Superintendent's Message

Dear PYLUSD Families,

On behalf of our Board of Education, I want to wish you and your family an exciting and successful start to the 2019-20 school year in the Placentia-Yorba Linda Unified School District (PYLUSD). I would like to take a moment to share a few updates regarding our district's strategic plan, known as The PYLUSD Advantage, and our ongoing efforts surrounding the plan's focus areas.

The PYLUSD Advantage serves as a compass to our decision-making and ensures that our students will have the advantage of an outstanding education. It is more than just a document, but rather a road map that outlines the reason we exist, the direction that drives us, what we stand for and so much more.

Earlier this year, a group of dedicated stakeholders including parents, students, community members, business and civic leaders, and our outstanding staff joined together to revise The PYLUSD Advantage that spanned from 2013 through 2018. This process required great attention to detail as the group carefully considered recent stakeholder survey data collected from PYLUSD families, students and employees. It involved many hours of commitment in order to build upon the plan's historic success. Now a finished product, the newly updated Advantage will be utilized from 2019 through 2024. It will continue to shape the future of our school district and can be viewed online anytime at www.pylusd.org/advantage.

The PYLUSD Advantage identifies five focus areas developed to direct the actions of our district. They are essential to the academic growth of our students and the sustained excellence of our organization. Our five focus areas are academic achievement, effective instruction and leadership, engaged community, safe and respectful environment, and optimized resources.

Focus Area 1.0: Academic Achievement is the core of our district's mission and vision. In PYLUSD, students are provided an array of enrichment opportunities to expand their educational experience. New this school year, five PYLUSD elementary schools will be participating in our full-day kindergarten pilot program. This includes Brookhaven, Glenknoll, Morse, Topaz and Woodsboro elementary schools. Our full-day program will be grounded in developmental research to ensure all participating students receive strong academic foundational instruction as well as additional time to participate in enriched visual and performing arts activities. Through the gift of additional time, students will have the opportunity to interact with other students during purposeful play, physical education, computer lab, library, music and movement, hands-on science and many other extended lessons. With the anticipated success of the pilot, PYLUSD hopes to expand the full-day kindergarten program districtwide for the 2020-21 school year.

Focus Area 2.0: Effective Instruction and Leadership ensures our district attracts, trains, and retains employees and strategic leaders who embrace our vision and values. Relative to this focus area for the 2019-20 school year, PYLUSD will provide an in-person training to school and district management staff on the important and challenging topic of bullying and harassment. Our commitment in this sensitive area of adolescence is recognized as essential to student success in PYLUSD. In addition, our district continues to be intentional about creating "belonging spaces" for all students on our campuses. We believe that when PYLUSD employees invest in students' name, face and story, they create a positive learning environment geared towards academic success and overall wellness.

Focus Area 3.0: Engaged Community encourages positive relationships among our students, staff, and parents as well as educational, business and community partners. PYLUSD looks forward to another school year of collaboration with two of our longstanding partners -- the Placentia-Yorba Linda Unified Council (PYLUC) of Parent Teacher Association (PTAs) and Parent Teacher Student Association (PTSAs) and the REACH Foundation. The award-winning PYLUC assists our individual school PTAs/PTSAs by modeling good parliamentary procedures and advocating on behalf of PYLUSD schools. The REACH Foundation is an all-volunteer, education-focused, 501 (c)(3) non-profit organization established to provide our students with resources to expand their knowledge in the areas of arts, athletics and academics. I encourage you to continue your valuable connections with your school's PTA/PTSA and the REACH Foundation in whatever way you may be able to this school year.

