Schools in California for 2005, 2008, 2009, 2010, 2011, 2012 and 2015.

Our district motto this year is "Inspiring Excellence." Now more than ever, we want to be a support to all our students, not only in academics, but also with regard to their social and emotional health. Although Valley Oak is known for academic excellence, we also strive to be leaders and model a giving spirit. Parent Club, student council, individual staff and students lead by example through annual events such as Kids Day and Caps for Kids for Pediatric Cancer Patients. The partnership between the staff and families of Valley Oak make this school second to none in Clovis Unified! Valley Oak is a very special place; as some parents have put it, "A public school in a private school setting." The administrative team knows the names of all students and many of their families. Our school of approximately 500 students, has a small-school feel, yet offers amazing programs for students across all grade levels.

Wildcat excellence is evidenced by the numerous academic awards, science fair recipients, co-curricular honors, athletic championships, amazing visual and performing arts programs, and by the outwardly focused spirit our students exemplify every day. Valley Oak continues to encourage a balanced approach to learning with a focus on rigorous curriculum, inquiry-based learning, the arts, science in the Outdoor Learning Center (garden) and technology. Wildcat pride has continued through the decades and has evolved into a focused community of adults and children with the unwavering dedication of the Valley Oak staff.

As we enter the 2019-2020 school year, we reviewed our data from the Smarter Balanced Assessment Consortium (SBAC) standardized testing. We are proud of our students in their growth overall on these assessments. Our school achieved a proficiency level much higher than the state average in both Mathematics and English Language Arts. Having a long-standing history of high achievement, our expectation is that our students will show that again this year.

School Mission Statement

Valley Oak Elementary School will provide a quality education to its community through exemplary programs, services and activities that foster lifelong learning, service to society, and a commitment to the Sparthenian concept: "Be the best you can be in mind, body and spirit."

School Vision Statement

At Valley Oak, we strive to prepare our students to become college and career ready in preparing their foundation of lifelong learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2018-19 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	85
Grade 1	66
Grade 2	59
Grade 3	57
Grade 4	71
Grade 5	74
Grade 6	84
Total Enrollment	496

2018-19 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	2.4
American Indian or Alaska Native	0.6
Asian	7.7
Filipino	0.8
Hispanic or Latino	34.7
Native Hawaiian or Pacific Islander	0.2
White	46.2
Two or More Races	7.5
Socioeconomically Disadvantaged	28.2
English Learners	3.4
Students with Disabilities	8.9
Foster Youth	0.4

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Valley Oak Elementary	17-18	18-19	19-20
With Full Credential	23	22	23
Without Full Credential	1	1	1
Teaching Outside Subject Area of Competence	0	0	0

Teacher Credentials for Clovis Unified School	17-18	18-19	19-20
With Full Credential	♦	♦	1789
Without Full Credential	♦	♦	97
Teaching Outside Subject Area of Competence	♦	♦	88

Teacher Misassignments and Vacant Teacher Positions at Valley Oak Elementary School

Indicator	17-18	18-19	19-20
Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	
Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Clovis Unified School District sets a high priority upon ensuring there are sufficient textbooks and materials to support the district's instructional program. CUSD Board Policy Number 3301 establishes criteria and procedures for the adoption of all textbooks. All K-8 textbooks purchased have been approved by the State Board of Education and adopted by the Clovis Unified Governing Board. Textbooks and instructional materials purchased for grades 9-12 are aligned to the state content standards and adopted by the Clovis Unified Governing Board.

The Department of Supplemental Services continues to support the school sites with funding that allows for the purchase of supplementary instructional material for our students, including English learners in grades K-12. The supplemental material is designed to accelerate pupils as rapidly as possible toward grade-level proficiency in the core subjects of English-language arts, math, social science and science. These supplemental materials are used in addition to the basic reading/language arts and other core materials provided for every student and are correlated to state content standards.

