School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Loma Vista Elementary is a vibrant and engaging Title 1 school that has served students continuously since 1957. Loma Vista continues to commit to student achievement through rigorous curriculum and a commitment to engaging all students including Students with Disabilities, English Language Learners and Socioeconomically Disadvantaged learners. Loma Vista is comprised of a variety of students including 66% Hispanic or Latino, 23% White, 5% Asian and 6% Other. Loma Vista will ensure that all students actively engage in rigorous learning experiences as they acquire the skills and knowledge necessary to serve as positive, responsible and contributing global citizens within a technology-rich and diverse community. Loma Vista provides an engaging and dynamic learning environment for all students, utilizing research-based curriculum and activities to nurture academic and social emotional growth.

In the 2019-2020 school year, Loma Vista will develop systems of support for continuous improvement and achievement in all academic areas for all students with a lens on at-risk subgroups, including English Language Learners, Students With Disabilities and Socioeconomically Disadvantaged.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Loma Vista campus is located on a 10-acre property and was opened in 1957 and has continuously served students since. As the student population increased, portable classrooms were added to the property. The facility is very clean and well-maintained through the service of two site custodians and the district maintenance staff. Loma Vista meets the state requirements for handicapped. The PTO, grant funding and School Site Council have utilized funds to create a school garden, develop a school Innovation Lab, and modernize the Library in recent years.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	46	51	53	53	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

There are many opportunities in the district for parental involvement through participation in parent surveys, support organizations, booster clubs, school site councils, ELAC, DELAC and district-level advisory committees with the superintendent.

Parents at the school participate in activities such as the Parent Teacher Organization (PTO), Loma Vista Dads (LVD), School Site Council (SSC), English Learner Advisory Committee (ELAC), parent volunteer opportunities in the classroom, volunteering with Physical Education, music or art programs both in and out of the classroom, and various school or PTO sponsored functions including the Cougar Trek fundraiser, annual Spring Carnival, Astronomy Night, Father-Daughter Dance, Mother-Son Bingo Night and more! Parents are an integral part of our school community and their daily presence on the Loma Vista campus serves as a testimony to their commitment to support the students, the school, and the community. Informally, our parents provide classroom support, financial support, academic support, and program support on a daily basis. Funding from the PTO provides assemblies both during and after school, enrichment programs, teacher supplies, school community social events and school improvements. For more information on how to become involved at the school, please contact Lauren Steinmann at (714)730-7528.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Date Last Reviewed by School Site Council (SSC): 9/6/18 - Pending approval January 9, 2020

Date Updated and Approved by School Site Council and TUSD: 2/5/19 - Pending approval January 9, 2020

Date Discussed by Staff: 8/10/19

Our School Safety Plan includes the following elements: Child abuse reporting procedures, disaster procedures, routine and emergency (SEMS); suspension, expulsion, or mandatory expulsion recommendations; procedures to notify teachers of dangerous pupils; discrimination/harassment policy; provisions of any school-wide dress code; procedures for safe ingress and egress; safe and orderly environment; rules and procedures on school discipline and dress code; hate crime reporting; school safety goals and objectives. We run monthly drills and work closely with our Student Services department to ensure that we have updated procedures and practices in place to ensure school-wide safety.

Key Elements: The Loma Vista staff and parents have developed a comprehensive school safety plan for the safety and well-being of all students and staff throughout our regular school year and in the event of an emergency. We maintain first aid backpacks and lockdown classroom buckets and evacuation and emergency crisis plans are visibly posted in every classroom. The safety plan mandates emergency and earthquake preparedness drills and staff in-services in crisis response and systematic campus supervision. Our students understand the importance of safety drills and are commended for their adherence to our procedures during emergency drills.

Types of Services Funded (Fiscal Year 2018-19)

Loma Vista Elementary School receives funding for categorical programs focused on ELL and At-risk students that are available at our school site in addition to base funding to support all students. These program funds include LCFF-EL and Schoolwide Title I Program funds. The Tustin Public Schools Foundation and site PTO/PTA also supports the school with donations and financial support throughout the year to support school-wide programs and events for students. The school's School Plan for Student Achievement (SPSA) identifies student needs and addresses specifically how these categorical funds will support student learning and achievement through a Multi-Tiered System of Supports. The categorical funds are used to provide tiered and targeted supports or interventions for at-risk students in the areas of academics, behavior and social-emotional learning, and absenteeism, professional development, instructional materials, additional personnel to support all students in accessing academic standards, and technology resources.

Loma Vista Elementary School receives categorical funding in the areas of Title I and Local Control Funding Formula - ELL. Rationales for expenditures must be provided, aligned, and approved prior to purchase and use. Programs purchased to support student learning include: Fountas and Pinnell's Leveled Literacy Intervention, Fountas and Pinnell leveled readers, Lexia digital reading intervention, Freckle Math, Starfall, Epic!, Fountas & Pinnell Phonics, Spelling City, BrainPop, ABCMouse and RAZ Kids. The school's School Plan for Student Achievement (SPSA) identifies student needs and addresses specifically how these categorical funds will be utilized to support student learning.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	11	11	11

Tustin Unified School District provides dedicated time for professional development for all staff. Schools often provide additional professional development time based on specific school-site scheduling and budgetary decisions. The District provides intensive workshops in August during the week before school starts to provide teachers with new knowledge and enhanced skills for the upcoming year. Staff development opportunities are also offered after school and by release time throughout the school year. Additionally, professional development is provided one non-student day in the fall and one afternoon per month after school. New teachers are provided an extensive new teacher training program throughout the year to support their implementation of effective instruction. In regards to our educational programs and instruction, our dedicated teachers engage in collaborative planning two Wednesdays each month and each Friday during student PE time in their Professional Learning Communities. Inside of these meetings teachers engage in different data analysis exercises around results yielded from: Math Expressions pre and post assessments, Math Common Assessments, Cognitively Guided Instruction (CGI) problem solving, Math Workshop, Lexia reading intervention, Running Records, writing assessments and CAASSP Interim Assessment Blocks (IAB). Data is utilized to determine needs for next steps with regards to appropriate instructional pathways for learning. Teachers determine where reteaching and interventions are needed from these data, as well. Once a month we have a staff Lab Day focused on Balanced Literacy, Math routines and Next Generation Science Standards. The principal provides Staff Professional Development meetings that focus on the processes of Differentiation, Best First Instruction, CGI, English Language Development (ELD) support and differentiating instruction, Positive Behavior Intervention School-wide Support Systems, STEM (Science, Technology, Engineering and Math), social emotional learning, data interpretation and analysis. Along with the full implementation of ELD, we continue to refine Multi-tiered Systems of Support in order to meet the needs of all learners in the area of language arts. We continue to work on implementing the systems and processes of a Professional Learning Community (PLC) school culture, as well. Monthly the Lead Learning Team (LLT) meets to discuss school-wide timelines, data, systems and collegial support strategies - with a driving purpose of impacting student learning. Teachers are supported with opportunities for learning walks, additional resources, and TUSD professional development opportunities. Teachers are also provided the support of a TUSD Connect-Curriculum Coach as they strive to implement rigorous standards, using highly engaging strategies, supported with meaningful technology experiences for students. The professional development focus each year centers on the Signature Practice of the school.