Focus Area 4.0: Safe and Respectful Environment will continue to serve as one of our primary objectives this school year. PYLUSD fosters a culture that promotes the emotional health, safety and well-being of students, staff and parents. We will continue to offer a long list of student wellness and mental health supports including our in-house board-certified behavior analyst and crisis counselor, as well as our registered behavior technicians, wellness specialists, psychologists and more. These individuals will provide counseling, guidance, and behavioral support to students both in and out of the classroom. Last school year, we implemented an electronic visitor management system at all PYLUSD school sites. The system, known as School Access Management or SAM, enhances school security by reading the drivers' license or other approved form of identification of campus visitors while comparing it to California Megan's Law and similar databases nationwide. SAM will continue to serve as a great support in helping protect our campuses, students and staff this school year. Furthermore, PYLUSD has entered into an agreement with Interquest Detection Canines, Inc. to provide trained detection canines to conduct random inspections of all high school campuses in our district throughout the 2019-20 year. These canines (Golden and Labrador Retrievers) are trained to detect the presence of illicit drugs, alcohol and gunpowder-based items. Lastly, every PYLUSD school site was scheduled to conduct an emergency lockdown drill with students and staff on campus before September 20. Our goal in conducting these drills is to reassure students, staff and families that we are prepared to respond to all safety-related concerns on our campuses.

Continued on page 3

Superintendent's Message, *Continued from page 2*

Focus Area 5.0: Optimized Resources ensures that all fiscal and capital resources are used to maximize educational opportunities in PYLUSD. New fencing systems continue to be installed at many of our schools to help maintain the flow and safety of our students during the school day, and to add an extra layer of support in securing our campus facilities. Summer also afforded essential time to enhance our learning environments with upgraded roofing, refreshed paint, brighter lights and much more. A special thanks to our maintenance and facilities department for their continued hard work in this area.

As you can see, it has been another busy summer here in PYLUSD! Before we begin, I encourage you to follow the district on Facebook, Instagram and Twitter to stay up-to-date on all of our exciting happenings. We often showcase the many accomplishments achieved by each and every one of our outstanding schools. Lastly, I thank you for your continued support as we work to always be the very best for our students, families, employees and community.

Happy new school year, PYLUSD ... It is sure to be our best year yet!

Sincerely,

Gregory S. Plutko, Ed.D.

gplutko@pylUSD.org

Principal's Message

Welcome to Bryant Ranch School, where our motto is, "Reflect the Past, Explore the Present and Invent the Future." With approximately 572 students in preppy kindergarten through fifth grade, our school encourages children to develop a love for learning in a safe, stimulating and academically challenging environment. Students, parents and staff work as a team to provide a positive environment where we shape the academic, physical, emotional and social development of our children. Preparing for the future and helping all students reach their highest potential are our ultimate goals at Bryant Ranch.

The elementary years are critical for development of strong, positive attitudes, habits, capabilities and academic skills. With this in mind, our curriculum is challenging, exciting and creative. Learning is supported through standards-based instruction, direct explicit lessons, technology, enrichment opportunities, independent thinking, problem-solving and inquiry.

As part of our commitment to the community, Bryant Ranch teachers place a high priority on collaboration, professional growth and enrichment opportunities.

Weekly collaboration takes place in both formal and informal settings. Shared leadership and professional empowerment are tenets all Bryant Ranch teachers follow, evidenced in the professional responsibilities assumed by a number of staff members, including disaster preparedness, technology, Gifted and Talented Education (GATE), after-school musical productions and being team leaders.

Bryant Ranch is not only continually acclaimed by the community, but has been recognized in the following ways:

- California Distinguished School in 1993, 2002, 2006
- National Blue Ribbon in 1994, 2003
- California Gold Ribbon in 2016

Our school began simply as a school upon a hill in the farthest point east in our district. Through the combined hard work of parents, teachers, administrators, students and the community, Bryant Ranch School has evolved into the proud academic institution that it is today!

Value Statements

- A positive and caring environment promotes intellectual curiosity, encourages creativity, and provides a balance between teamwork and independence.
- Promoting high self-esteem is the foundation for all school programs.
- Students and staff pride themselves in putting forth their best effort.
- There is a strong sense of community awareness and responsibility.
- Students are provided opportunities to learn about and appreciate the cultural diversity within our community.
- Cooperation among staff, parents and students encourages open communication and mutual support.
- Learning is celebrated as a lifelong experience.
- Students are recognized for striving toward academic success and appropriate behavior.
- Programs are provided that meet individual student needs.
- Schoolwide programs focus on developing a healthy mind and healthy body.
- Everyone is special.