Textbooks and Instructional Materials

Year and month in which data were collected: October 9, 2019

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Benchmark Education Company A Legacy of Literacy, Houghton Mifflin California Collections, Houghton Mifflin The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
Mathematics	My Math, McGraw-Hill (K-5) California Mathematics, Glencoe/McGraw-Hill (6-8) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
Science	California Science, Scott Foresman California Science, Houghton Mifflin Focus on Earth Sciences, McDougal Littell The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
History-Social Science	Discovering Our Past: Ancient Civilizations, Glencoe/McGraw-Hill Learn and Work, Scott Foresman Time and Place, Scott Foresman Reflections, Houghton Mifflin The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Valley Oak was built in 1989. We provide a clean, safe learning environment. Our custodians perform basic cleaning operations daily and maintain the grounds and buildings. Three custodians are assigned to Valley Oak. One custodian works from morning to late afternoon, a second custodian works from afternoon to night and a third custodian works from afternoon to evening. In addition, deep cleaning is conducted two times a year at each site. 100 percent of our toilets are in working condition, and if there is a problem, our custodians promptly fix them. Our School Assessment Review Team (SART) committee conducts eight clean-campus inspections each year. This committee of parents inspects the campus grounds and restrooms on a regular basis to provide feedback to our student body. Additionally, classrooms are assigned specific areas on campus to keep clean and take ownership of. Students earn a "paw" if their classroom maintains a clean and orderly lunch table. The plant supervisor also inspects the campus daily for safety issues.

The Valley Oak facility is in excellent condition. 99 percent of the parents rated the grounds "good" to "excellent." Graffiti is removed immediately. Through increased community awareness, pride and an open-campus policy, we hope to keep vandalism and burglary to an all-time low. The custodial staff is on campus until 11:30 p.m. each evening, which also helps to deter such behavior.

Valley Oak has a large, grassy playground with two baseball diamonds and one softball diamond. Fields are used for additional softball fields, track and field, football field, and three soccer fields. Students also have a large blacktop play area with 10 basketball hoops, two volleyball nets and several tetherball sets. There is also playground equipment available that meets safety standards.

The Valley Oak Library Media Center has six electronic stations for students to search for books, go online or use various computer programs. Accelerated Reader is fully operational school wide. The library has approximately 10,000 books in its collection. The Technology Center has 40 laptops, purchased by our parent club. Each classroom in grades 3-6 have 1:1 student to device ratio. Additionally, we have a fully stocked computer cart to supplement the technology needs of our K-2 classrooms. Continuing to purchase technology is on the forefront of our budgetary needs.

The district believes that schools are the hub of their neighborhoods. As a result, a high priority is placed on building and maintaining excellent facilities as economically as possible.

In June 2012, voters within the CUSD approved Measure A, a bond measure of \$298 million. Projects completed at Valley Oak included the following: a Library Media Center remodel, upgrade to the HVAC system, technology updates, Americans with Disabilities Act (ADA) compliance and other site improvements. Modernization and renovation projects were completed in November 2014. Another bond measure is being put before the voters March 2020, primarily for the expected growth of our district.

All teachers and support staff are provided with their own classroom or office. With the passage of the pre-vious bond measure, the following modernization projects were completed. These projects have provided even more exemplary facilities for our students, staff and community:

- New Library Media Center
- New teachers' workroom
- New parking lot
- New playground equipment
- New storage units in the four existing portables
- Modified administration office
- New technology classroom

During the summer and fall of 2014, the most extensive modernization took place on the Valley Oak campus.

Upgrades included:

- Security-camera installation
- New HVAC system
- Remodel of the Library Media Center
- Installation of new carpet for the remainder of the campus
- Remodeled student restrooms
- Upgraded network capabilities
- Upgraded fire-alarm system
- New flooring, lighting and sound system in the multipurpose room

During the summer of 2016, new drought-tolerant landscape was installed in the interior of campus. This included several new trees that replaced those that were lost because of the drought. This additional land-scaping has brought new life to our already beautiful school environment.

