**Principal:** Michelle Jenkins

**Phone:** 916-683-3073

**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019 - 2020)

In 2019, Elitha Donner Elementary School was recognized for successful Positive Behavioral Intervention and Supports (PBIS) implementation at the PLATINUM level by the California PBIS Coalition. This recognition reflects our school's success in creating a positive and rigorous learning environment for our students. PBIS is a systems approach for establishing the social culture and behavioral supports needed to provide all students equal opportunities to learn in a culturally responsive, physically and emotionally safe environment. STOP, WALK, TALK is our school-wide bullying prevention program, which is taught and reinforced.

Donner's educational program features a wide range of student services to accommodate various learning levels and styles. The school offers general education and special education programs designed to meet student's individual needs, which include an integrated preschool PALSS class and three preschool special day classes, four PALSS classes a Pre-K Special Education Assessment Center, a Learning Resource Center, and a full inclusion program.

Motivated by a school-wide commitment to equity and accountability, Donner staff participates in Professional Learning Communities where academic, social, emotional, and behavioral data are analyzed to inform planning, instruction, and interventions that are aligned with California's Common Core State Standards.

Parents, family, and neighbors embody the core of Donner's community-wide network of support. The staff designs opportunities for all to be fully engaged in goal setting, planning, and execution of efforts to promote the success of all students. Parents are an important part of the Elitha Donner Elementary School family.

School wide communication folders go home each Monday. Additional information can be found on the marquees on the corner of the school campus and above the Multipurpose Room. For more specific information, please continue to view our Elitha Donner Elementary School website at <http://blogs.egusd.net/donner> or visit us on Facebook at <https://m.facebook.com/elithadonnerelementaryschool/>. Elitha Donner teachers and staff can also be reached by calling the school office at 683-3073.

Sincerely,  
Michelle Jenkins  
Principal

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## School Facility Conditions and Planned Improvements (School Year 2019 - 2020)

The school is named in honor of twelve-year-old Elitha, daughter of George Donner. Little Elitha was one of the fortunate survivors of the Donner Party tragedy of the Sierra in the winter of 1846-47. Elitha Cumi Donner Wilder lived the rest of her life in the Elk Grove area and is buried in the Elk Grove Cemetery. She is Elk Grove's golden link to the early settlement of California and a symbol of hope for children everywhere. A new permanent set of buildings was constructed at the Elitha Donner site in 1996 to supplement the portable buildings that were used when the school first opened in 1994 as a "hopscotch" school. The school now has 33 classrooms, a multipurpose room, a library, a computer lab, a wellness room, a reading room, and an administration building. Our school houses the EGUSD's Pre-K Special Education Assessment Center, which provides assessments for preschool students' academic and social capacities. In addition, The Elk Grove Adult and Community Education department offers adult ESL classes on The Elitha Donner campus on Tuesday and Thursday evenings.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Our custodial crew takes pride in the cleanliness and maintenance of our school. To help with their efforts, our Campus Beautification and Garden Academy are in full effect with our students and teachers monitoring the cleanliness of our school grounds. Each morning the custodian inspects the school prior to students and staff arrival. Restrooms are inspected throughout the day to ensure that they are adequately stocked and sanitary. Logs are kept in all bathrooms. Monthly facilities check lists are completed and approved. Areas of need are immediately addressed to ensure that our students and staff are provided with a clean, safe, and functional learning environment. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school or district offices.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Priorities identified at Donner: • Major building systems upgrades including heating and air conditioning, alarms and intercom system. • Security measures including camera systems • Technology improvements • Restroom renovations • Play field and playground improvements • Drinking fountains • Interior and exterior paint • Carpeting and flooring improvements Project priorities will be determined by the Board of Education. Not all priorities are guaranteed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	38%	35%	45%	45%	38%	39%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2019 - 2020)

Elitha Donner ES values our parents and families involvement and offer many opportunities for parents to participate in classrooms and support school activities and events. To volunteer please contact your child's teacher or the school office. See our school's website to learn how you can participate in our 5 STAR Parent Recognition Program. Learn more about our PTA at <http://blogs.egusd.net/donner/pta>, [elithadonnerpta@gmail.com](mailto:elithadonnerpta@gmail.com) or <https://www.facebook.com/ElithaDonnerElementaryPTA> or contact Courtney Aroezna PTA President at 916-683-3073.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2019 - 2020)

In July of 2019, our school's Comprehensive Safe School Plan (CSSP) and Crisis Response box were updated and reviewed with staff. Included in the plan are monitoring practices that not only address student safety during school hours, but before and after school as well. All campus gates are secured at the beginning of the school day. Visitors entering campus must sign in and wear a visitors badge during their time on campus. 'Emergency Procedures' flip charts are located on the wall in every classroom for immediate access. Students and staff participate in monthly fire drills and quarterly lock down and earthquake drills. A number of staff are CPR, Epi-Pen, & AED trained. This training is certified every year. Our district's Safety and Security department also works with our school site to provide a safe, secure environment for all.

## Types of Services Funded (Fiscal Year 2019 - 2020)

Our site has specialized programs designed to support student achievement and engagement. School Wide Positive Behavior Intervention and Supports (PBIS) is a critical framework for a positive school climate. Our school's enrichment learning program is designed for pupils demonstrating a willingness to be challenged to learn at a faster pace, with greater depth in curriculum and above that of his/her grade level standards. Visit our website for information. "After School Academies" offer enrichment and student support. Academic Enrichment opportunities include: Accelerated Reader (AR) and Kinder reading program, National Elementary Honor Society, Student Leadership, Spelling Bee, Spanish, and a Science Fair competition. Visual and performing arts opportunities include: Art, Choir, Band, Drama and Media Production academies. Students are encouraged to be active by taking part in the Garden Academy, Running Academy, Basketball, and Volleyball. \*Academies are subject to change yearly.\*

## Professional Development

Elementary students in all EGUSD schools are being taught curriculum in all content areas that is designed to prepare students to meet the expectations of the Common Core State Standards (CCSS). Find more information about Common Core: at <http://blogs.egusd.net/ccss>. Our school participates in both district and school site professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Motivated by a school-wide commitment to equity and accountability, Donner staff participates in Professional Learning Communities. Within these groups, academic, social, emotional, and behavioral data are analyzed to inform planning, instruction, and interventions that are aligned with California's Common Core State Standards. As part of the Laguna Creek Regional format, our teachers participate in articulation, observation, and training from a Kindergarten through 12th grade perspective. Our District's Instructional Coaches support the professional learning which emphasizes ELA, EL, and math instruction, Special Education, and intervention strategies.