Placentia-Yorba Linda Unified School District Core Values

What We Stand For and Represent

Excellence

We relentlessly pursue excellence in all academic and organizational endeavors.

Collaboration

We actively seek opportunities to serve and work together with all members of our school community to ensure student success.

Integrity

We foster relationships that promote respect, responsibility and honesty to ensure the wellbeing of all.

Innovation

We create a culture that celebrates ingenuity, promotes adaptability and inspires intellectual exploration.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

School Mission Statement

It is the mission of Bryant Ranch school to challenge and motivate all students. We initiate and cultivate collaboration and are committed to a strong community partnership that will guide our learners to reflect the past, explore the present and invent the future.

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2018-19 school year.

2018-19 Enrollment by Grade

Enrollment by Student Group

The total enrollment at the school was 573 students for the 2018-19 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

2018-19 School Year

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

School Description

Since opening its doors in 1990, Bryant Ranch School has the reputation for being a community hub of innovation and exploration, where adults and students are nurtured in a caring environment to become lifelong learners. Bryant Ranch is located in an upper-middle-class neighborhood with homes, condominiums and apartment complexes in what used to be a sprawling California ranch. Many parents tell us they moved into the Bryant Ranch attendance area specifically for the school's excellent reputation of high academic performance, the meeting of student needs and service to its community. Bryant Ranch serves approximately 572 students in preppy kindergarten through fifth grade.

CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The California Science Test (CAST) was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

Percentage of Students Scoring at Proficient or Advanced					Two-Year Data	
	Bryant Ranch ES		PYLUSD		California	
Subject	17-18	18-19	17-18	18-19	17-18	18-19
Science	✧	✧	✧	✧	✧	✧

CAASPP Test Results in ELA and Mathematics for All Students (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts (ELA)/literacy and mathematics.

Percentage of Students Meeting or Exceeding State Standards					Two-Year Data	
	Bryant Ranch ES		PYLUSD		California	
Subject	17-18	18-19	17-18	18-19	17-18	18-19
English language arts/literacy	82%	85%	68%	68%	50%	51%
Mathematics	72%	75%	59%	59%	38%	40%

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Physical Fitness Test		2018-19 School Year
Percentage of Students Meeting Fitness Standards		Bryant Ranch ES
		Grade 5
Four of six standards		17.9%
Five of six standards		22.6%
Six of six standards		50.0%

✧ Not applicable.

California Assessment of Student Performance and Progress (CAASPP)

For the 2018-19 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-5.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Results by Student Group: English Language Arts (grades 3-5)

Percentage of Students Meeting or Exceeding State Standards					2018-19 School Year
English Language Arts					
Group	Total Enrollment	Number Tested	Percentage Tested	Percentage Not Tested	Percentage Met or Exceeded
All students	261	254	97.32%	2.68%	85.04%

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject	
2019-20 School Year	
Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	0%
Foreign language	0%
Health	0%

Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

Currency of Textbooks	
2019-20 School Year	
Data collection date	9/10/2019

Textbooks and Instructional Materials

The deputy superintendent shall appoint a principal or other administrator to chair the districtwide textbook selection process. A Steering Committee shall be selected and consist of one certificated staff member from each elementary school or at least one teacher from each school from the subject-area department for which adoption is pending (secondary). Appointments to the committee will be based on professional expertise, desire to serve insofar as possible, and the demographic diversity of the district. The Steering Committee shall review materials submitted on state-authorized lists and any other materials that may be considered for adoption. If pilot usage is to be pursued, the Steering Committee shall select the material to be piloted. With or without piloting, the Steering Committee will recommend adoption to the District Curriculum Council, which shall make an adoption recommendation to the deputy superintendent. The deputy superintendent is responsible for preparing recommendations for the Board of Education.