School Facility Good Repair Status (Most Recent Year)
Year and month in which data were collected: 9/4/2019

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	R-3, 9: Water Stains Ceiling Tiles; R-16: Ceiling Tile Has Hole
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	R-16: Outlet Cover Is Missing At Overhead/ Exposed Wires
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	R-10, 18, 17: Items Are Stacked On Shelves (Earthquake Hazard); Boys Rr: Paint Is Peeling On Door Frame
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	K- Play Yard: Trip Hazard From Play Structures To Concrete (Raised Concrete From Wood Chips); Mpr: Base Of Door On North Wall Is Bent And Broken
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	80	80	71	73	50	50
Math	75	73	58	59	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Grades Five, Eight, and Ten

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	18.7	14.7	49.3

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	283	281	99.29	79.72
Male	146	145	99.32	75.86
Female	137	136	99.27	83.82
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	27	27	100.00	81.48
Filipino	--	--	--	--
Hispanic or Latino	104	104	100.00	76.92
White	123	122	99.19	81.97
Two or More Races	18	17	94.44	76.47
Socioeconomically Disadvantaged	84	83	98.81	69.88
English Learners	24	24	100.00	66.67
Students with Disabilities	19	19	100.00	42.11
Homeless	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2018-19 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	283	279	98.59	73.12
Male	146	145	99.32	75.86
Female	137	134	97.81	70.15
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	27	27	100.00	88.89
Filipino	--	--	--	--
Hispanic or Latino	104	102	98.08	63.73
White	123	122	99.19	77.87
Two or More Races	18	17	94.44	76.47
Socioeconomically Disadvantaged	84	83	98.81	59.04
English Learners	24	24	100.00	70.83
Students with Disabilities	19	19	100.00	31.58
Homeless	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

-Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

-Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Valley Oak enjoys the benefits of a very supportive community. The school provides a variety of options for the parents and guardians seeking active involvement in their child's education. We believe the connection between home and school is the most important way to help all students achieve!

Parents are invited to become members of the following committees and activities:

- Valley Oak Parent Club (VOPC)
- School Assessment Review Team (SART)
- School Site Council (SSC)
- SPECTRUM: Students & Principal Embracing Cultures Together Reaching for Understanding & Meaning
- The Green Team, which helps design, coordinate and deliver educational lessons in the Outdoor Learning Center (garden)

Parents may also assist the school by volunteering in the following capacities:

- Yearbook Advisor
- Classroom volunteer
- Art docent
- Library assistant
- Athletic coach
- Destination Imagination coach
- Robotics coach
- Room parent
- Spirit sales/snack-bar coordinator
- Garden docent

Over the past several years, 300-plus parents have volunteered and truly made a difference for our students. For further information on how to become involved at Valley Oak, please contact the president of the Parent Club, Becca Kizirian, at (559) 327-8200 or valleyoakparentclub@gmail. com.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan**School Safety**

Supervision is provided before and after school with campus monitors and administration supervising students during lunch. All visitors and volunteers are required to check in at the office and wear an identification badge. This year we have implemented a new visitor and volunteer check in system called Raptor. This system adds another layer of safety for our campus. Staff, parents and community members review and update the school safety plan annually. It is currently in the process of the annual update. Valley Oak is committed to maintaining a safe school environment. On the 2019 parent survey, 97 percent of the parents and guardians rated school safety as superior. Monthly safety drills are practiced with the students to ensure their understanding of all emergency procedures. These include lock down, school alert, evacuation, fire drill, power outage and earthquake procedures. Key elements of the plan include monthly safety drills and crisis-intervention plans.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19
Suspensions Rate	2.3	1.3	1.5
Expulsions Rate	0.0	0.0	0.0

Suspensions and Expulsions for the District	2016-17	2017-18	2018-19
Suspensions Rate	4.3	3.9	3.7
Expulsions Rate	0.1	0.1	0.1

Suspensions and Expulsions for the State	2016-17	2017-18	2018-19
Suspensions Rate	3.6	3.5	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselor*	.0

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2018-19)

Title	Number of Full-Time Equivalent (FTE)
Counselor (Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	1
Library Media Services Staff (Paraprofessional)	
Psychologist	.4
Social Worker	
Nurse	.5
Speech/Language/Hearing Specialist	1
Resource Specialist (non-teaching)	
Other	

