School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements (Most Recent Year)

Fremont School is located at 1120 W . 22nd Street in Central Merced. It is situated in an older, but attractive busy area of the community. This location provides the school and its students a safe, somewhat sheltered environment. Area residents take pride in their neighborhood school and provide a watchful eye during non-instructional times. The school grounds at Fremont reflect a safe and inviting appearance. The school's perimeter is lined with a six-foot cyclone fence which maintains a secure area for students. Fremont School is comprised of 5 main buildings which house the majority of the classrooms and offices with approximately 13 portable classrooms. The school design provides features that enhance safety in a secure, physical environment for all students. The school also has a partnership with the Merced Police Department. Campus security is further supported by trained noon-duty campus supervisors who monitor students under the direct supervision of the site administrator. We have crossing guards at R and 22nd Streets, S & 22nd Streets and at the corner of 21st & S Streets. Floor coverings were replaced in several classrooms in 2013. Four new portable classrooms and new parking lot were added in 2014-15. Upgrades made during 2015-16 include the installation of new surveillance equipment and security fencing around the perimeter of the school. During 2016-2017 the electronic security entry gate was installed and drinking fountains refurbished. 2017-2018 brought the demolition of an old portable classroom unsuitable for student housing. School was completely modernized and while most of the work was done during the 2018-19 school year, there was some work occurred during the 2019-20 year. The Facility Inspection occurred on 12/16/19.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: December 2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	21	26	25	27	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Merced City School District and Fremont Elementary School strive to provide ample times for parents, guardians, grandparents, and community members to come together to provide a positive academic, physical, and emotional opportunity to student success. The opportunities are divided into three functions of parent input. Parent's wanting to help can participate in any of the 47 events listed and displayed on the Fremont website at <http://www.mcsd.k12.ca.us/Fremont>. Parents seeking help are cordially invited to attend the Parent Clinics with topics including academics, positive behavior supports, parent institutes, community workshops, and Parent Coffee Meetings. These are also displayed on the parents tab of the Fremont Website. The final faction of engagement opportunities for parents may be located under the tab for parents wanting to be parent-leaders at Fremont. Our School Site Council, Parent-Teacher Club, Safety Committee, and the English Language Advisory Committee are all areas parents can engage as leaders. All parents are included in the Local Control Accountability Planning Sessions and updates are given in all parent meetings. These opportunities are in addition to Back to School Night, Open House, Family Movie Nights, Family BBQ's, Fall Festivals, Pioneer Day Events, Awards Ceremonies, and seasonal events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern of Fremont Elementary School. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student body and staff safety during a disaster. Fire drills are held monthly while other disaster drills are conducted on a regular basis throughout the school year. Teachers, administrators, and classified staff members all help monitor the school grounds before, during, and after school each day. All visitors are required to check in at the office before entering the campus and wear a visitor's badge throughout their stay. The School Safety Plan was implemented in the 1998-99 school year and is revised and updated annually in order to ensure that it is properly implemented. The plan's policies are reviewed with administrators, staff and student body at the beginning of each school year. The school safety plan was reviewed, updated, and discussed with school faculty and a student representative on October 30, 2019.