The most recent public hearing to adopt a resolution on the sufficiency of instructional materials was held in September 2019. English language arts (ELA) and English language development (ELD) textbooks were adopted in the spring of 2017 and were chosen from the state-approved list. Textbook content aligns within the curriculum frameworks adopted by the State Board of Education. The California State Science Framework and the Next Generation Science Standards (NGSS) were adopted in 2016. NGSS aligned science textbooks became available for preview in the spring of 2018. The Science Steering Committee recommended two K-5 publications two 6-8 publications for a pilot during the 2019-20 school year. The District Curriculum Council may recommend textbooks for adoption in the spring of 2020. If adopted, implementation of the NGSS aligned materials will begin in 2020-21.

Textbooks and Instructional Materials List		2019-20 School Year
Subject	Textbook	Adopted
English language arts	Benchmark Advance, Benchmark Education Company (K-5)	2017
English language arts	<i>Reading</i> , Houghton Mifflin (K-5)	2003
English language arts	<i>Medallions</i> , Houghton Mifflin (upgrade)	2003
English language arts	Houghton Mifflin Harcourt California Collections, Houghton Mifflin Harcourt (6)	2017
English language arts	Language Circle Series, Project Read Phonology	2003
English language arts	<i>Written Expression</i>	2003
Mathematics	<i>California Math</i> , Houghton Mifflin (K-5)	2009
Mathematics	<i>Mathematics, Course 1</i> ; Prentice Hall (6)	2009
Science	Full Option Science System (FOSS), California Edition; Delta Education (K-5)	2008
Science	<i>Focus on Earth Science</i> , California Edition; Glencoe (6)	2007
History/social science	<i>History-Social Science for California</i> , Scott Foresman (K-5)	2007
History/social science	<i>Discovering Our Past: Ancient Civilizations</i> , Glencoe (6)	2006

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2019-20 School Year
Criteria		Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?		Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?		Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?		Yes

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2019-20 School Year
Items Inspected	Repair Status	
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
Interior: Interior surfaces (floors, ceilings, walls and window casings)	Good	
Cleanliness: Pest/vermin control, overall cleanliness	Good	
Electrical: Electrical systems	Good	
Restrooms/fountains: Restrooms, sinks and drinking fountains	Good	
Safety: Fire safety, emergency systems, hazardous materials	Good	
Structural: Structural condition, roofs	Good	
External: Windows/doors/gates/fences, playgrounds/school grounds	Good	
Overall summary of facility conditions	Good	
Date of the most recent school site inspection	4/1/2019	
Date of the most recent completion of the inspection form	4/1/2019	

School Facilities

Education is a top priority in the community of Placentia-Yorba Linda, and maintaining a safe and orderly environment maximizes student learning. Facilities are maintained through the diligent efforts of the site custodial crews and the district maintenance staff. PYLUSD principals and the custodial supervisor work with the site custodial staff to develop cleaning schedules to maintain clean and safe schools. District maintenance staff performs the repairs necessary to keep the schools in good working order in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Since opening its doors in 1990, Bryant Ranch has the reputation for being a community hub of innovation and exploration, where adults and students are nurtured in a caring environment to become lifelong learners. The school's physical facility is well maintained and looks neat and clean. District personnel periodically examine the school's physical facility and help eliminate obstacles to school safety. Additionally, the health and fire department inspectors contribute to school safety by doing routine inspections. Administration and individual classroom teachers monitor classrooms for safety and appearance. Students take pride in the appearance of the school.

Bryant Ranch Elementary School provides a closed campus with a fence that is locked during school hours. The main building includes the office, mailroom, health office, library, staff workroom and lounge. There are three pods of classrooms located on the primary side of campus, one of which includes the kindergarten building, the 100 wing, 200 wing and 300 wing. There are two other pods of classrooms located on the upper-grade campus currently being utilized: the 300 wing (upper grade) and 300 wing (day care). The 400 and 500 classrooms are vacant and only used on occasion. The Multi-Use Room and the computer lab adjoin to the PTA, music, drama, kitchen and custodial offices. The playground is separated into three areas: kindergarten, primary and upper grade. Each playground area consists of grass and asphalt.