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2016-17 Average Class Size	2016-17 # of Classes* Size 1-20	2016-17 # of Classes* Size 21-32	2016-17 # of Classes* Size 33+	2017-18 Average Class Size	2017-18 # of Classes* Size 1-20	2017-18 # of Classes* Size 21-32	2017-18 # of Classes* Size 33+	2018-19 Average Class Size	2018-19 # of Classes* Size 1-20	2018-19 # of Classes* Size 21-32	2018-19 # of Classes* Size 33+
K	23	2	1	1	16	3	3		17	2	3

Other**												

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

** "Other" category is for multi-grade level classes.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5 days	5 days	5 days

Staff development in-services are scheduled prior to the beginning of the school year as well as throughout the year based on input gathered from the entire staff.

Valley Oak keeps abreast of new teaching strategies and technology with release time for a variety of conferences, grade-level meetings and in-service experiences. Early student dismissal on Wednesdays also provides teachers an additional 90 minutes each week to collaborate and articulate with other grade-level teachers in professional learning communities.

The administration fully supports all staff development with fiscal and personnel resources and personal participation. Staff training is consistent with the school goals for curriculum, instruction and assessment for improved student achievement. The curriculum and instruction department offers additional trainings and in-services throughout the year.

Over the past several years, there has been a focus on meeting the students' social emotional needs as well as academics. Recent professional development has centered around early childhood trauma and its effects on the brain. Valley Oak is in the initial stages of becoming a trauma informed school.

Valley Oak has also received training in Kagan Cooperative Learning Strategies in grades 1-6. These strategies taught to the students increase the level of engagement of all students regardless of ability. Teachers have reported that students are more engaged and are working closely with students they might not normally have worked with.

Through the Local Control Accountability Plan (LCAP) funding, a teacher on special assignment works with our staff in the area of technology and comes on site to work with students and teachers to utilize the many technologies available to them. Our Clovis West area has also hired a transition counselor and learning director to assist students in the transition from elementary to middle school. Each school has a dedicated person who works two days a week—or more as needed—with our students who do not have a support system at home, mentoring them to be on the path to college. These individuals work with the students in goal setting and building a trusting relationship with another adult on campus who cares about their progress and emotional well-being.

The district focused all professional development activities around five identified needs: first time best instruction, mastery learning, multi-tiered system of supports, implementation of the California Content Standards and NGSS Standards, and cultural relevant understanding. In the 2018-19 school year, the district dedicated five professional development days for certificated staff. Teachers were offered professional development opportunities on staff development days, substitute release days, and on early release days. A variety of after-school workshops were also offered throughout the school year. One hundred mentors and one hundred and thirty-five participating teachers received ongoing professional development and classroom coaching through the CUSD Induction program. In addition, all certificated teachers participated in site-based training and district sponsored training that included: curriculum training, utilization of AVID strategies, Visible Learning, multi-tiered systems of support, and culturally relevant instructional practices.

FY 2017-18 Teacher and Administrative Salaries

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$40,914	\$48,612
Mid-Range Teacher Salary	\$64,773	\$74,676
Highest Teacher Salary	\$87,991	\$99,791
Average Principal Salary (ES)	\$109,974	\$125,830
Average Principal Salary (MS)	\$113,593	\$131,167
Average Principal Salary (HS)	\$124,720	\$144,822
Superintendent Salary	\$230,000	\$275,796

Percent of District Budget	District Amount	State Average for Districts In Same Category
Teacher Salaries	34%	34%
Administrative Salaries	5%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

"Children Are Our Most Precious Resource"