The primary and upper-grade playground includes basketball courts, ball walls, a climbing apparatus and a field. During the school day, staff members and administration provide campus supervision.

Security Procedures

Bryant Ranch Elementary School has established procedures to maintain student safety at all times. To ensure the safety of pupils and staff, visitors sign in upon entering school grounds and are required to wear a visitor's badge. At morning drop-off, a staff member monitors traffic. Students then enter the campus and "walk around America" on the blacktop area on the playground. After school, teachers are on duty to ensure that students leave safely. A crossing guard assists children at Camino de Bryant and Via Cantanda.

A Safe and Orderly Environment

The entire comprehensive school safety plan ensures that policies and procedures are in place and reviewed as needed and/or by law. This comprehensive plan ensures that students are in a safe and orderly environment, which is conducive to learning at school.

Deficiencies and Repairs

For all items inspected that were found to not be in "good repair", a work order has been created and maintenance will be completed before the end of the 2019-20 school year. Maintenance items will be prioritized so that student safety is not compromised.

Types of Services Funded

In addition to school site budgets, our school also receives the following supplemental funding:

- LCFF Base and LCFF Supplemental
- PTA gifts funds used for a variety of programs beneficial to the children such as field trips, assemblies, after-school programs, technology resources and other instructional supplies

School Safety

Special care is taken to ensure student safety at all times. Each year, members of the school's safety and behavior committees, in compliance with state Senate Bill 187, review and update a comprehensive Safe School Action Plan. This comprehensive safety plan consists of three components: 1. All students and staff members are provided a safe teaching and learning environment; 2. All students are safe and secure while at school and are aware of safety issues regarding ingress and egress; and 3. District programs and community resources are available to students and parents. The school safety plan was last reviewed, updated and discussed with school staff in November 2019.

Monthly fire drills are conducted as well as quarterly earthquake and disaster drills. Once a year, the local fire department holds and evaluates a full-scale mock disaster drill. Safety procedures are reviewed and communicated through the weekly newsletters and parent education nights. Safety is a combined responsibility of students, staff, parents and district personnel. Safety concerns have been minimal due to this collaboration, and issues regarding safety are identified before becoming a concern.

The surrounding community can report concerns directly to the school office during the day. To report safety concerns after school hours, a 24-hour emergency phone number is posted on the school windows and published in the newsletter.

Other activities that promote school safety include safety assemblies, behavior assemblies, social groups, anti-bullying assemblies, and training in conflict management. Additionally, school personnel supervise playground and campus areas before and after school as well as during recess and lunch.

In order to maintain assurances that school is a safe environment, an Emergency Disaster Plan has been developed in cooperation with teaching and classified staff, local community members, parents, and the local police and fire departments and is a part of the site's Safe School Plan. This comprehensive plan includes clearly written and communicated procedures for fire drills, earthquake drills, intruder lockdown drills, major disasters with injuries and a map for evacuation. In the event of a real disaster, every staff member is trained and assigned to a team to perform duties. A large supply of medical materials, water, and food are stored on-site. Once a month, students and staff participate in a drill to practice procedures and safety techniques. A comprehensive exit plan was developed after the November 2008 wildfires occurred at Bryant Ranch.

Continued on page 11

Professional Development

2017-18

PYLUSD facilitates professional development in ways that impact all teachers. In late August, prior to the return of students, all PYLUSD teachers participated in a half-day of professional development. The primary focus of training for K-6 teachers and middle school English Language Arts/English Language Development (ELA/ELD) teachers was to provide an overview of the district's new universal screener, iReady. Teachers learned about the overall iReady program, specifically how to administer assessments and interpret student, class, and school level reports. PYLUSD also provided content specific professional development training to all middle and high school teachers on curriculum transitions in specific content areas and in Common Core State Standards (CCSS).

A wide variety of professional development opportunities for individuals, small groups, as well as large groups are made available throughout the school year. For 2017-2018, specific professional development emphasis has been placed on recently adopted ELA/ELD adopted materials. Other areas of focus include integrated and designated ELD, transitioning toward Next Generation Science Standards (NGSS), Universal Design for Learning (UDL), writing, inquiry, collaboration, organization and reading (WICOR), Advancement Via Individual Determination (AVID) Strategies, technology, including the annual Google Summit, and districtwide initiatives, such as Cognitively Guided Instruction (CGI), Extending Children's Mathematics (ECM), FOSS Science (with embedded literacy strategies and science and engineering practices), Step up to Writing, Project Read, and Positive Behavioral Interventions and Supports (PBIS). These trainings are provided in the form of all-day trainings, half-day trainings, Professional Learning Communities (PLC) modules, and on-site coaching opportunities.

PYLUSD's district wide Induction program provides numerous professional development opportunities and supports for new general and special education teachers and their advisors. Elementary teachers also receive ongoing professional development at the site throughout the school year during early release Wednesdays. At the middle and high school levels, professional development takes place on designated "late-start" Mondays. Both of these models allow teachers the time necessary for collaboration by grade level and department. Educational Services also ensures the ongoing training of teachers in the International Baccalaureate Program and AVID Institutes.

2018-19

PYLUSD facilitates professional development in a variety of innovative ways to positively impact classroom instruction. In late August, prior to the return of students, all K-12 teachers participated in a half-day of professional development with Dr. Kate Kinsella. The primary focus of training was academic vocabulary for all students, as well as five specific Instructional Routines (5 for All) to support students in the acquisition of academic vocabulary and increased academic achievement across all subject areas. Teachers continue to receive training on 5 for All through onsite professional development, Instructional Routine modules and classroom observations.

Many professional development opportunities for individuals, small groups, as well as large groups are made available throughout the school year. For 2018-19, specific professional development emphasis has been placed on the adopted ELA/ELD materials Benchmark Advance (K-5), Collections (6-8) and Study Sync (9-12). Other areas of focus include integrated and designated ELD, transitioning toward NGSS, UDL, WICOR (AVID Strategies) and technology, including You Cube hybrid PD and the annual Google Summit provided by the EdTech Team that integrates educational technology into instruction. Districtwide training on initiatives such as CGI, ECM, FOSS Science (with embedded literacy strategies and science and engineering practices), Step up to Writing, Project Read, Student Study Team (SST) and PBIS are also provided to teachers. In addition to content specific professional development, Educational Services supports the training of teachers on PLCs and working in collaborative teams, the International Baccalaureate Program and AVID. Professional development opportunities are provided in the form of all-day trainings, half-day trainings, collaborative team meetings and on-site coaching.

PYLUSD's districtwide induction program provides numerous professional development opportunities and supports for new general and special education teachers and their mentors. Elementary teachers also receive ongoing professional development at the site throughout the school year during early release Wednesdays. At the middle and high school levels, professional development takes place on designated "late-start" Mondays. Both of these models allow teachers the time necessary for collaborative team meetings by grade level and department.

2019-2020

PYLUSD provides a variety of professional development opportunities for teachers throughout the year. In August, before the school year began, all K-12 teachers participated in a half-day of professional development. K-5 teachers learned about the tenants of Love & Logic for classroom management from Dr. Charles Faye of the Love & Logic Institute. Following this, they participated in grade-level breakout groups to examine the California Common Core Standards in math and discuss which math standards should comprise Guaranteed and Viable Curriculum (GVC) for PYLUSD students at each grade level. 6-12 grade teachers also learned about Love & Logic student management principles from Dr. Charles Faye. Following this, they broke out into subject-specific workshops of their choosing. These workshops covered a variety of topics, including NGSS instruction, useful classroom technology tools, water safety, mindfulness techniques, and utilizing WICOR strategies to improve student learning.

A wide variety of professional development opportunities for individuals, small groups and large groups are made available throughout the school year.