On an annual basis, Clovis Unified School District (CUSD) submits the Application for Funding Consolidated Application and Reporting System for Categorical Aid Programs commonly called CARS. The application is submitted in two (2) parts: Part I, which contains program and demographic information, is submitted by June 1 each year; and Part II, which contains the budget information and additional program data, is submitted by January 31 each year. The categorical programs included in the application are Title I, Part A – Improving the Academic Achievement of the Disadvantaged Improving, Title I, Part C – Migrant Education, Title II, Part A – Preparing, Training and Recruiting High Quality Teachers and Principals, and Title III – Language Instruction for Limited English Proficient and Immigrant Students. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child's education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is pleased and proud to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- District Advisory Committee (DAC) and School Advisory Committee (SAC)
- District Learner Advisory Committee (DELAC)

- Intercultural and Diversity Advisory Council (IDAC)
- Local Control Accountability Plan Public Forums (LCAP)

We encourage all parents and guardians to become involved with their child's education at the classroom level the school-wide level as well as the district level. Each school's School Plan for Student Achievement (SPSA) describes the school's basic educational program and the categorical supplementary programs/services that are designed to support student achievement of each and every student. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site's SPSA and to the District's Local Education Agency Plan (LEAP). If you would like additional information on any of the District Parent Councils or Committees, please call your child's school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you, or go to <http://www.cusd.com/supplementalservices>.

Listed below are several parent committees that assist with categorical programs and funding.

School Site Council (SSC): All schools receiving categorical funds are required to form a SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the School Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

FY 2017-18 Expenditures Per Pupil and School Site Teacher Salaries

Level	Total	Restricted	Unrestricted	Average Teacher Salary
School Site	\$4,939	\$21	\$4,917	74,275.36
District	N/A	N/A		\$70,643.00
State	N/A	N/A	\$7,506.64	\$82,403.00

Percent Differences	Unrestricted	Average Teacher Salary
School Site/District		5.0
School Site/ State	-41.7	-10.4

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

District Advisory Committee (DAC) & School Advisory Committee (SAC): The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities that provide services to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

English Learner Advisory Committee (ELAC): All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC provides input and makes recommendations to the principal, staff and SSC regarding services for English learners and conducts an annual survey. Members serve for two years.

District English Learner Advisory Committee (DELAC): Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site's ELAC.

District Indian Education Parent Advisory Committee (IPAC): The CUSD Native American Indian Education Parent Advisory Committee meets four times a year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies and outreach programs. CUSD Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades K - 12. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades pre-K -12.

Local Control Accountability Plan (LCAP) Forums: CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

Philosophy

All CUSD schools offer students with special needs the same kinds of high quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

Categorical Program Descriptions

After School Safety and Education Funds (ASES): This state funded and administered program provides three-year grant funding to establish or expand after school programs that provide students with academic support and intervention, enrichment opportunities and supportive services to help the students meet state and local standards in core content areas. The purpose of the ASES program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.

1. Title I, Part A (Improving the Academic Achievement of the Disadvantaged): A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
2. Title I, Part A, Title X, Part C, Education for Homeless Children and Youths: Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs.
3. Title I, Part A Equity Performance and Improvement Program: Designed to support and build capacity within school districts and schools to promote equity for disadvantaged student populations in California schools. The CEPIP will build the capacity of school districts and schools in order to implement proven or promising evidence-based program and practices, specially targeted at building equity and narrowing the achievement and opportunity gaps for all underserved students.

4. Title I, Part C (Migrant Education Program): A federal-funded program focused on providing services for migratory students and their families.
5. Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals): A federal-funded program focused on teacher and principal training and recruitment programs.
6. Title III (Language Instruction for English Learners (ELs) and Immigrants): A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.
7. Title IV, Part A Student Support and Academic Enrichment: The Student Support and Academic Enrichment program under Title IV, Part A of the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA) is a federal categorical program contained in the Consolidated Application. These funds are intended to increase the capacity of local education agencies (LEAs) to meet the goals of the ESSA by providing all students with access to a well-rounded education, improving school conditions for student learning, and improving use of technology in order to improve the academic achievement and digital literacy of all students
8. Title VI (Indian Education Formula Grant): A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall, each school will send you additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community. If you have any questions, please call your child's school or the CUSD Department of Supplemental Services @ 327.0661, additional information may be found @ <http://www.cusd.com/supplementalservices>.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