Continued on page 11

Professional Development, *Continued from page 10*

For 2019-20, while we continue to provide training in the adopted ELA/ELD materials, Benchmark Advance (K-5), Collections (6-8) and StudySync (9-12). Specific professional development emphasis has been placed on math, science and writing instruction. All 4th grade through Algebra math teachers have received two full days of instruction on mindset, meaningful classroom activities, and the use of interim assessments to guide instruction from consultant Carl Veater, Director of the San Joaquin Valley Mathematics Project. In science, district teachers on special assignment (TOSAs) are training all K-5 teachers and 6-8 teachers of science in NGSS practices, with specific training in Toolkit for Instructional Materials Evaluation and Ambitious Science Teaching for members of the materials adoption steering committee. Meanwhile, the 14-member 9-12 Science Leadership Team is working on incorporating NGSS into existing high school science courses ahead of adopting new instructional materials for high school. Additionally, PYLUSD is fortunate to have Dr. Kate Kinsella conducting three day writing workshops for all 3-12 grade ELA teachers, and consulting on designated ELD instruction as well as 5 for All Essential Routines for integrated ELD K-12 instruction. Other areas of focus continue to be UDL, WICOR (AVID Strategies), CGI, ECM, and the annual Google Summit that helps teachers learn to integrate educational technology into instruction. In addition to content-specific professional development, educational services supports the training of teachers on PLCs, SST, PBIS, the International Baccalaureate Program, and AVID. Professional development opportunities are provided in the form of all-day trainings, half-day trainings, collaborative team meetings, after school workshops and on-site coaching.

PYLUSD's districtwide induction program provides numerous professional development opportunities and supports for new general and special education teachers and their mentors. All teachers also receive ongoing professional development at the site throughout the school year during early release Wednesdays or late-start Mondays. These days allow teachers the time necessary for collaborative team meetings by grade level and department.

Professional Development Days	Three-Year Data		
	2017-18	2018-19	2019-20
Number of school days dedicated to staff development and continuous improvement	0.5 days	0.5 days	0.5 days

Parental Involvement

We have an extremely active Parent Teacher Association (PTA), priding itself on strengthening the school by providing more than 30 support programs and enrichment opportunities for parents and students. The community's interest in Bryant Ranch is evidenced by the 7,000 annual volunteer hours.

Bryant Ranch has been a key element and central hub in serving the neighborhood community for the past two decades. We have always encouraged parents to be very involved in their child's education. PTA leadership is active in recruiting volunteers for the classrooms, library, computer lab and office. Parents volunteer weekly on campus, assisting individuals or small groups of students and helping teachers prepare future lessons. They create a wonderful educational partnership by sharing their time and talents. There are a variety of opportunities for community members to become involved with Bryant Ranch, including Art Masters, Reflections Art Contest, Read Naturally, Box Tops for Education, School Site Council, Science Nights, Red Ribbon Week, assemblies, school spirit clothing sale, book fair, Jog-a-thon, PTA, Harvest Night, and yearbook. We established connections to local police and fire departments to stay current with policies and procedures in regards to our disaster-preparedness programs.

Volunteerism is one of the hallmarks of Bryant Ranch. At our meet and greet, volunteers sign up for committees and there are a variety of ways to get involved. Volunteers sign in at the volunteer desk in the school office and wear ID badges while on campus. Orientations for the library, computer lab and classroom volunteers are scheduled each September. Each day, parents become partners in the learning process by assisting teachers with small-group instruction, tutoring, materials preparation and supervising student activities.

At Bryant Ranch, we pride ourselves on our community-like atmosphere. Frequent communication provides parents with many opportunities to be involved in and have knowledge about their child's education. Tuesday Envelopes, organized and implemented by a zealous group of volunteers, are distributed on a weekly basis. Our school uses Parent Square, a private, secure communication platform that engages every parent in our school. It lets parents choose how and when they want to be notified, via either app, email or text. Weekly newsletters are sent out to parents every Sunday evening.

For more information on how to become involved at the school, please contact us at (714) 986-7120.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School Safety

Continued from page 10

This includes exit areas, phone procedures and a safe evacuation center off the hill in case of an emergency. A security fence has been installed in response to heightened safety concerns based on recent events in the country.

Positive Behavior Support Plan: A goal of the Bryant Ranch staff is to provide a safe, positive and nurturing atmosphere that focuses on fairness, trust, communication and caring. Every student at Bryant Ranch has the right to be safe, respected, able to learn free of disruption, and have a neat and clean environment.

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates			
Bryant Ranch ES			
	16-17	17-18	18-19
Suspension rates	0.5%	0.0%	0.2%
Expulsion rates	0.0%	0.0%	0.0%
PYLUSD			
	16-17	17-18	18-19
Suspension rates	2.6%	2.8%	2.0%
Expulsion rates	0.1%	0.1%	0.1%
California			
	16-17	17-18	18-19
Suspension rates	3.6%	3.5%	3.5%
Expulsion rates	0.1%	0.1%	0.1%

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff Data	
2018-19 School Year	
	Ratio
Academic counselors	✧
Support Staff	FTE
Counselor (academic, social/behavioral or career development)	0.0
Library media teacher (librarian)	0.5
Library media services staff (paraprofessional)	0.5
Psychologist	0.3
Social worker	0.0
Nurse	✧
Speech/language/hearing specialist	0.6
Resource specialist (nonteaching)	1.0
✧ Not applicable.	
✧ Shared with other schools.	

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information		Three-Year Data		
	PYUSD	Bryant Ranch ES		
Teachers	19-20	17-18	18-19	19-20
With a full credential	1,077	23	22	21
Without a full credential	9	0	0	0
Teaching outside subject area of competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions		Three-Year Data		
		Bryant Ranch ES		
Teachers		17-18	18-19	19-20
Teacher misassignments of English learners		0	0	0
Total teacher misassignments		0	0	0
Vacant teacher positions		0	0	0

School Vision Statement

Bryant Ranch School will be recognized as an invention center, encouraging students, staff and community members to continually explore their environment. It will be a problem-solving center that encourages lifelong learning.

Bryant Ranch will offer a unique program for students and be an integral part of the greater community. Its facilities, resources and philosophy will meet the varied learning needs and interests of its diverse participants during the school day and through after-school activities. Excited and involved learners of all ages will focus on inventing the future.

Bryant Ranch staff will act to heighten students' enthusiasm to become lifelong explorers. The active involvement of adults as parallel and collaborative learners seeking solutions will be essential in this process.

Bryant Ranch students will be provided programs that will allow them to continually explore the unknown and experience success in their endeavors. Real-life issues will become the catalyst for exploring possible solutions and applying a variety of problem-solving methods. Students will experience learning through hands-on activities, use of technology, and active research in independent and cooperative settings.

These ideas and resources will empower students of Bryant Ranch to focus on knowledge acquisition and creation of new ideas supported by technology. Home and school will work collaboratively to extend the physical base for learning. A nurturing, encouraging and caring environment will propel our lifelong learners along their educational journey as they "Reflect the Past, Explore the Present and Invent the Future."

Financial Data

The financial data displayed in this SARC is from the 2017-18 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data		2017-18 Fiscal Year
	PYUSD	Similar Sized District
Beginning teacher salary	\$44,630	\$48,612
Midrange teacher salary	\$82,740	\$74,676
Highest teacher salary	\$103,802	\$99,791
Average elementary school principal salary	\$116,469	\$125,830
Average middle school principal salary	\$118,850	\$131,167
Average high school principal salary	\$135,949	\$144,822
Superintendent salary	\$299,970	\$275,796
Teacher salaries: percentage of budget	37%	34%
Administrative salaries: percentage of budget	5%	5%

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2017-18 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Bryant Ranch ES	\$5,336	\$89,844
PYUSD	\$7,860	\$87,995
California	\$7,507	\$82,403
School and district: percentage difference	-32.1%	+2.1%
School and California: percentage difference	-28.9%	+9.0%

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2017-18 Fiscal Year	
Total expenditures per pupil	\$5,778
Expenditures per pupil from restricted sources	\$442
Expenditures per pupil from unrestricted sources	\$5,336
Annual average teacher salary	\$89,844

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Bryant Ranch Elementary School

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2019.
